His Excellency, Governor Christopher T. Sununu

State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, New Hampshire Hospital, to enter into a **Retroactive, Sole Source** contract with Rebecca Farver (VC#TBD), Concord, NH, in the amount of \$106,080, to provide psychiatric services to individuals admitted to the Department's Community Residence, also known as Philbrook Adult Transitional Housing Center, with the option to renew for up to two (2) additional years, effective retroactive to October 5, 2020 upon Governor and Council approval, through September 30, 2022. 80.2% General Funds and 19.8% Other.

Funds are available in the following account for State Fiscal Year 2021, and are anticipated to be available in State Fiscal Year 2022 and 2023, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

EXPLANATION

This request is **Retroactive** because psychiatric services at the Department's Community Residence, also known as Philbrook Adult Transitional Housing Center, needed to be in place prior to meeting the deadlines for submitting a contract for Governor and Council approval. This request is **Sole Source** because the vendor is uniquely qualified, is familiar with New Hampshire Hospital personnel, policies and procedures, and was immediately available to provide these services.

The purpose of this request is for the Contractor, who is an Advance Practice Registered Nurse, to provide psychiatric services to individuals admitted to the Department's Philbrook Adult Transitional Housing Center on the Hugh J. Gallen State Office Park campus.

The individuals admitted to the Philbrook Adult Transitional Housing Center have been diagnosed with serious mental illness but need a lesser level of care than provided at New Hampshire Hospital. Transitioning appropriate clients from New Hampshire Hospital to the Philbrook Adult Transitional Housing Center allows more beds to be available at New Hampshire Hospital for individuals who are remaining in hospital emergency departments across the state instead of being admitted to New Hampshire Hospital. Approximately 128 individuals will be served from October 5, 2020 to September 30, 2022.

The Contractor will provide psychiatric services that at a minimum will include assessing individuals, diagnosing psychiatric conditions, and formulating and implementing individual treatment plans and clinical services.

The Department will monitor compliance of the contracted services through monthly reporting of services hours completed and notes written on patients' progress.

As referenced in Exhibit A Revisions to Standard Contract Provisions, Section 1.2 of the attached contract, the parties have the option to extend the agreement for up two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department's ability to provide clinical services at the Philbrook Adult Transitional Housing Center will be compromised, and may require patients, whom are ready to transfer to Philbrook Adult Transitional Housing Center, to stay at New Hampshire Hospital, which would delay patients being admitted from hospital emergency departments.

Area served: Statewide

Source of Funds: 80.2% General Funds and 19.8% Other (Fees and Intra-Agency Transfers).

Respectfully submitted,

A handwritten signature in black ink, reading "Lori Shibinette". The signature is fluid and cursive, with the first name "Lori" and last name "Shibinette" clearly distinguishable.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
