THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

William Cass, P.E.
Assistant Commissioner

Office of Federal Compliance
March 22, 2017

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the New Hampshire Department of Transportation (NHDOT) to enter into a contract with Hessel and Associates, LLC., Brattleboro, Vermont (vendor code 209072), based on a single bid received in a low bid process, for a total fee of \$28,456.00, to provide employment outreach and placement services for minorities and female candidates under the New Hampshire On-the-Job Training (OJT) program necessary to meet Federally mandated EEO/Affirmative Action requirements in accordance with Title VI of the Civil Rights Act of 1964, effective upon Governor and Council approval, through March 30, 2018. 100% Federal Funds.

Funds to support this request are available in the following account in State FY 2017, and are contingent upon the availability and continued appropriation of funds in FY 2018 with the ability to adjust encumbrances between State Fiscal Years if needed and justified:

EXPLANATION

The Federal Highway Administration (FHWA) On-the-Job Training/Supportive Services (OJT/SS) program was established in Title 23, Code of Federal Regulations (CFR) Part 230, to supplement the On-the-Job Training (OJT) program and support States' training programs by providing funding for approved services to assist highway construction contractors and highway construction apprentices and trainees.

The New Hampshire Department of Transportation recognized a need by highway construction contractors for access to a larger pool of qualified minority and female candidates to fulfill their contractual OJT obligations. To request OJT/SS funding and address this need, the NHDOT was required to develop and submit a Statement of Work (SOW), requesting OJT/SS funding for specific supportive service activities with measurable goals and objectives. The SOW funding request was approved by FHWA and funds have been deposited for this purpose in a specific NHDOT account.

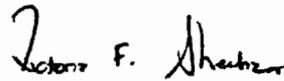

23
Becker

The goal of this supportive services contract is to provide outreach and placement services in specific geographic areas to increase the availability of qualified minority and female candidates for hire by contractors and remove barriers to their initial and continued employment. Supportive services provided pursuant to this contract complement existing OJT functions and extend beyond the current capacity of the NHDOT Office of Federal Compliance.

In order to maximize bid participation, a solicitation of interest was advertised in the NH Union Leader Sunday Newspaper and mailed or emailed to individuals and businesses with the ability to provide the required services. Hessel and Associates submitted the only bid of \$28,456.00, which is equal to the NHDOT's estimate for the required services.

The NHDOT has prequalified the contractor and verified that the necessary funds are available. The contract has been approved by the Attorney General as to form and execution. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

Victoria F. Sheehan
Commissioner
