REQUESTED ACTION

Authorize the New Hampshire Fish and Game Department (NHFG) to enter into a **SOLE-SOURCE** contract with Roger Stephenson, d/b/a Stephenson Strategic Communications Stratham, NH (vendor code 164374), in an amount not to exceed \$28,100.00 for fundraising efforts for the Nongame and Endangered Wildlife Program upon Governor and Council approval through September 30, 2022. 100% Other Funds (Nongame).

Funding is available in account, Nongame Species Management, as follows, contingent upon the availability and continued appropriations for State Fiscal Years 2021 and 2022, with the authority to adjust encumbrances in each of the State fiscal years through the Budget Office if needed and justified.

03 7575 751520-21250000 WILDLIFE PROGRAM - Nongame Species Management

		<u>FY21</u>	<u>FY22*</u>
20-07500-21250000-046-500464	Consultants	\$14,450.00	\$13,650.00
		*Pending budget approval.	

EXPLANATION

The Nongame Species Management Act of 1988 (RSA 212-B) requires NH Fish and Game to develop and implement a comprehensive management program to conserve NH's wildlife diversity including over 400 species that are not hunted, fished or trapped. To fund this work, the State of NH provides up to \$100,000 each fiscal year as match to private donations raised for the program.

The combination of private donations and the State matching grant are critical to qualify for funding via the State Wildlife Grants program administered by the US Fish and Wildlife Service. These federal grants require non-federal match of 75:25 for conservation planning projects and 65:35 for conservation implementation. Therefore, raising sufficient private donations is critical to the continued operation and success of the Nongame and Endangered Wildlife Program.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

Since 2004 Roger Stephenson, d/b/a Stephenson Strategic Communications, has worked under contract to lead fundraising efforts for the Nongame Program. For the past 16 years, Stephenson has provided exceptional professional service and demonstrated an ability to exceed the Program's fundraising goals. While working under contract with Stephenson Strategic Communications, the Nongame Program has consistently exceeded its fundraising goal of \$100,000 each year. Private donations to support the program during state fiscal years 2019 and 2020 totaled more than \$148,974 and \$159,719 respectively.

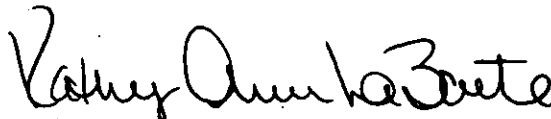

The Nongame and Endangered Wildlife Program is self-supporting and receives no funding from the Fish and Game fund. Stephenson Strategic Communications has worked with Nongame Program staff to develop fundraising strategies, streamline the process and has continually exceeded fundraising goals. Under this contract Stephenson Strategic Communications LLC includes list rentals into the costs of services, services for reminder mailings and personalization, and a second Fall Appeal. Stephenson Strategic Communication LLC will add time and services to coordinate current AFC fundraising activities with the Nongame and Endangered Wildlife Program social media and digital appeals and other opportunities (e.g., email solicitation and on-line giving). Stephenson is a key component to the continued successful fundraising efforts for the Nongame and Endangered Wildlife Program.

Upon Governor and Council approval, Stephenson Strategic Communications LLC will be reimbursed according to completion of tasks that are detailed in exhibits B and C.

Respectfully submitted,

Glenn Normandeau
