REQUESTED ACTION

Authorize the Department of Education, to exercise a renewal option with Seacoast Youth Services, Seabrook, NH (Vendor Code #203944), by increasing the price limitation by \$75,123.82 from \$68,294.38 to \$143,418.20, effective from June 30, 2017 to June 30, 2018, to continue to offer extended day programming for youth and their families, upon Governor and Council approval. Item originally approved by Governor and Council on 06/29/16 (Item# 112). 100% Federal Funds.

Funds to support this request are anticipated to be available in the account titled 21st Century Community Title IV as follows, contingent upon legislative approval of the next biennium budget:

		<u>FY18</u>
06-56-56-563010-75380000-072-500577	Grants-Federal	\$75,123.82

EXPLANATION

The United States Department of Education legislation allows for five-year 21st Century Community Learning Center grants to serve youth and their families during the out-of-school-time hours. Grants are awarded annually pending the receipt of an Annual Performance Report that indicates sufficient progress and the availability of federal funds.

New Hampshire anticipates a FY 2018 grant award in the amount of \$4,900,000.00 from the United States Department of Education under Title IVB, the 21st Century Community Learning Center Program. This program provides grants to inner city and rural schools, community based organizations, youth development agencies and other educational agencies to provide expanded learning opportunities for children outside of regular school hours in a safe environment. The programs will offer students a broad array of additional services, programs, and activities such as tutorial services, youth development activities, drug and violence prevention, counseling programs, art, music, recreation programs, and technology education.

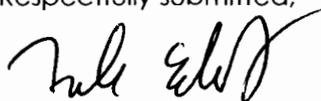

His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council

May 1, 2017

The program services provided by the grant cited above will be coordinated by Seacoast Youth Services in Seabrook, NH in collaboration with the Seabrook School District. This collaborative approach will serve middle school Seabrook School District youth and their families.

Funding for this grant is provided by the 21st Century Community Learning Center program under Part B of Title IV of the Elementary and Secondary Education Act (ESEA) of 1965, as amended. In January 2016 the New Hampshire Department of Education issued a Request for Proposals (RFP) soliciting proposals for these funds. School Districts, Community Based Organizations, and Extended Day Programs were notified through e-mail about the Bidders' Conference and publication of the online RFP. The projects funded demonstrated that partnerships between school districts and community based organizations have promise to help youth improve academic achievement. Sixteen proposals were received and six were funded based on a peer review process. Peer Reviewers worked in teams of three to rate proposals based on the RFP's matrix criteria. Each team had an experienced 21st Century Community Learning Center member to help steer the review and two other experienced professionals to create well-balanced teams. The twelve peer reviewers were represented by experienced 21st Century Community Learning Center and school day professionals, higher education, Title I, Title II and community based organizations. A list of reviewers and the results are included in this packet.

This is the second year of a 5 year renewal option. In the event Federal Funds are no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Frank Edelblut
Commissioner of Education

**Seacoast Youth Services Mission Statement
April 2017**

Seacoast Youth Services supports young people and their families in coastal New Hampshire communities. By teaching and mentoring healthy communication and life skills, Seacoast Youth Services empowers those we serve to make positive choices for happier, healthier, and brighter futures.

We believe that effective support begins with direct engagement. That's why we connect with the youth where they learn and socialize in addition to offering individual and group counseling, outreach, and educational programs at our facility. Our goal is to reach all those who can benefit from our programs, including youth and family members who typically do not receive services.

This program provides grants to inner city and rural schools, community based organizations, youth development agencies and other educational agencies to provide expanded learning opportunities for children, outside of regular school hours in a safe environment. The programs will offer students a broad array of additional services, programs, and activities such as tutorial services, youth development activities, drug and violence prevention, counseling programs, art, music, recreation programs, and technology education. These programs and services are designed to reinforce and complement the regular academic program of the participating students.

Her Excellency, Governor Margaret Wood Hassan
and The Honorable Council

The program services provided by the grant cited above will be coordinated by Seacoast Youth Services in Seabrook, NH in collaboration with the Seabrook School District. This collaborative approach will serve middle school Seabrook School District youth and their families.

Funding for this grant is provided by the 21st Century Community Learning Center program under Part B of Title IV of the Elementary and Secondary Education Act (ESEA) of 1965, as amended. In January 2016 the New Hampshire Department of Education issued a Request for Proposals (RFP) soliciting proposals for these funds. School Districts, Community Based Organizations, and Extended Day Programs were notified through e-mail about the Bidders' Conference and publication of the online RFP. The projects funded demonstrated that partnerships between school districts and community based organizations have promise to help youth improve academic achievement. Sixteen proposals were received and six were funded based on a peer review process. Peer Reviewers worked in teams of three to rate proposals based on the RFP's matrix criteria. Each team had an experienced 21st Century Community Learning Center member to help steer the review and two other experienced professionals to create well-balanced teams. The twelve peer reviewers were represented by experienced 21st Century Community Learning Center and school day professionals, higher education, Title I, Title II and community based organizations. A list of reviewers and the results are included in this packet.

We request a renewal option for four additional fiscal years since those selected for funding are eligible for five years of funding based on previous successful progress.

This is the first year of a five year grant. In the event Federal Funds are no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Virginia M. Barry, Ph.D.
Commissioner

 - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
 - 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
 - 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
15. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. This covenant shall survive the termination of this agreement.
- 17.1 INSURANCE AND BOND.
- 17.1.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.
18. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

EXHIBIT A

SCOPE OF WORK

Seacoast Youth Services (SYS) and Seabrook Middle School (SMS), together with other community partners, will implement the Seabrook Adventure Zone (SAZ), a NH 21st CCLC afterschool program. SAZ will provide comprehensive after-school (17.5 hours a week) and summer programming (six full weeks) that focus on improving and supporting academic achievement, guiding and nurturing positive youth development, strengthening family engagement, literacy, and healthy living initiatives by offering a variety of programming, events, and resources built on the principles of Experiential Learning and The Circle of Courage. SAZ encourages all students to participate and facilitates outreach to engage students who are identified at-risk and historically in greatest need of after-school programming, but least likely to participate.

The program goals are to improve academic performance, guide and support positive youth development, and encourage family engagement with literacy and healthy living initiatives. The Community Advisory Board works closely with the program director and will guide SAZ in sustainability planning and actively nurtures collaborative relationships between SAZ, SMS, community partners, families, and the Seabrook community.

Seacoast Youth Services Mission Statement January 2016

Seacoast Youth Services supports young people and their families in coastal New Hampshire communities. By teaching and mentoring healthy communication and life skills, Seacoast Youth Services empowers those we serve to make positive choices for happier, healthier, and brighter futures.

We believe that effective support begins with direct engagement. That's why we connect with the youth where they learn and socialize in addition to offering individual and group counseling, outreach, and educational programs at our facility. Our goal is to reach all those who can benefit from our programs, including youth and family members who typically do not receive services.
