### EXPLANATION

These subgrants are from the federal formula grant that New Hampshire receives annually from the US Department of Justice, Office on Violence Against Women (OVW). The Violence Against Women Program is targeted specifically at deterring crimes involving violence against women and aiding the victims of those crimes. A statutory requirement of the VAWA grant program is that agencies representing law enforcement will be allocated at least 25% of the award; prosecution will be allocated at least 25% of the award; victim services will be allocated at least 30% of the award (with at least 10% of that to be distributed to culturally specific community-based services and 5% to the courts) and 20% of the funding must be expended for services to sexual assault victims.

The subgrant recipients above have received previous VAWA awards from this office. All were selected through a competitive bid process and now represent core service providers for the State of New Hampshire in the area of violence against women services. These awards will allow the funded organizations to continue providing the vital services that New Hampshire's citizens have come to rely.

Specific activities being performed through the awarding of these funds include: specially trained domestic violence and sexual assault prosecutors at county attorney offices, victim advocate positions in police departments and in county attorney offices, supervised visitation and exchange center staffing, funding to support staff positions for two DV Units in our largest police departments, a domestic violence officer/investigator at the Franklin Police Department, and continuation of emergency legal services to victims. The award to the NH Coalition Against Domestic and Sexual Violence (NHCADSV) will provide continued services to victims of domestic and sexual violence. Mandatory funding to the court will be utilized to continue building judicial support to victims of crime.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

  
Joseph A. Foster  
Attorney General
