DEPUTY ATTORNEY GENERAL

May 6, 2015

Her Excellency Governor Margaret Wood Hassan
And the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the Department of Justice to amend Governor and Executive Council item #55, section 2, approved on December 23, 2014, by extending the end date to the subgrants listed below from June 30, 2015 to June 30, 2016 for the purposes of providing services in New Hampshire for victims of violent crimes. No additional funding is involved in this time extension. Funding is available in the FFY 2013 Violence Against Women Formula Grant. 100% Federal Funds.

Funding is available in account number 02-20-20-201510-5017, (Job # 20VAW13A) Department of Justice, Grants Administration, entitled Violence Against Women Act for the following subgrants:

<u>Class</u>	<u>Agency</u>	<u>Vendor#</u>	<u>Amount</u>
072-500574	Grafton County Attorney's Office	177397B005	\$30,000
072-500574	Belknap County Attorney's Office	177360B004	\$30,000
072-500574	Merrimack County Attorney's Office	177435B011	\$30,000
072-500574	Plaistow Police Department	177462B002	\$30,000
072-500576	NH Department of Justice	177877B001	\$20,000

EXPLANATION

The above-mentioned programs were approved by the Governor and Executive Council for six months of funding from the Federal Fiscal Year 2013 Violence Against Women Act (VAWA) grant originally ending on June 30, 2015. The Department of Justice has since received federal approval to extend this grant program to a new end date of June 30, 2016. As a

These subgrants are from the federal formula grants that New Hampshire receives from the US Department of Justice, Office on Violence Against Women (OVW). The OVW Program is targeted specifically at deterring crimes involving violence against women and aiding the victims of those crimes. A statutory requirement of the VAWA grant program is that agencies representing law enforcement will be allocated at least 25% of the award; prosecution will be allocated at least 25% of the award; victim services will be allocated at least 30% of the award, with at least 10% of that to be distributed to culturally specific community-based services; and the courts are to be allocated at least 5% of the grant award.

The subgrant recipients have been granted previous VAWA awards from this office. All have been selected through a competitive bid process and now represent our core service providers for the State of New Hampshire in the area of violence against women related services. As core service providers, these organizations have been selected to maximize the delivery of services throughout the State. These awards will allow the funded organizations to continue providing the vital services that New Hampshire's citizens have come to rely. Should New Hampshire's VAWA funding increase, the Department will again initiate a competitive bid process in order to increase these available services statewide.

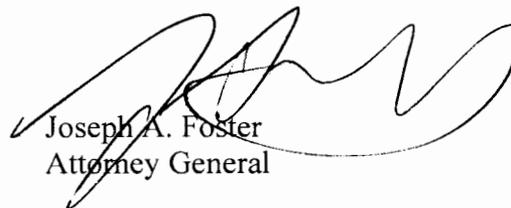

Specific activities being performed through the awarding of these funds include: specially trained domestic violence and sexual assault prosecutors at county attorney offices, continued services to victims of domestic and sexual violence, mandatory funding to the courts to continue building judicial support to victims of crime, victim advocate positions in police departments and in county attorney offices, supervised visitation and exchange center staffing, and the continuation of emergency legal services to victims.

The vast majority of the above VAWA funded projects support the retention of staff at these organizations. These projects are funded one hundred percent (100%) by federal dollars.

In the event that federal funds become no longer available, general funds will not be requested to support these programs.

Please feel free to contact me if you have any questions. Thank you for your consideration of this request.

Respectfully Submitted,
