" 9.	1848 - 1906	Miscellaneous records

I have searched above and copied all highways recorded therein.

At the office of the Secretary of State there are three volumes, copied from six volumes of the early records of Alton, these run from 1777 to 1869. There have been checked and the highways copied.

We now have on file copies of all highway records from 1777 to 1906.

Oscar E. Jewell
Research Clerk.

Petition of sundry persons in Gilmanston & others
 for a road (in Gilmanston) across Benjamin French's
 land to Barnstead line

Beginning at a pine stub in said French's pasture
 by the highway already laid out by the Selectmen of
 New Durham Gore. - thence about west on a
 strait line to a dry large dry red oak tree near
 Barnstead line opposite to Jeremiah Morrill's
 house and Barn, this highway is laid out
three rods wide and is one hundred & fourteen
 rods long and lays on the northwest side of
 said two trees and we estimate the damages
 for Benjamin French to have and receive of
 the town of Alton \$91.50

By virtue of the laws of said State
 empowering Selectmen to make roads or streets
 wider or straighter and appropriate certain
 lands in the several Towns in said State
 which may be convenient and necessary for
 the use of public roads or streets.

We the Selectmen of Alton have proceeded
 to straighten and appropriate the land hereinafter
 described as a public road to and for the use
 of said inhabitants and for the use of any
 other person or persons whomsoever for
 said road beginning at a certain stake and
 stones on land of Joseph Drew thence running
 S 74° E 14 rods thence S 61° E 54 rods to the
 road now travelled by John Drews house.

The above named Joseph and John Drew do
 hereby agree to relinquish their rights to the above
 named new road which is to be 4 rods wide
 provided they have the old road in lieu thereof
