REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Behavioral Health, to enter into a **sole source** agreement with Green Mountain Treatment Center, LLC (Vendor # TBD), 6 Manor Parkway, Salem NH 03079 to provide Opioid Use Disorder room and board services in an amount not to exceed \$687,500, effective upon the date of Governor and Executive Council approval through September 29, 2020. 100% Federal Funds.

Funds to support this request are anticipated to be available in the following account for State Fiscal Year(s) 2020 and 2021 upon the availability and continued appropriation of funds in the future operating budget, with authority to adjust amounts within the price limitation and adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified.

05-95-92-920510-70400000 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: BEHAVIORAL HEALTH DIVISION, STATE OPIOID RESPONSE GRANT

State Fiscal Year	Class/Account	Class Title	Job Number	Total Amount
2020	102-500731	Contracts for Social Services	92057040	\$550,000
2021	102500731	Contracts for Social Services	92057040	\$137,500
			Total	\$687,500

EXPLANATION

This request is **sole source** because the State has a strong need to expand access to residential beds for Medicaid beneficiaries with Opioid Use Disorder. Green Mountain Treatment Center, LLC is an established inpatient rehabilitation center located in Effingham NH. This location uniquely qualifies them to handle this underserved population in NH.

The purpose of this request is ensure services are available to individuals with Opioid Use Disorders who need residential treatment services that are paid for by Medicaid.

Approximately 250 individuals will be served from September 2019 through September 2020.

This agreement will expand access to residential treatment services provided to Medicaid-covered individuals with OUD. Funds in this agreement will be used to cover \$100 of room and board payments for Medicaid beneficiaries with OUD in low and high intensity residential treatment services. The funds will support existing residential programs to continue serving the Medicaid population, which

has been cited as a challenge by treatment providers because of differing rates of reimbursement between Medicaid and Commercial payers. The vendor will use these funds to ensure individuals with OUD, receiving residential treatment, have continued or expanded access to the necessary level of care, which increases their abilities to achieve and maintain recovery. The vendor will continue to offer an existing array of treatment services including individual and group outpatient, intensive outpatient, and partial hospitalization, transitional living, and high and low intensity residential services.

This agreement is part of the State's recently approved plan under the State Opioid Response grant, which identified access to residential treatment as a funding priority. The Substance Abuse and Mental Health Services Administration approved NH's proposal in September 2019, with the expectation that funds would be spent as soon as possible.

The Department will monitor the effectiveness of the vendor, the delivery of services required under this agreement, and the vendor's financial health by:

- Receiving and reviewing quarterly reports.
- Conducting site visits.
- Reviewing client records.
- Acquiring and analyzing monthly financial data.

As referenced in Exhibit C-1 of this contract, the parties have the option to extend contract services for up to two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

Should the Governor and Executive Council not authorize this request, residential treatment programs may have to limit the availability of beds for individuals with OUD on Medicaid, which would delay access to care for those individuals.

Area served: Statewide.

Source of Funds: 100% Federal Funds from the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration State Opioid Response Grant, CFDA 93.788/FAIN #TI081685

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Jeffrey A. Meyers
Commissioner

The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). - f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
