Bureau of Highway Maintenance

June 26, 2013

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Transportation to enter into a contract with Wragg Brothers of Vermont, Inc. of Ascutney, VT, (Vendor #160458) in the amount of \$22,999.50 for a 6-inch drilled well and pump on the property of Steve Gagnon, 146 Spruceville Road, Milan, NH from the date of Governor and Council approval through January 3, 2014, unless extended by the Department in accordance with the Standard Specifications. 100% Highway funds.

**EXPLANATION**

Results of investigations and water analysis has been evaluated, and it has been determined that the existing water supply has been contaminated by highway chlorides. The Department is therefore obligated to obtain a new water supply for the owner. This proposal is in conformity with RSA 228:34.

This contract was advertised and four bids were received and publicly opened on June 13, 2013. Wragg Brothers of Vermont, Inc., was the low bidder at \$22,999.50 and the Department considers this bid to be reasonable.

page 2

Although the bid costs exceeded the Department's estimate, the low bid is felt to be reasonable for the work involved. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

Christopher D. Clement, Sr.  
Commissioner
