Department of Environmental Services

Robert R. Scott, Commissioner

April 16, 2020

His Excellency, Governor Christopher T. Sununu and the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Environmental Services to amend a grant agreement (PO# 1069528) to Melody Pines Condominium Association (VC# 303175-B001), Conway, NH by extending the completion date from June 1, 2020 to December 1, 2020, upon Governor and Council approval. The original grant was approved by Governor and Council on August 14, 2019, Item #50. Funding is 71% Drinking Water/Groundwater Trust Fund, 29% Federal Funds. This is a no cost time extension.

EXPLANATION

We are requesting approval of this amendment in order to provide Melody Pines Condominium Association additional time to complete the storage tank lining during the warmer months. Optimal adhesion of the lining material to the prepared steel tank interior surface is when temperatures are higher. The original grant agreement was approved in August 2019 and included the tank inspection. There was not enough time to complete tank inspection and install the liner under the required conditions. It is anticipated that the tank lining and associated upgrades will be completed this summer. To date, none of the \$14,000 grant funds have been spent.

In the event that other funds become no longer available, General funds will not be requested to support this program. This amendment was approved by the Office of the Attorney General as to form, execution and content.

We respectfully request your approval.

Rőbert R. Scott

Commissioner

EXPLANATION

The Drinking Water and Ground Water Trust Fund was created in 2016, using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund.

On August 30, 2018, the Advisory Commission voted to authorize grants and loans for nineteen drinking water improvement projects. The Melody Pines Condominium Association's Water System Improvement Project request for \$71,000 was selected for grant and loan funding from the Drinking Water and Groundwater Trust Fund.

In addition, NHDES is offering Tank Inspection Grants to assist community water systems to conduct a condition assessment on the water system's storage tank. The grant is open to all New Hampshire active community water systems that have tanks are less than 20,000 gallons. Many of these tanks have been buried underground for the past 30-40 years and have never been inspected, or taken out of service for a proper cleaning. This grant will allow applicants to create a funding strategy to either extend the life of the tank or replace the tank depending on which option is more cost effective. Proposals are evaluated and ranked based on criteria such as age of tank, size of the tank, population served and whether the system had received grants in the past. Based on the available federal funding, NHDES determined that it could offer grants to any eligible project until all funds are exhausted.

The Association will use the grant and loan funds to make several improvements to their water system including the inspection, cleaning and repair of the water storage tank, and replacement of existing booster pumps with variable frequency drive pumps. The project will improve reliability of the water system. The grant agreement has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval.

FOR VALUE RECEIVED, Melody Pines Condominium Association, a New Hampshire non-profit corporation with a principal place of business at 3 Old Country Road, Plaistow, NH 03865 (the "Maker"), promises to pay to the State of New Hampshire with an address of c/o Department of Environmental Services, 29 Hazen Drive, P.O. Box 95, Concord, New Hampshire 03302-0095, or its order (the "Payee"), the sum of Sixty One Thousand Dollars (\$61,000) or such lesser amount as shall be disbursed from time to time to Borrower by State pursuant to a Loan Agreement of near or even date by and between Borrower and State (the "Loan Agreement"), in lawful money of the United States, together with interest thereon at the annual rate of one percent (1%) until June 1, 2020 ("Interest Rate Change Date") and commencing on the Interest Rate Change Date at the annual rate of 3.38% (the interest rate at any given time, the "Applicable Interest Rate") until paid in full as set forth herein. Capitalized terms used but not defined herein have the meaning given to them in the Loan Agreement.

- 1. Payments: The interest and principal of this Note shall be paid as follows:
- (a) Commencing on the first day of the sixth month after the Interest Rate Change Date, interest only shall be paid in six (6) consecutive monthly installments on the first day of each month.
- Commencing with the first day of the twelfth month after the Interest Rate Change Date, the principal and interest of the Note shall be paid in Two Hundred and Forty (240) consecutive equal monthly installments of principal and interest on the first day of each month with the installment amount calculated to amortize the principal balance of the Note over the 240 month period at the Applicable Interest Rate; provided; however, that the Maker shall have the option to elect prior to the first installment payment under paragraph 1(a) to have the interest accruing prior to the Interest Rate Change Date be capitalized and added to the principal amount of the Note rather than paid in the first installment of interest to be paid pursuant to paragraph 1(a); so long as the sum of the principal balance of the Note plus interest accruing prior to the Interest Rate Change Date (such sum being the "Capitalized Amortization Amount") shall not exceed \$61,000, and if the sum of unpaid principal plus interest accruing prior to the Interest Rate Change Date exceeds \$61,000, such excess amount of interest shall be due and payable with the first payment of interest pursuant to paragraph 1(a) above. If the Maker elects to have such interest capitalized, then the Capitalized Amortization Amount shall be paid in Two Hundred Forty (240) consecutive equal monthly installments of principal on the first day of each month, commencing with the first day of the thirteenth month after the Interest Rate Change Date, with interest with the installments calculated to amortize the Capitalized Amortization Amount over such 240 month Period at the Applicable Interest Rate.
- 2. Prepayment. The Maker shall have the right to prepay any or all sums due under this Note without penalty. Prepayments shall be applied first to accrued interest and then to principal. Partial prepayments of principal shall be applied against the outstanding principal

balance; provided, however, that the Maker shall continue to make principal payments in the amounts specified above and on the dates specified above, with interest on the outstanding principal balance recomputed accordingly, until the Maker's obligations under this Note are satisfied in full.

- 3. <u>Due Date: Late Payment</u>. All payments of principal and interest shall be due on or before the due date specified above; provided, however, that the Maker shall not be deemed in default hereunder if payment is received by the Payee on or before 4:00 p.m. of the seventh day following the due date. The Maker agrees to pay a late charge of five percent (5%) of the amount of any payment due under this Note that is not paid within seven (7) days of its due date.
- 4. Applicable Interest. The Maker expressly agrees that the Applicable Interest Rate specified in this Note shall be the applicable interest rate due (i) on amounts outstanding during the term hereof and (ii) with respect to any amount outstanding on and after the maturity date hereof.
- Default: Acceleration. The Maker shall be in default of this Note, and all principal and accrued interest thereon shall immediately become due and payable, without notice or demand, upon the occurrence of any of the following events: (a) failure to make prompt payment of any principal or interest installment due hereunder (or within such grace period as may be provided herein), (b) the failure of the Maker to observe or perform any of the other obligations to the Payee under this Note, and the same remains unremedied for a period of thirty (30) days after the date of notice thereof to the Maker by the Payee, (c) the occurrence of an Event of Default under the Loan Agreement or a default under the Guaranty of even date of Pennichuck Corporation (the "Guaranty") or (d) a default in any other obligation of the Maker to the Payee, whether now existing or hereinafter incurred.

If the Maker shall file a petition under any section of the Bankruptcy Code, shall make an assignment for the benefit of creditors, shall have a receiver appointed over its affairs who shall not be discharged within sixty (60) days from the date of appointment, or shall have filed against it a petition under a section of the Bankruptcy Code, or any debtor-creditor act, which petition shall not be dismissed within sixty (60) days of the date of filing of the same, then the balance of principal and interest remaining unpaid on this Note shall become due and payable forthwith without demand or notice.

- 6. Costs of Collection. If this Note is not paid in full when it becomes due, or if any payment required hereunder shall not be paid when due, or within such grace period as may be expressly provided herein, the Maker agrees to pay all costs and expenses of collection, including attorneys' fees, regardless of whether legal proceedings have been formally commenced.
- 7. Waiver of Presentment. The Maker hereby waives presentment, demand for payment, notice of dishonor, and all other notices or demands in connection with the delivery, acceptance, performance, default, or endorsement of this Note...

- A. The Debtor and the Secured Party have entered into a Loan Agreement of near or even date (the "Loan Agreement"), which Agreement sets forth certain undertakings and obligations of the Debtor to the Secured Party.
- B. Pursuant to the Loan Agreement, the Secured Party has agreed to extend credit to the Debtor in an amount not to exceed Sixty One Thousand Dollars (\$61,000), in exchange for the Debtor's promissory note (the "Note") to the Secured Party.
- C. To secure the obligations it has undertaken under the Loan Agreement and the Note and certain security instruments described in the Loan Agreement and to secure the payment of said sum to the Secured Party and to secure any other obligations of the Debtor to the Secured Party of every kind and description, whether direct or indirect, absolute or contingent, primary or secondary, joint or several, due or to become due, or now existing or hereafter arising or acquired and whether by way of loan, discount, letter of credit, lease or otherwise (collectively the "Obligations"), the Debtor desires to create in the Secured Party a security interest in accordance with the terms of the Uniform Commercial Code, N.H.R.S.A. 382-A.

NOW, THEREFORE the Debtor agrees as follows:

- 1. Collateral. The Debtor, for valuable consideration received from the Secured Party, hereby grants to the Secured Party to secure all the foregoing Obligations a security interest in the following property (the "Collateral"):
- (a) All the Debtor's goods, machinery, equipment, including without limitation, all water storage, collection, distribution and treatment equipment, furnishings and fixtures, motor vehicles, and personal property, including but not limited to such property located on the Debtor's premises at Melody Pines Condominium, Conway, New Hampshire (the Debtor's "Business Premises") or used in connection with the Debtor's business conducted at said Business Premises, and in all inventory including, without limitation, all items held for sale or lease or furnished or to be furnished under contracts of service, or used or consumed in the Debtor's business (all hereinafter called the "Inventory"), and in contract rights with respect thereto and proceeds thereof, all whether now owned or hereafter acquired.

(b) The Debtor, for valuable consideration received from the Secured Party, hereby also conveys to the Secured Party a security interest in all the Debtor's accounts, accounts receivable, contract rights, notes, personal property leases, mailing lists and customer lists, rents receivable; choses in action, drafts, acceptances, instruments, investment property, letter of credit rights, chattel paper, general intangibles, cash and all other forms of obligations due or to become due to the Debtor, whether now existing or hereafter arising and whether joint, several, or joint and several, and proceeds of any of the foregoing, arising from or relating to the Debtor's business.

The Secured Party, by virtue of this Agreement, in addition to any other security or collateral that it may hold, shall have a continuing security interest in said Collateral and in contract rights with respect thereto and proceeds of both, to secure payment and performance of the liabilities and obligations of the Debtor to the Secured Party hereunder.

- Records and Audits. The Debtor will keep an accurate record of the Collateral, and all additions thereto, and removals therefrom, and of any of its accounts, accounts receivable, contract rights, leases, general intangibles, rents receivable, notes and choses in action, as they from time to time exist, and the proceeds received or receivable therefrom, and will deliver a copy of such records to the Secured Party at such regular intervals as the Secured Party reasonably may require. When requested by the Secured Party the Debtor shall, at the Debtor's own expense, cause a verification of the Collateral to be made by some independent appraiser approved by the Secured Party and an audit of the accounts receivable, contract rights and proceeds of both, to be made by some independent auditor.
- 3. Maintenance and Insurance. The Debtor agrees to keep the Collateral in good condition, deterioration resulting from normal use excepted, and also to keep it insured against loss from such hazards and in such amounts as the Secured Party may require and in such companies as the Secured Party may approve, payable in case of loss to the Secured Party as its interest may appear, and the policies evidencing such insurance, or certificates thereof, shall, upon request, be deposited with the Secured Party.
- 4. No Liens. The Debtor represents and warrants that its title to the Collateral is free and clear of any liens or encumbrances except those listed in Schedule 4 and agrees to keep the Collateral free and clear of any future lien or encumbrance unless it obtains the advance consent of the Secured Party for any such lien or encumbrance.
- 5. Sale and Use in the Ordinary Course. Until Default the Debtor may sell or lease the Collateral in the ordinary course of business and may also use or consume any raw materials and supplies, the use and consumption of which is necessary in order to carry on the Debtor's business.
 - 6. <u>Lists of Accounts and Proceeds</u>. Upon request of the Secured Party at any time after Default, the Debtor will deliver to the Secured Party lists or copies of all accounts promptly after they arise and will deliver to the Secured Party, promptly upon receipt, all rents and other proceeds received by the Debtor including proceeds of the accounts referred to above and proceeds of any insurance policies in the exact form in which they are received. The Secured

Party in its discretion may apply cash proceeds to the payment of any obligations secured hereby or may release such cash proceeds to the Debtor for use in the operation of the Debtor's business.

- 7. Default. The Debtor shall be deemed in "Default" of this Agreement:
- (a) if the Debtor fails to observe or perform any of the Debtor's agreements expressed herein;

- (c) upon the loss, unauthorized sale, unauthorized removal of the Collateral from the locations specified in Section 1, theft, damage or destruction of the Collateral;
- (d) if the Secured Party shall deem the Collateral in danger of misuse or loss or removal from this State; or
- (e) if the Debtor changes its name or state of organization without at least thirty (30) days prior written notice to the Secured Party.
- remedies of a secured party under the Uniform Commercial Code to the same extent as if they were expressly set forth herein in addition to the remedies provided herein or in any other instrument or paper executed by the Debtor, as well as the right to sell all or part of the Collateral, pursuant to New Hampshire law. In such event the Debtor shall pay all the Secured Party's costs of repossession, collection, custody, storage, sale or other dispossession and delivery, (including reasonable attorneys' fees), all of which the Secured Party may deduct from the proceeds. If the Secured Party seeks to take possession of any or all of the Collateral by judicial process, the Debtor hereby irrevocably waives any requirement of bonds, surety or security, whether required by statute, court rule or otherwise, as an incident to such possession and waives any requirement for demand for possession before the commencement of any suit or action to recover with respect thereto.
- 9. <u>Certain Remedies</u>: The Secured Party may at any time after Default notify the Debtor's account debtors, or persons otherwise indebted to the Debtor whose obligations are covered by this Agreement, that the Collateral has been assigned to the Secured Party and that payment shall be made directly to the Secured Party. Upon request of the Secured Party at any time after Default, the Debtor will so notify such debtors and will indicate on all billings to such debtors that their accounts must be paid to the Secured Party. The Secured Party shall have full power to collect, compromise, endorse, sell or otherwise deal with the Collateral or proceeds thereof in its own name or in the name of the Debtor. The Debtor shall pay to the Secured Party on demand a collection charge on all accounts collected, that shall include all reasonable attorneys' fees and expenses, and all other reasonable expenses of like or unlike nature that may be expended by the Secured Party to obtain or enforce payment of any account either as against the account debtor, the Debtor or any guarantor or surety of the Debtor or in the prosecution or

defense of any action or concerning any matter arising out of or connected with the subject matter of this Agreement, the obligations secured hereby, or the Collateral, or any of Secured Party's rights or interests therein or thereto, including, without limiting the generality of the foregoing any reasonable counsel fees or expenses incurred in any bankruptcy or insolvency proceedings.

- Power of Attorney. The Debtor does hereby make, constitute and appoint any officer of the Secured Party as the Debtor's true and lawful attorney-in-fact, with power, in the event of a default, to endorse the name of the Debtor or any of the Debtor's officers or agents upon any notes, checks, drafts, money orders, or other instruments of payment (including payments payable under any policy of insurance on the Collateral) or Collateral that may come into possession of the Secured Party in full or part payment of any amounts owing to the Secured Party, to sign and endorse the name of the Debtor or any of the Debtor's officers or agents upon any invoice, freight or express bill, bill of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices, in connection with accounts, and any instrument or document relating thereto or to the Debtor's rights therein; to give written notice to such office and officials of the United States Post Office to effect such change or changes of address so that all mail addressed to the Debtor may be delivered directly to the Secured Party; granting upon the Debtor's said attorney full power to do any and all things necessary to be done in and about the premises fully and effectually as might or could be done, and hereby ratifying all that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the term of this Agreement and all transactions hereunder as long as the Debtor may be indebted to the Secured Party.
- 21. Cooperation; Secured Party Sales, No Waiver. The Debtor covenants that it will execute any documents requested by the Secured Party to perfect its security interest in the Collateral. When requested by the Secured Party following a Default by the Debtor, the Debtor shall cooperate in the Secured Party's repossession of the Collateral and will assemble the Collateral and make it available to the Secured Party at such place as the Secured Party shall designate which shall be reasonably convenient to both parties. The Secured Party may dispose of the Collateral by public or private sale, upon the place where it is then located, and the Secured Party itself may acquire the Collateral at any such sale. The Debtor agrees that notice of ten (10) days prior to such sale shall constitute reasonable notice thereof, but that if the Collateral is perishable or threatens to decline quickly in value or is a kind customarily sold on a recognized market, the Secured Party may provide shorter notice or no notice of the sale. The Secured Party shall also have the right to remove the Collateral. No waiver of the Secured Party of any defaults hereunder shall constitute a waiver of any other default or of the same default upon a future occasion.
- 12. Reinstatement. If after receipt of any payment of, or the proceeds of any Collateral for, all or any part of the Obligations, the Secured Party is compelled to surrender or voluntarily surrenders such payment or proceeds to any person because such payment or application of proceeds is or may be avoided, invalidated, recaptured, or set aside as a preference, fraudulent conveyance, impermissible setoff or for any other reason, whether or not such surrender is the result of (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Secured Party, or (ii) any settlement or compromise by the

TO HAVE AND TO HOLD the same unto the Assignee, its successors and assigns, for the purpose of securing (1) payment of the Note together with the interest thereon, (2) payment of all other sums, with interest thereon, to become due and payable to the Assignee hereunder, or under instrument securing the Note; and (3) performance and discharge of each and every obligation, covenant and agreement of the Assignor contained herein, or in the Note, the Loan Agreement of near or even date between the Assignor and the Assignee (the "Loan Agreement"), or any Security Instrument (as defined in the Loan Agreement) (said obligations are hereinafter collectively referred to as the "Obligations").

Assignor's License to Operate in the Absence of an Event of Default. So long as no Event of Default (as defined under the Loan Agreement) or other default in the performance of the Obligations shall exist (hereinafter referred to as an "Event of Default"), the Assignor shall have a license to manage and operate the Premises and to collect, receive and apply for its own account all Assessments, and to execute and deliver proper receipts and acquittances therefor, provided, however, that without the written consent of the Assignee the Assignor shall not collect any installment of Assessments in advance of the respective dates assessed.

3. Assignee's Rights in an Event of Default.

- 3:1 Immediately upon the occurrence of any Event of Default, in addition to any other remedies of the Assignee, upon notice from Assignee to each owner of a Unit, all Assessments thereafter payable to Assignor shall be paid to Assignee.
- 3.2 The Assignor does hereby constitute and appoint the Assignee, irrevocably, with full power of substitution and revocation, effective upon an Event of Default, its true and lawful attorney, for it and in its name, place and stead, to do and perform any or all of the actions that Assignor is entitled to perform in connection with making, collection and enforcement of the Assessments, as fully, to all intents and purposes, as it could do if personally present, hereby ratifying and confirming all that its said attorney or its substitute shall lawfully do or cause to be done by virtue hereof. Any action, or failure or refusal to act, by the Assignee under this Section 3.2 shall be at its election and without any liability on its part.
- The Assignee shall, to the full extent permitted by law, apply the net amount realized from the Collateral received by it from the owners of the Units, in the following order of priority: (i) to payment of all proper costs and charges (including any liability, loss, expense or damage hereinafter referred to in Section 5.1 hereof), (ii) to the payment of all accrued but unpaid interest due under the Note, (iii) to the payment of principal under the Note to be applied to principal installments in the inverse order of maturity, (iv) to the payment of any other amounts owed to Assignee and secured by the Security Instruments, and (v) to the payment of Association expenses, (vi) to the Assignor or such persons legally entitled thereto. In its discretion, the Assignee may apply a portion of any Assessment to the Obligations and release the remainder to the Assignor for payment of designated of all Association expenses without waiving the Event of Default, its security interest in Assessments or its remedies.

- 3.4 The rights and powers of the Assignee hereunder shall continue and remain in full force and effect until all amounts secured hereby are paid in full.
- 4. <u>Covenants of Assignor</u>. The Assignor, for itself and for its successors and assigns, agrees and warrants as follows:
- (a) that the Assignor has not sold, assigned, transferred, mortgaged or pledged any of the Collateral or any part thereof, whether now or hereafter to become due, to any person, firm or corporation other than the Assignee;
- (b) that no Assessments, or any part thereof, becoming due subsequent to the date hereof have been collected nor has payment of any of the same been anticipated, waived, released, discounted or otherwise discharged or compromised;
- (c) that it will not assign, pledge or otherwise encumber the Collateral unless the prior written consent of the Assignee shall have been obtained thereto;
- (d) that it will not, without in each case having obtained the prior written consent of the Assignce, amend or modify, directly or indirectly in any respect whatsoever, cancel, compromise, terminate, or any Assessments or the liens therefor;
- (e) that it will not waive or give any consent with respect to any default or variation in the payment of an Assessment by a Unit owner, but will at all times take proper steps to enforce all of the provisions and conditions thereof;
- (f) that it will, upon written request by the Assignce, serve such written notices upon any Unit owner concerning this assignment, and make, execute and deliver all such powers of attorney, instruments of pledge or assignment, and such other instruments or documents as the Assignce may reasonably request at any time for the purpose of securing its rights hereunder;
- (g) that it will furnish to the Assignee, on demand, true copies of all Assessments hereafter executed;
- (h) that, it will provide Assignee with a statement of aging Assessments, dated as of the end of each fiscal quarter and certified as correct by the chief financial officer of Assignor, stating with respect to each unit the name of the owner thereof, the Assessment paid by such owner, the date to which such Assessment is paid, and listing all overdue Assessments by date and amount of such owner; and
- (i) that it will not enter into any agreement with any management agent or firm with respect to the Premises unless such agent or firm first agrees with Assignee to recognize Assignee's rights under this Collateral Assignment of Association Assessments and further agrees to transfer all Assessment payments or proceeds received by such agent or firm directly to Assignee upon Assignee's demand therefor.

5. Indemnification.

- 5.1 The Assignor hereby agrees to indemnify and hold the Assignee harmless against and from (a) any and all liability, loss, damage and expense, including reasonable attorneys fees, which it may or shall incur or which may be asserted under or in connection with any of the Assessments, or by reason of any of the Obligations, or by reason of any action taken or expenses incurred or paid by the Assignee under this Collateral Assignment of Association Assessments or under any of the Obligations (including without limitation any action which the Assignee in its discretion may take to protect its interest in the Premises), and (b) any and all claims and demands whatsoever which may be incurred by or asserted against the Assignor by reason of any alleged obligations or undertakings on its part to perform or discharge any of its claims relating to any of the Assessments.
- 5.2 Should the Assignee incur any such liability as described in Section 5.1, the amount thereof, together with interest thereon at the rate as set forth in the Note shall be payable by the Assigner to the Assignee immediately upon demand, or at the option of the Assignee, the Assignee may reimburse itself therefor out of any rents, issues or profits of the Mortgaged Premises collected by the Assignee.
- 5.3 Nothing contained herein shall operate or be construed to obligate the Assignee to perform any of the obligations of the Assignor as Association of the Condominium, or to take any measures, legal or otherwise, to enforce collection of any of the Assessments or other payments, or otherwise to impose any obligation upon the Assignee with respect to any of the Assessments.
- 5.4 Without actual entry into and taking possession of the Premises by the Assignee, this assignment shall not operate to place upon the Assignee any responsibility for the operation, control, care, management or repair of the Premises, and the execution of this assignment by the Assignor shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Premises is and shall be that of the Assignor prior to such actual entry and taking of possession.
- Exercise of Remedies. Failure of the Assignee to avail itself of any of the terms, covenants and conditions of this assignment for any period of time, or at any time or times, shall not be construed or deemed to be a waiver of any of its rights hereunder.
