REQUESTED ACTION

1. 2. Further authorize the Department to make an initial disbursement in the amount of \$75,000 to DEC for startup of the Export Expansion Fund, a portion of the Dubai International Air Show and Arab Health Medical Show activities, and the Eastern Trade Council activities in accordance with the terms of the contract.

		<u>FY 2015</u>
03-35-35-350510-33360000-102-500731	Contracts for Program Services	\$151,930

EXPLANATION

DRED was recently awarded a \$159,725 grant through the US Small Business Administration's State Trade and Export Promotion (STEP) grant program, which is a component of the Small Business Jobs Act of 2010, Section 1207. This grant represents the third phase of the program of which New Hampshire is one of only 24 states to receive an award this year. The main purpose of the grant is to provide initiatives to New Hampshire companies to develop business opportunities in foreign markets and industries having the highest growth potential in order to compete successfully in the world marketplace. The contract with the DEC will assist DRED by providing financial administration, oversight and reporting services on the STEP Grant 3 initiatives, i.e. the Export Expansion Fund, the Dubai International Air Show, the Arab Health Medical Show, and the Discover Global Markets – Greater China and Gateway. The DEC has a proven record of leadership expertise in the international trade market which DRED feels is necessary to ensure compliance with the grant award. Additionally, the DEC effectively and successfully carried out the same scope of work for the previous STEP Grant I and II initiatives and for this reason **sole source** approval of this contract is respectfully requested.
