Subject: FW: Pre-processing of absentee ballots for Presidential Election

Joan:

As we just discussed, we will pre-process absentee ballots in Mont Vernon for the Presidential election on Saturday, October 31, starting at 10 a.m. and continuing until done, in the MultiPurpose Room at the Village School. Please put the same notice as before, with the date above, on the town website.

Also, please put out the sandwich board asking for volunteers for the budget committee. Laurie typically took calls and passed the names to me, and if any one want to speak directly with me, please give them the number below.
