## Explanation

The Department of Safety, Division of Motor Vehicles, is seeking approval to enter into a five (5) year renewal lease for the Manchester DMV, located on the second floor of 377 South Willow Street, Manchester Commons, Manchester, NH. This approximate 4,900 square foot location is payable at a modified net rate of \$18.59 per square foot during year one with modest annual escalation of approximately two percent (2%) thereafter in the Common Area Maintenance Services (CAMS) only. This office is in an easily accessible area and provides adequate client parking, as well as space for certain road skills examinations

As required by Administrative Rule, Adm. 610.06 "Public Notice," the Department of Safety conducted a space search soliciting letters of interest offering approximately 5,000 square feet of space, in Manchester, NH with a request for proposal (RFP) in the "Public Notice" section of a New Hampshire newspaper in September 9, 2016. The Department of Administrative Services, Bureau of Planning and Management, also posted the RFP on their website in order to broaden exposure. The space search produced only one proposal, which was the renewal of the existing space at 377 South Willow Street, Manchester, NH.

Through subsequent negotiations the "net" annual lease rate was not increased and remains fixed through the Term at \$13.25 per square foot. The CAMS were reduced from the current rate of \$5.63 per square foot to a first year CAMS of \$5.34 with a

two percent (2%) increase each year thereafter. This results in only a \$3,627.00 increase for this five year Term from the current five year Term which expires in March. The total cost of this lease shall not exceed the five year rent of \$460,845.00. The annual net rent includes the Landlord's provision of real estate taxes, insurance, site and building maintenance, snow plowing and removal; however, it does not include the Tenant's additional costs of electricity estimated at \$7,700 annually, heat estimated at \$1,800 annually, and janitorial estimated at \$6,600 annually.

Approval of this lease agreement will allow the Department of Safety to continue providing a Division of Motor Vehicles Office in Manchester.

Respectfully submitted,

  
John J. Barthelmes  
Commissioner of Safety

A) In the event Tenant has agreed to the Landlord making certain improvements that are not included within those provided at the sole expense of Landlord or not amortized within the Rent, payment shall either be paid in total after Landlord has successfully completed all agreed improvements, or be paid in accordance with a payment schedule which shall withhold a proportion of the total payment until after Landlord has successfully completed the agreed improvements. Upon such termination the Landlord may immediately or any time thereafter, without demand or notice, enter into or upon the Premises (or any part thereon) and repossess the same.

**18.2 Landlord's Default: Tenant's Remedies:** In the event that the Landlord defaults in the observance of any of the Landlord's covenants, agreements and obligations hereunder, and such default shall materially impair the habitability and use of the Premises by the Tenant, and is not corrected within thirty (30) days of written notice by the Tenant to the Landlord specifying such default and requiring it to be remedied, then the Tenant at its option, may withhold a proportionate amount of the rent until such default is cured, or it may serve a written five (5) day notice of cancellation of this Lease upon the Landlord, and upon the expiration of such a five day period the Lease shall terminate. If any such default of the Landlord does not materially impair the habitability and use of the Premises by the Tenant, the Landlord shall cure such default within thirty (30) days of written notice or within a reasonable alternative amount of time agreed upon in writing by Tenant, failing which, Tenant may terminate this Lease upon ten (10) days written notice to Landlord.
