Private Local Funds		\$1,000.00

**EXPLANATION**

The Department of Education requests authorization to accept and expend funds in the amount of \$1,000 from The Hearst Foundations to support selection expenses of the US Senate Youth Program (USSYP). In March of each year, this extremely competitive merit-based program brings 104 of the most outstanding high school students – two from each state, the District of Columbia and the Department of Defense Education Activity – to Washington, DC for an intensive week-long study of the federal government and the people who lead it. This year the USSYP Washington Week will be held March 4-11, 2023.

The overall mission of the program is to help instill within each class of USSYP student delegates a more profound knowledge of the American political process and a lifelong commitment to public service.

Respectfully submitted,
