REQUESTED ACTION

Authorize the New Hampshire Department of Education to exercise a renewal option to an existing contract with the North Country Education Services Agency, Gorham, NH, (Vendor Code #154707), by increasing the price limitation by \$80,000.00 from \$80,000.00 to \$160,000.00, for the period effective July 1, 2018 to June 30, 2019, to provide supplemental educational support and technical assistance for students of the Migrant Education program. This contract was originally approved by Governor and Council on November 22, 2017 (Item #38). 100% Federal Funds

Funds to support this request are available in the accounts titled Migrant Education and Migrant Education Consortium Incentive Grants as follows:

	<u>FY19</u>
06-56-56-562010-25120000-082-500599 Education Grants	\$30,000.00
06-56-56-562010-25130000-082-500599 Education Grants	\$50,000.00

EXPLANATION

The Migrant Education Program addresses the unique educational barriers faced by migrant workers and their families in the state. Migrant students are some of the most disadvantaged children and youth nationwide. Many are out-of-school, and those in school are often at risk of failing or dropping out due to frequent moves, cultural differences, and language barriers. The purpose of the program is to ensure that migrant students have equal opportunity to reach challenging academic standards and graduate with a high school diploma or equivalent. The goal is to prepare these students for responsible citizenship, further learning, and productive employment. In order to do this, the department must identify and provide supplementary educational services to eligible migrant children and youth in the state of New Hampshire.

His Excellency, Governor Christopher T. Sununu
and The Honorable Council
May 10, 2018
Page 2

The Department would like to continue to contract with North Country Education Services (NCES), because they have successfully facilitated the operation of the program by providing timely and effective services to migrant students and their families in collaboration with Migrant Education Staff. Some of the services provided to date are:

- Consulted and coordinated activities with the staff for the migrant student population ages 3-21 including preschool, in-school and those migrant students who have dropped out
- Provided educational services utilizing volunteer tutors approved by the staff to the migrant student population
- Monitored the implementation of the day-to-day operation of the program
- Collected data documenting the delivery of services to migrant students and reported that data to staff for the purpose of evaluating and improving the impact of this program
- Collaborated with other relevant service providers
- Provided relevant professional development to personnel providing services through this program
- Provided for interstate collaboration activities as required by law

In the event Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Frank Edelblut
Commissioner of Education

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Board of Directors and Management
North Country Education Services Agency

Report on the Financial Statements. We have audited the accompanying financial statements of the North Country Education Services Agency (a non-profit corporation) as listed in the table of contents, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements. Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion. In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the North Country Education Services Agency, as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Schedule. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. We have applied certain limited procedures to the supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing it for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

EXPLANATION

An RFP was posted on the Department website on August 2, 2017 and in the Manchester Union Leader on August 3, 4 and 6, 2017. Two proposals were received. They were reviewed and rated using the attached scoring rubric (Attachment A) by two Education Consultants and one Program Specialist within the Bureau of Integrated Programs.

The Migrant Education Program addresses the unique educational barriers faced by migrant workers and their families in the state. Migrant students are some of the most disadvantaged children and youth nationwide. Many are out-of-school, and those in school are often at risk of failing or dropping out due to frequent moves, cultural differences, and language barriers. The purpose of the program is to ensure that migrant students have equal opportunity to reach challenging academic standards and graduate with a high school diploma or equivalent. The goal is to prepare these students for responsible citizenship, further learning, and productive employment. In order to do this, the department must identify and provide supplementary educational services to eligible migrant children and youth in the state of New Hampshire.

North Country Education Services (NCES) has been providing educational services in New Hampshire since 1969. It is a nonprofit consortium of eleven school administrative units with a mission to be a leader in providing professional development and educational services, facilitating partnerships and fostering collaborations that benefit schools, advocating for resources for teachers and students, and continuously creating opportunities that enhance education. NCES is knowledgeable about the Every Student Succeeds Act (ESSA) and has prior experience administering the statewide migrant education program in collaboration with the department's Migrant Education Program staff. NCES successfully facilitated the operation of the program to ensure both timely and effective provision of services to migrant students and their families.

In the event Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

FINANCIAL STATEMENTS
With Independent Auditor's Report Thereon**

The Mercier Group

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Board of Directors and Management
North Country Education Services Agency

Report on the Financial Statements. We have audited the accompanying financial statements of the North Country Education Services Agency (a non-profit corporation) as listed in the table of contents, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements. Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion. In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the North Country Education Services Agency, as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Schedule. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. We have applied certain limited procedures to the supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing it for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.
