(Salon A)

1:15 PM **Investing in New England and New Hampshire's Energy Future**
Daniel Ford – Managing Director, North American Power and Utility Equities Research, Barclays, Inc.

Most experts agree that more energy infrastructure is needed in New Hampshire and the region to help reduce electricity bills for both business and residential customers, but will it be possible for this to happen in a state that is quickly gaining a reputation that it's "closed for business" when it comes to siting new energy infrastructure projects? Daniel Ford will provide insight as to how the investment community perceives the current situation in New England and New Hampshire and attempt to answer the question "Where do we go from here?"

Maureen Callahan – Senior Energy Advisor, USource

2:00 PM **New Hampshire's Energy Efficiency Resource Standard**
