REMINDER

#1 Chapter 311-B:1 Definitions - I. ""Auctioneer" means a PERSON who engages in this state in the business of selling for another real, personal or mixed property by auction.

This does not allow an auctioneer to sell Real Property prior to or post auction. These activities would require a real estate broker or sales person license.

#2 Auc 501.02 Standards of Conduct - (f) All auction advertisements shall include the name and license number of the responsible auctioneer who plans to conduct the auction.

Since only PERSONS and not other entities are licensed as auctioneers in N.H., the licensed persons name and license number must appear in all auction advertisements. The name should be the same as shown on the auctioneer's license.

#3 Anyone doing business in NH and using any other name than their given name must register that name with the Secretary of State's Corporate Division by calling 603-271-3244.
