REQUESTED ACTION

1) Authorize the Office of Energy and Planning (OEP) to enter into a **RETROACTIVE SOLE SOURCE** contract with Community Action Program Belknap-Merrimack Counties, Inc. (VC #177203), Concord, NH, in the amount of \$162,600.23 for the federal Weatherization Assistance Program (WAP) effective July 1, 2014 through March 31, 2015, upon approval of Governor and Executive Council. 100% Federal Funds.

Funding is available in the following account:

Office of Energy & Planning, Low Income Weatherization

	<u>FY 2015</u>
01-02-02-024010-77060000	
074-500587 Grant for Pub. Assist & Relief	\$162,600.23

2) Further request authorization to advance the amount of \$45,114.75 of the above-referenced contract amount to the vendor.

EXPLANATION

OEP contracts with New Hampshire's Community Action Agencies (CAAs) to provide weatherization services at the local level. OEP estimates that approximately one hundred eighty-three (183) homes will be weatherized throughout the State as a result of the US Department of Energy award. The number of homes is based on the average investment per dwelling unit of \$5,000.00.

This request is **RETROACTIVE** due to delays in the Congressional authorization of the federal grant that supports New Hampshire's Weatherization Assistance Program. Due to these delays, the US Department of Energy (US DOE) has authorized OEP to approve invoices from sub-recipients for eligible weatherization expenses for the full program year, which is from April 1, 2014 through March 31, 2015. OEP seeks authority to approve CAA expenses back to July 1, 2014.

This contract is **SOLE SOURCE** because of US DOE's grant guidance (10 CFR 440.15) giving Community Action Agencies preferred status due to their non-profit status, their role providing a range of services to clients eligible for WAP, as well as their historical performance delivering the weatherization program.

OEP is responsible for administering New Hampshire's statewide WAP. The objective of the program is to weatherize homes to reduce energy consumption and to reduce energy costs in low-income households. Priority is given to the elderly, disabled, households with infant children, and households with high energy usage.

The requested advance of funds will enable Community Action Program Belknap-Merrimack Counties, Inc. to operate the program between monthly reimbursements from the State.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this contract.

Respectfully submitted,

Meredith A. Hatfield
Director

EXHIBIT A

Scope of Services

1. Community Action Program Belknap-Merrimack Counties, Inc., hereinafter “the Contractor” or “Subgrantee,” agrees to perform weatherization services and all additional services and other work necessary to provide Weatherization Assistance Program (WAP) services to eligible low income individuals in accordance with the regulations set forth by the U. S. Department of Energy in 10 CFR 440 dated February 1, 2002, and 10 CFR 600 as amended, and in accordance with the provisions and procedures contained in the most recent New Hampshire Weatherization Assistance Program (NHWAP) State Plan, Policies and Procedures Manual, Field Guide, and as otherwise administered by the Office of Energy and Planning (OEP).

Periodically OEP may issue Subgrantee Guidance (SG) and Subgrantee Notices (SN) or other clarifications as necessary. All such changes shall be considered as incorporated into the NH Weatherization Policies and Procedures Manual and Field Guide. The Contractor agrees to alter the Program procedures in accordance with a SG, SN or other instructions.

The Subgrantee agrees to abide by changes in the NH Weatherization Assistance Program designed to improve program delivery and further agrees to perform Weatherization Program services in a manner that will successfully interact with utility administered energy efficiency programs for low-income households in order to provide the best services for New Hampshire’s low-income households.

2. The contract period will commence on July 1, 2014, and will have a completion date of March 31, 2015, subject to the approval of Governor and Executive Council.
3. Plans for expenditure of funds for Training and Technical Assistance, Audit Compliance and Leveraging Activities must be defined in the Contractor’s Management Plan (CMP) and approved by OEP. Requests to deviate from the plan must be made in writing in advance, and approved by OEP as prescribed in the NH Policies and Procedures Manual.
4. The Contractor agrees to perform Weatherization Services on a minimum of thirty-one (31) dwelling units according to the standards outlined in the most recent NH Weatherization Policies and Procedures Manual and Field Guide.
 - a) Weatherization Services are intended to increase the energy efficiency of the home, and to improve the home’s comfort and safety. A certified energy auditor first performs a NHWAP energy audit on the home using scientific test equipment. Specific energy conservation measures and heating source repairs are then implemented in order of priority and cost effectiveness. This integrated activity is carried out in accordance with provisions and procedures outlined in the most recent NH Policies and Procedures Manual and Field Guide.
 - b) The minimum number of dwelling units and the amount of funds to be expended shall conform to the provisions of this contract and shall be incorporated into the CMP. Deviations of more than 20% from expected dwelling unit goals in any given quarter may result in a reduction of the contract amounts and a reallocation of funds to other contractors.
 - c) By the end of the program year, the Contractor’s completion of dwelling units shall not vary from the minimum number of dwelling units set out in this contract by more than 10% without prior approval from OEP.

Details are presented in the Standard Work Specifications (SWS) for Home Energy Upgrades referred to in US DOE Weatherization Program Notice 14-4 (the link is provided in paragraph 5 above). These requirements do not apply during Program Year 2014, but Contractor must ensure, and be able to document for OEP, that all staff and contractors who will perform Weatherization work beginning on April 1, 2015, are properly trained and certified for that work and have been informed that their work must meet the requirements of the SWS or dwelling units will not be considered complete and reimbursement will not occur.

**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS
ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS**

**US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS

US DEPARTMENT OF ENERGY**

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12529 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

Instructions for Certification

- (1) By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
- (4) The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
- (6) The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
- (7) The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (9) Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of Community Action Program of Belknap-Merrimack Counties, Inc. (a New Hampshire nonprofit organization), which comprise the statements of financial position as of February 28, 2013 and February 29, 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Program of Belknap-Merrimack Counties, Inc. as of February 28, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 10, 2013, on our consideration of Community Action Program of Belknap-Merrimack Counties, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Program of Belknap-Merrimack Counties, Inc.'s internal control over financial reporting and compliance.
