### Explanation

The purpose of this grant is to purchase equipment for the community's Emergency Operation Center (EOC) to enhance their emergency management capabilities. The grant listed above is funded from the FFY 2016 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Subrecipients submit applications to this office, which are reviewed by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives and approved by the HSEM Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B to their grant agreement.

Subrecipient Initials: 1.) LEG 2.) \_\_\_\_\_ 3.) \_\_\_\_\_ Date: 3/7/17

3. AREA COVERED. Except as otherwise specifically provided for herein, the Subrecipient shall perform the Project in, and with respect to, the State of New Hampshire.

4. EFFECTIVE DATE: COMPLETION OF PROJECT.

4.1. This Agreement, and all obligations of the parties hereunder, shall become effective on the date of approval of this Agreement by the Governor and Council of the State of New Hampshire if required (block 1.17), or upon signature by the State Agency as shown in block 1.14 ("the effective date").

4.2. Except as otherwise specifically provided herein, the Project, including all reports required by this Agreement, shall be completed in its entirety prior to the date in block 1.7 (hereinafter referred to as "the Completion Date").

5. GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.

5.1. The Grant Amount is identified and more particularly described in EXHIBIT B, attached hereto.

5.2. The manner of, and schedule of payment shall be as set forth in EXHIBIT B. In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Project, as determined by the State, and as limited by subparagraph 5.5 of these general provisions, the State shall pay the Subrecipient the Grant Amount. The State shall withhold from the amount otherwise payable to the Subrecipient under this subparagraph 5.3 those sums required, or permitted, to be withheld pursuant to N.H. RSA 80:7 through 7-c.

5.4. The payment by the State of the Grant amount shall be the only, and the complete payment to the Subrecipient for all expenses, of whatever nature, incurred by the Subrecipient in the performance hereof, and shall be the only, and the complete, compensation to the Subrecipient for the Project. The State shall have no liabilities to the Subrecipient other than the Grant Amount.

5.5. Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in block 1.8 of these general provisions.

6. COMPLIANCE BY SUBRECIPIENT WITH LAWS AND REGULATIONS. In connection with the performance of the Project, the Subrecipient shall comply with all statutes, laws regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Subrecipient, including the acquisition of any and all necessary permits.

Between the Effective Date and the date three (3) years after the Completion Date the Subrecipient shall keep detailed accounts of all expenses incurred in connection with the Project, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.

7.2. Between the Effective Date and the date three (3) years after the Completion Date, at any time during the Subrecipient's normal business hours, and as often as the State shall demand, the Subrecipient shall make available to the State all records pertaining to matters covered by this Agreement. The Subrecipient shall permit the State to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, data (as that term is hereinafter defined), and other information relating to all matters covered by this Agreement. As used in this paragraph, "Subrecipient" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Subrecipient in block 1.3 of these provisions

8.1. PERSONNEL.

The Subrecipient shall, at its own expense, provide all personnel necessary to perform the Project. The Subrecipient warrants that all personnel engaged in the Project shall be qualified to perform such Project, and shall be properly licensed and authorized to perform such Project under all applicable laws.

8.3. The Grant Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grant Officer, and his/her decision on any dispute, shall be final.

9.1. DATA: RETENTION OF DATA: ACCESS.

As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations,

computer programs, computer printouts, notes, letters, memoranda, paper, and documents, all whether finished or unfinished.

9.2. Between the Effective Date and the Completion Date the Subrecipient shall grant to the State, or any person designated by it, unrestricted access to all data for examination, duplication, publication, translation, sale, disposal, or for any other purpose whatsoever.

9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.

9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

9.5. The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. CONDITIONAL NATURE OR AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

11. EVENT OF DEFAULT: REMEDIES.

11.1. Any one or more of the following acts or omissions of the Subrecipient shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

- 11.1.1 Failure to perform the Project satisfactorily or on schedule; or
- 11.1.2 Failure to submit any report required hereunder; or
- 11.1.3 Failure to maintain, or permit access to, the records required hereunder; or
- 11.1.4 Failure to perform any of the other covenants and conditions of this Agreement.

11.2. Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

- 11.2.1 Give the Subrecipient a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Subrecipient notice of termination; and
- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION.

12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

13. CONFLICT OF INTEREST. No officer, member or employee of the Subrecipient, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or

None of the Project Work shall be subcontracted or subgranted by the Subrecipient other than as set forth in Exhibit A without the prior written consent of the State.
16. **INDEMNIFICATION.** The Subrecipient shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Subrecipient or subcontractor, or subgrantee or other agent of the Subrecipient. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. **INSURANCE AND BOND.**
- 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.
18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

1 **4. Fire Department – Public Hearing to Accept \$45,487 Grant from NH Emergency**  
2 **Management Performance Grant Program (EMPG)**

3 Chairman Keller opened the Public Hearing at 7:27 PM.  
4

5 Fire Chief Paul Parisi stated that he was asking for acceptance of the grant. It was a pass down  
6 from the Feds. This was for emergency management equipment at Central Fire Station. It was for  
7 videoconferencing equipment that linked the three fire stations. It would keep the stations intact  
8 in emergencies and allow for training at other times. The grant was also some for furniture in the  
9 Emergency Operations Center. There was a \$45,487 match, but they were able to use already  
10 purchased equipment to cover the match.  
11

12 Selectman McBride asked what type of videoconferencing equipment.  
13

14 Chief Parisi stated that they were looking at the options. The Department had gotten quotes for  
15 videoconferencing, but they had also had information on an alternative option.  
16

17 Selectman McBride stated that there was a definite benefit to have the staff do training while still  
18 at each station.  
19

20 Chief Parisi answered yes. He spoke about previous experience with that.  
21

22 Selectman McBride stated that was good.  
23

24 Chief Parisi stated that they were looking forward to being able to do it.  
25

26 Chairman Keller closed the Public Hearing at 7:31 PM.  
27

28 **MOTION:** by Selectman Barnes

29 *Move to accept the terms of the Emergency Management Performance Grant (EMPG), as*  
30 *presented, in the amount of \$45,487 for the purchase of equipment for the Emergency*  
31 *Operations Center. Furthermore, the Board acknowledges that the total cost of this project*  
32 *will be \$90,974, in which the Town of Salem will be responsible for a 50% match (\$45,487).*  
33 *Furthermore, the Board authorizes the Town Manager to sign all documents related to this*  
34 *grant.*

35 **SECOND:** by Selectman McBride

36 **VOTE:** 5-0

37 **The motion passed.**  
38

39 **5. Fire Department – Accept \$6,000 Grant from NH Homeland Security for**  
40 **Emergency Management Services Warm Zone Equipment**

41 Chief Parisi deferred to Lt. Bryan Allard, Director of EMS.  
42

43 Lt. Allard spoke about the grant from the State of New Hampshire. This equipment was to  
44 protect Fire/EMS personnel in warm zone during active shooter events. There had been over 100  
45 incidents nationwide in the past year. It was protective vests and first aid equipment to allow  
46 them to assist the wounded.
