EXPLANATION

This request is **sole source** because the Contractor, Court Appointed Special Advocates of New Hampshire, Inc., is the only agency providing these services on a statewide basis.

The purpose of this request is to provide statewide training programs and educational opportunities for court appointed special advocates and guardians ad litem in New Hampshire. Approximately 3,200 individuals will be served from August 1, 2019 through June 30, 2021.

This agreement aligns with the Title IV-E functional training requirements that include pre-service and in-service training, as well as on-going educational opportunities to court appointed special advocates in the state of New Hampshire.

Court Appointed Special Advocates is a statewide network of programs working with court appointed special advocates and guardians ad litem for children involved with the child welfare system. The court appointed special advocate volunteers are appointed by judges to watch over and advocate for abused and neglected children, to make sure they don't get lost in the overburdened legal and social service system or languish in inappropriate group or foster homes. Volunteers remain involved with these children until the case is closed and the child is placed in a safe, permanent home. For many abused children, their court appointed special advocate volunteer will be the one constant adult presence in their lives. Training and educational programs are necessary to represent these children's best interest through the arduous process of the legal and social services systems.

Court Appointed Special Advocates of New Hampshire, Inc. has been providing these services successfully to its volunteers and staff for several years, and given its past performance and plans for ongoing improvement to the training program, the Division for Children, Youth and Families fully support this agreement.

The Department will monitor the effectiveness of the Contractor and the delivery of services required under this agreement using the following performance measures:

- The number of CASA staff and volunteers who receive training.
- The total numbers of hours of training provided.
- Training evaluation results.

As referenced in Exhibit C-1, Section 2 of this contract, the parties have the option to extend contract services for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and approval of the Governor and Executive Council.

Should the Governor and Executive Council not approve this request, the best interest of New Hampshire children may not be properly represented, and the Department may not be able to meet the training requirements mandated for Title IV-E funding.

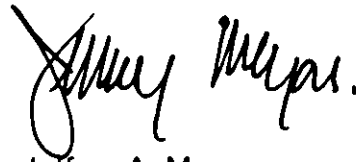

Area Served: Statewide.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
 - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
 - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

MS

6/27/19

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:

- 19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function

AND OTHER RESPONSIBILITY MATTERS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

MS

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

 - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.
Manchester, New Hampshire

We have audited the accompanying financial statements of Court Appointed Special Advocates of New Hampshire, Inc. ("CASA") (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CASA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CASA as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Note 1. NATURE OF ACTIVITIES

Court Appointed Special Advocates of New Hampshire, Inc. ("CASA") is a non-stock, non-profit corporation organized in New Hampshire. CASA's primary service is training volunteers in New Hampshire to advocate for abused and neglected children in the court system. The major source of revenue is government grant income.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

CASA prepares its financial statements on the accrual basis of accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Comparative financial information

The financial statements of CASA include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with CASA's financial statements for the year ended June 30, 2017, from which the summarized information was derived.

Use of estimates and assumptions

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Accordingly, actual results may differ from estimated amounts.

Basis of presentation and pronouncements

CASA accounts for contributions received and contributions made in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP).

COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. In addition, U.S. GAAP requires that unconditional promises to give (pledges) be recorded as receivables and recognized as revenues.

CASA prepares its financial statements in accordance with U.S. GAAP for not-for-profit entities. CASA is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. Descriptions of the three net asset categories are as follows:

Unrestricted – Undesignated net assets which are revenues not restricted by time or by outside sources.

Temporarily Restricted – Net assets that include gifts and pledges for which time and donor-imposed restrictions have not been met and also include the accumulated appreciation related to permanently restricted endowment gifts.

Permanently Restricted – Net assets that include gifts which require by donor restriction that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions.

Fair value option

GAAP provides a fair value option election that allows organizations to irrevocably elect fair value as the initial and subsequent measurement attribute for certain financial assets and liabilities. GAAP permits the fair value option election on an instrument-by-instrument basis at specified election dates, primarily at the initial recognition of an asset or liability or upon an event that gives rise to a new basis of accounting for that instrument. CASA has elected the fair value option for contributions receivable.

Cash equivalents

For purposes of reporting cash flows, CASA considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

**COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

CASA carries investments in marketable securities with readily determinable fair values based upon quoted market prices. Unrealized and realized gains and losses are included in the accompanying statement of activities and changes in net assets with investment income. Purchased and gifted securities are recorded at fair value on the date of the acquisition or gift date, net of any brokerage fees. CASA's investments do not have a significant concentration of credit risk within any industry, geographic location or specific location.

Sponsorships receivable

Sponsorships receivable consist of amounts billed to event sponsors for events that have already occurred, but for which amounts have not yet been paid. CASA establishes its allowance for uncollectible accounts based on prior collection experience. There were no sponsorships receivable due at June 30, 2018. It is CASA's policy to charge-off uncollectible accounts receivable when management determines the receivable will not be collected. Management does consider a variety of factors, including risk characteristics of the selected accounts, number of days outstanding and current economic conditions.

Property and equipment

Property and equipment are recorded at cost, or in the case of donated assets, at fair value. Items with an individual or aggregate cost of less than \$1,000 are expensed in the year of purchase. Maintenance, repairs and minor renewals are expensed as incurred.

The provision for depreciation is made using the straight-line method by annual charges calculated to absorb the costs over the following estimated useful lives:

Buildings and improvements	39 years
Furniture, equipment and software	3-5 years

**COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Gifts, contributions and grants

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Donated goods and services

A significant portion of CASA's functions are conducted by unpaid officers, board members and volunteers. The value of this contributed time is not reflected in the accompanying financial statements since it does not meet the criteria necessary for recognition under U.S. GAAP. Donated materials and equipment are reflected as in-kind donations at their estimated fair value at the date of receipt.

Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying statement of activities and changes in net assets and in the statement of functional expenses. Accordingly, certain costs have been allocated among the program services, supporting activities and fundraising as benefited.

Advertising costs

CASA charges advertising costs to operating expenses as incurred.

**COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Income taxes

CASA is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. However, certain unrelated business income is subject to federal taxation. For the year ended June 30, 2018, there was no liability for tax on unrelated business income. Accordingly, no provision for federal income tax has been recorded in the accompanying financial statements.

CASA is no longer subject to income tax examinations by U.S. Federal or State tax authorities for tax years before 2014.

Note 3. INVESTMENTS AND FAIR VALUE MEASUREMENT

The FASB defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in CASA'S principal or most advantageous market in an orderly transaction between market participants on the measurement date.

The standard establishes a fair value hierarchy which requires CASA to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that CASA has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect CASA's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 3. INVESTMENTS AND FAIR VALUE MEASUREMENT (continued)

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Investments measured at fair value at June 30 are summarized below:

June 30, 2018	Fair Value	(Level 1)	(Level 2)	(Level 3)

**COURT APPOINTED SPECIAL ADVOCATES

NOTES TO FINANCIAL STATEMENTS

Note 3. INVESTMENTS AND FAIR VALUE MEASUREMENT (concluded)

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions. The fair value of contributions receivable is estimated at net realizable value. The fair value of Level 2 investments has been measured using quoted market prices of similar assets and the fair value market approach.

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. CASA's significant financial instruments are cash and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

Investment return is summarized as follows at June 30:

	<u>2018</u>	<u>2017</u>
Net investment income	\$ 19,267	\$ 10,811
Net unrealized (loss) gain	(9,547)	26,592

NOTES TO FINANCIAL STATEMENTS

Note 5. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are subject to restrictions stipulated by time or imposed by donors and consisted of the following at June 30:

	<u>2018</u>	<u>2017</u>
Portion of perpetual endowment funds subject to time restriction under the Uniform Prudent Management of Institutional Funds Act (UPMIFA)	\$ 119,352	\$ 93,692

Generator	3,062	5,000
	<u>3,062</u>	<u>5,000</u>
Total	<u>\$ 186,587</u>	<u>\$ 98,692</u>

Note 6. ENDOWMENT FUNDS AND NET ASSETS

CASA adheres to the Other Presentation Matters section of the Presentation of Financial Statements for Not-for-Profit Organizations in accordance with U.S. GAAP. U.S. GAAP provides guidance on the net asset classification of donor-restricted endowment funds for a non-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA). U.S. GAAP also requires additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds), whether or not the organization is subject to UPMIFA.

The State of New Hampshire enacted UPMIFA effective July 1, 2008, the provisions of which apply to endowment funds existing on or established after that date. CASA adopted these provisions for the year ended June 30, 2009.

CASA's endowment is comprised of five named funds and includes donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds, including any funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 6. ENDOWMENT FUNDS AND NET ASSETS (continued)

The Board of Directors of CASA has interpreted UPMIFA as allowing CASA to appropriate for expenditure or accumulate so much of an endowment fund as CASA determines to be prudent for the uses, benefits, purposes and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument.

As a result of this interpretation, CASA classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by CASA in a manner consistent with the standard of prudence prescribed in UPMIFA.

Investment Return Objectives, Risk Parameters and Strategies

CASA has adopted an investment policy, approved by the Board of Directors, to create a balanced portfolio among several asset classes managing moderate levels of return with moderate levels of risk, while exceeding long-term inflation. Given CASA has no immediate intention of appropriating any assets for expenditure, there is currently no spending policy in place for the year ended June 30, 2018. However, management is currently in the process of establishing a spending policy that will be in accordance with UPMIFA. During this process, CASA will consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of CASA and (7) the investment policies of CASA.
