Commissioner

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

William Cass, P.E.
Assistant Commissioner

37
Doubt

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
June 19, 2017

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with Continental Paving, Inc. (Vendor 155350) of Londonderry, NH on the basis of a low bid of \$15,834,005.75 for widening and reconstruction of NH 101 in Bedford to improve the conveyance of traffic and address safety and capacity deficiencies of the corridor, from the date of Governor and Council approval through September 27, 2019 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is contingent upon the availability and continued appropriation of funds for FY 2018, FY 2019 and FY 2020 with the ability to adjust encumbrances between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2018</u>	<u>FY 2019</u>	<u>FY 2020</u>
04-96-96-963515-3054			
Consolidated Federal Aid			
400-500870 Highway Contract Payments	\$6,834,005.75	\$8,000,000.00	\$1,000,000.00

2. Further authorize that a contingency in the amount of \$791,700.29 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2018</u>	<u>FY 2019</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$0.00	\$791,700.29

EXPLANATION

This project is part of the State's Ten Year Transportation Improvement Plan. This project is located on NH Route 101 (NH 101) in the Town of Bedford, and consists of the widening and reconstruction of NH 101 to improve the conveyance of traffic and address safety and capacity deficiencies of the corridor. Work begins on NH 101 approximately 900' west of the intersection with Wallace Road and continues easterly, approximately two miles, to 750' east of the intersection with NH Route 114, which includes a total of 1,650' of approach work.

This project consists of step box widening the existing two lane road to provide two 11' travel lanes and 4' shoulders in each direction, as well as a raised center median island with left turn lane. Work also includes limited full box reconstruction in areas of muck excavation and surcharge application, minor side road improvements, upgraded drainage and stormwater treatment, substantial utility relocation, as well as sidewalk construction and landscaping. Upgrades to the intersection of NH 101 and NH Route 114 are also included.

This project will improve the capacity, safety, and pedestrian connectivity of NH Route 101, which provides access between southwestern NH, the City of Manchester and the Interstate. The existing roadway experiences significant congestion due to insufficient capacity and lack of access control.

The proposed contingency amount is 5% of the contract amount. This is to account for risks associated with muck excavation, which was delineated with a limited boring program, as well as stormwater management and unanticipated TCP adjustments/modifications.

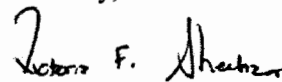

Although the bid costs exceeded the Department's estimate by 10%, the low bid is felt to be reasonable for the work involved as there were 3 bids submitted for this project. The A & B bidder differed by approximately \$63,000 (-less than 1% difference). Higher bid prices for embankment and common excavation are likely attributable to the complexity of constructing the road in a congested work zone which may inflate costs to capture additional trucking needs and operations. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 98.7% federal funds with anticipated 1.3% other funds (.8% Town of Bedford, .5% Manchester Water Works). The federal portion is funded with 80% federal and 20% turnpike toll credits, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan
Commissioner

VFS/md

Department Estimate: \$14,386,206.25
Contract Amount: \$15,834,005.75
Over Estimate: \$ 1,447,799.50

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project is located on NH Route 101 (NH 101) in the Town of Bedford, and consists of the widening and reconstruction of NH 101 to improve the conveyance of traffic and address safety and capacity deficiencies of the corridor. Work begins on NH 101 approximately 900' west of the intersection with Wallace Road and continues easterly, approximately two miles, to 750' east of the intersection with NH Route 114, which includes a total of 1,650' of approach work.

This project consists of step box widening the existing two lane road to provide two 11' travel lanes and 4' shoulders in each direction, as well as a raised center median island with left turn lane. Work also includes limited full box reconstruction in areas of muck excavation and surcharge application, minor side road improvements, upgraded drainage and stormwater treatment, substantial utility relocation, as well as sidewalk construction and landscaping. Upgrades to the intersection of NH 101 and NH Route 114 are also included.

FEDERAL FUNDING: 80% Federal Funding with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

CONTINGENCY: The proposed contingency amount is 5% of the contract amount. This is to account for risks associated with muck excavation, which was delineated with a limited boring program, as well as stormwater management and unanticipated TCP adjustments/modifications.

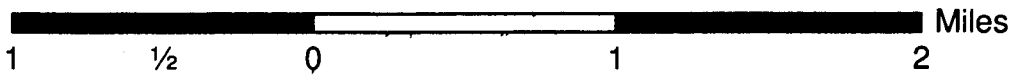

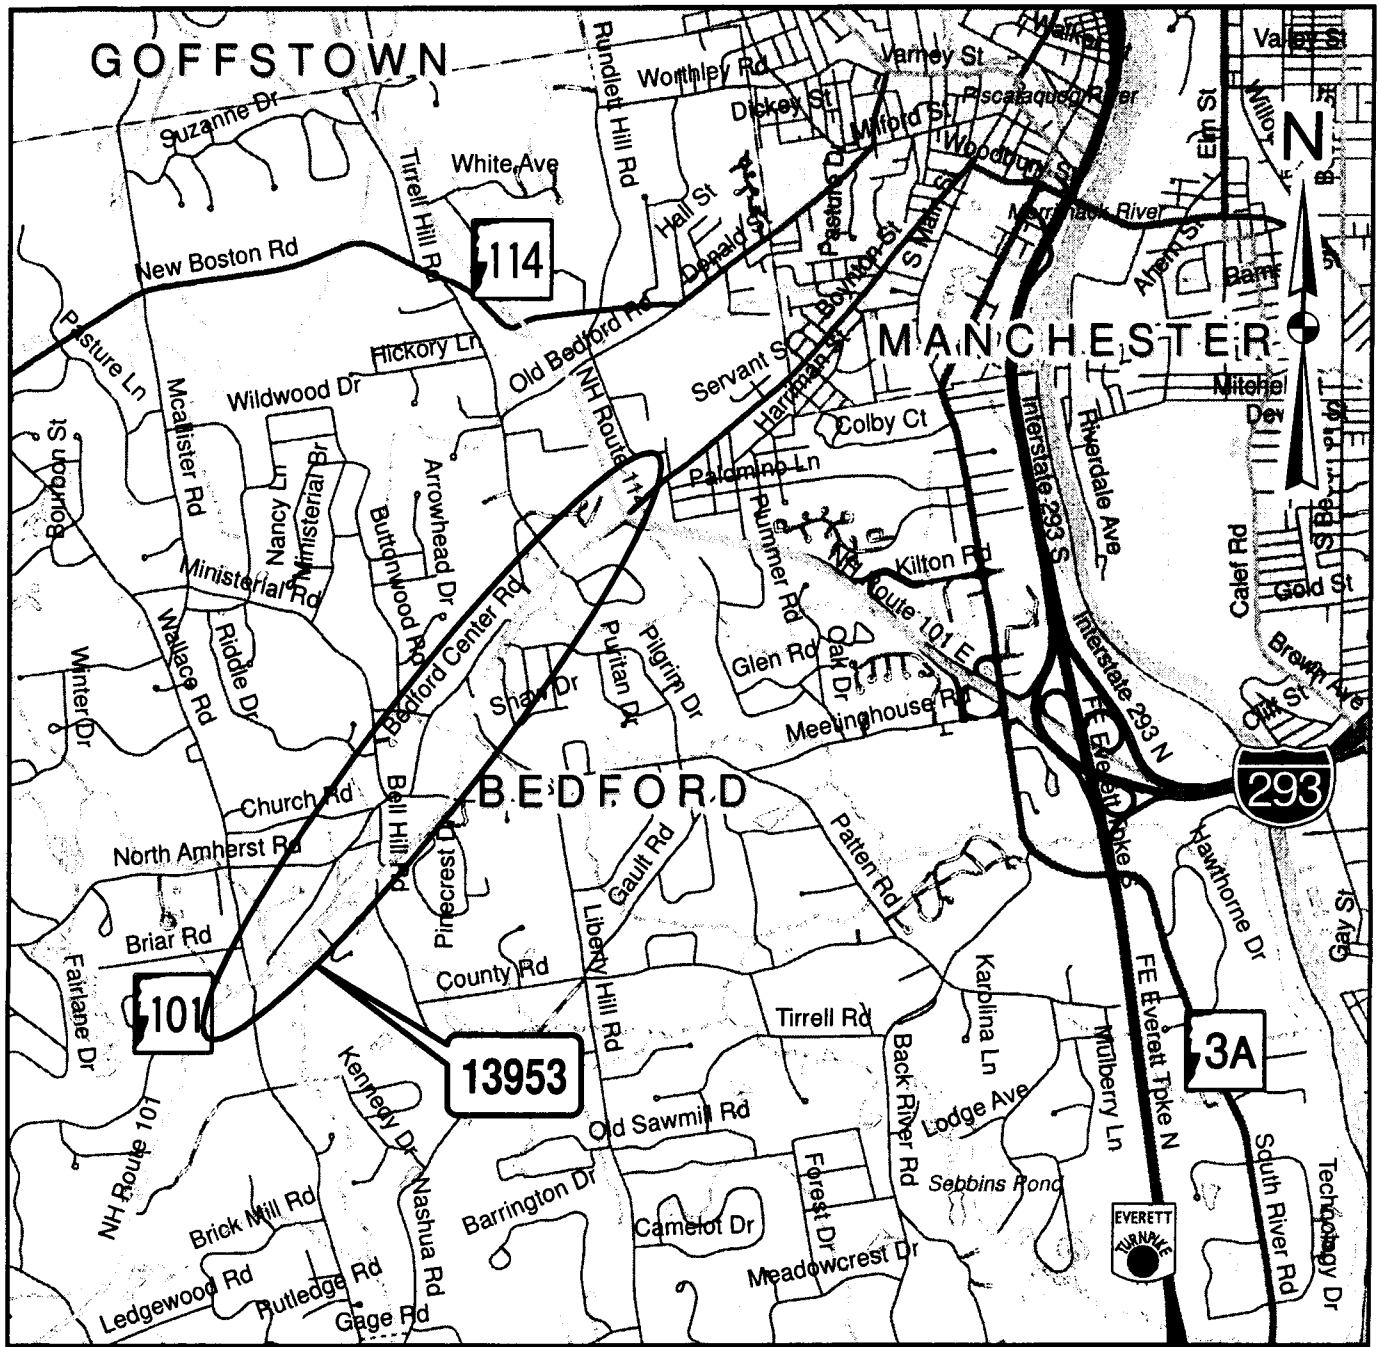

PROJECT INITIATED: State's Ten Year Transportation Improvement Plan

PROJECT EXPLANATION: This project will improve the capacity, safety, and pedestrian connectivity of NH Route 101, which provides access between southwestern NH, the City of Manchester and the Interstate. The existing roadway experiences significant congestion due to insufficient capacity and lack of access control.

TRAFFIC IMPLICATION: Two lane, two-way traffic will be maintained during most operations. Short term use of one lane, alternating two-way traffic supplemented with flaggers may be required during limited applications. Traffic will be returned to two-way traffic during non-construction hours. Limited night work is anticipated. One lane, alternating two-way traffic and/or short duration full closures may be required for side road construction. An enhanced Smart Work Zone (SWZ) Intelligent Transportation System (ITS) has been included in the contract to provide notification of anticipated work areas and delays through the workzone.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

5/25/2017

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
