Highway Betterment Aid	
400-500870 Highway Contract Payments	\$4,630.50

EXPLANATION

This project is part of the State's Betterment Program. The existing culvert is 245' long, estimated to be eighty years old, and is constructed out of 4' sections. 65' of the culvert will be removed from the ocean side. A majority of the joint connections have separated providing an area for seaweed and other debris to plug the culvert causing drainage restrictions.

Page 2

This project is located in Rye on NH Route 1A approximately 140 feet south of the intersection of Causeway Rd and proceeds to the north 310 feet. The work on NH Route 1A involves using an ultra violet cured-in-place pipelining system to rehabilitate a 30" Reinforced Concrete Pipe (RCP) culvert.

A 10% contingency is requested for this project as construction quantities were calculated from field measurements and not engineered plans.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan
Commissioner

RE: Umbrella & Excess Policy

Dear Samantha,

Please be advised that the excess policy for \$8,000,000 is used to increase your umbrella policy to the \$2,000,000 per the requirement from the State of New Hampshire's contract. Your Umbrella policy sits over your General Liability, Auto Liability and Workers' Compensation policies.

Please let me know if you have any questions.

Thank you,
