REQUESTED ACTION

The Department of Transportation requests placing this item on the Consent Calendar.

Authorize the Department of Transportation to enter into an agreement with Jalbert Leasing, Inc. (Vendor 156196), Portsmouth, NH, to operate the Dover Park and Ride and bus terminal located at 23 Indian Brook Drive, Dover, NH effective upon Governor and Council approval or January 1, 2019, whichever is later, through December 31, 2023. This is a no cost operating agreement.

EXPLANATION

The Governor and Council approved an agreement between the Department and Jalbert Leasing, Inc. to operate the Dover Park and Ride and bus terminal located at 23 Indian Brook Drive, Dover, NH on July 16, 2008 (Item 99). The original agreement was for a period of 10 years and included an option for a five-year renewal upon the agreement of the Department and Jalbert Leasing, Inc. The proposed agreement includes minor contract language revisions, which is consistent with the Department's other bus facility operating agreements, and continues the right of Jalbert Leasing, Inc. to operate the facility for an additional five years.

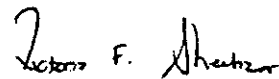

The proposed operating agreement identifies the financial responsibilities of both the Department and the operator. The Department is financially responsible for major structural repairs and capital improvements and for utility costs for lighting the parking area. The operator's responsibilities include those related to the facility and grounds and include, but are not limited to: building operation, maintenance and utilities, snow removal, security, and landscape maintenance for the 414-space park and ride lot and bus terminal. In turn, and as included in the original agreement and in Jalbert Leasing's original proposal to operate the Dover Park and Ride and bus terminal, Jalbert Leasing, Inc. is able to utilize the Dover facility to operate commuter and intercity bus service between the NH seacoast and Boston, MA. Jalbert Leasing operates C&J Bus Lines, which provides approximately 26 daily roundtrips between the Dover facility and Boston and transports over 150,000 passengers annually. The agreement will run for a period of five years, January 1, 2019 through December 31, 2023. This is the final extension under this operating agreement.

The Dover Park and Ride and bus terminal continues to serve as a transportation hub for the Seacoast area, accommodating local and intercity bus service, carpools, vanpools and taxi connections. The bus terminal is open to serve the transportation needs of the Seacoast area 24 hours a day, seven days a week.

This Agreement has been approved by the Attorney General as to form and execution. Copies of the fully executed Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

In the event of the buildings, structures, or other improvements on the Premises are damaged or destroyed by fire or other casualty, the Contractor will immediately notify the State.

The State shall have no obligation to rebuild any or all of the buildings or structures so damaged. In the event that the fire or other casualty renders the Transportation Center unfit for its intended use, either party may elect to discontinue performance under the Agreement by written notice to the other, provided that if the Contractor has insurance coverage for such casualty and the proceeds of such insurance are adequate and available to repair or reconstruct the Premises after such casualty, then the Parties shall not terminate this Agreement, provided that the Contractor shall promptly repair the damage in accordance with the provisions of this Agreement.

The foregoing notwithstanding, the State may, in its sole discretion, seek to obtain funds for the repair or reconstruction of the facility so that the operation of the facility may be maintained.

17.2 Taking by Eminent Domain

If a substantial part of the Premises shall be taken for any public or quasi-public use under governmental law or by right of eminent domain and such taking would materially interfere with the use of the Premises by the Contractor for the purposes contemplated by this Agreement, then the Agreement may be terminated by either the State or the Contractor. The State or the Contractor shall make such election by giving the other party written notice within sixty (60) days after the event giving rise to a right to terminate. Any such termination shall be effective thirty (30) days after the date of notice thereof.

The State reserves all rights to damages payable by reason of anything lawfully done in pursuance of any public or other authority and, by way of confirmation, the Contractor grants to the State all of the Contractor's rights to such damages and agrees to execute and deliver such further instruments of assignment thereof as the State may from time to time request, provided, however, that the Contractor reserves for itself any award specifically reimbursing the Contractor for moving or relocation expenses and any other award the payment of which does not diminish the amount otherwise payable to the State.

ARTICLE XVIII: RIGHT OF THE STATE TO PERFORM

18.1 The State's Right to Perform the Contractor's Obligations

If The Contractor fails to perform any of its obligations under this Agreement within the time permitted for its performance, then the State after ten (10) days' prior written notice to the Contractor (or, in the case of any emergency, upon such notice or without notice, as may be reasonable under the circumstances) and without waiving any of its rights under this Agreement, may (but will not be required to) pay such amount or perform such obligation.

18.2 Reimbursement of the State by the Contractor

All amounts paid by the State and all costs and expenses incurred by the State in connection with the performance of any such obligations will be immediately payable by the Contractor to the State on demand.

ARTICLE XIX: DEFAULTS AND REMEDIES

19.1 Events of Default by the Contractor

The following events shall be deemed to be events of default by the Contractor under this agreement:

- (a) The Contractor shall fail to comply with any term, provision or covenant of this Agreement and shall not cure such failure within twenty (20) days after written notice thereof to the Contractor or, in the case of failures that cannot be cured within twenty (20) days, commenced to cure such failure within twenty (20) days and thereafter diligently pursued such cure to completion.
- (b) The Contractor shall abandon any substantial portion of the Premises or cease to use a substantial portion of the Premises for the purposes permitted by this Agreement.
- (c) The Contractor shall fail to contest diligently the validity of any lien or claimed lien and give sufficient security to the State to insure payment thereof or shall fail to satisfy any judgment rendered thereon and have the same released within ten (10) days after written notice from the State.
- (d) The Contractor shall file a petition in bankruptcy or insolvency or for reorganization or arrangement under the law of the United States, or is dissolved, or makes an assignment for the benefit of creditors.
- (e) Involuntary proceedings under any such bankruptcy laws or for this dissolution of the Contractor are instituted against the Contractor or receiver or trustee is appointed for all or substantially all of the Contractor property, and such proceeding is not dismissed or such receivership or trusteeship is not vacated within ninety (90) days after such institution or appointment.

19.2 Remedies of the State

Upon the occurrence of any of the events of default in Section 19.1, the State shall have, in addition to the rights set forth in Article XVIII of the Agreement and any other remedies available to the State at law or equity, the immediate option, or the option at any time thereafter, to terminate this Agreement and all rights of the Contractor hereunder on five (5) days' written notice to the Contractor, and this Agreement will come to an end on the effective date of such notice as fully and completely as if the term of this Agreement had expired. Upon the termination of the Agreement, the Contractor shall immediately quit and surrender the Premises to the State, but the Contractor shall remain liable for damages as hereinafter provided. In the event the Contractor fails to quit and surrender the Premises, the State may re-enter and repossess the Premises or any

part thereof without constituting trespass and without prejudice to any remedies for default. The Contractor hereby waives all statutory and equitable rights to its leasehold after termination of this Agreement by the State under this paragraph, including, without limitation, rights in the nature of further cure or redemption, if any.

19.3 Remedies Cumulative

The specific remedies to which the State or the Contractor may resort under this Agreement, and all other rights and remedies of the State and the Contractor are cumulative, and any two or more may be exercised at the same time. Nothing in this Agreement shall limit the right of the State to prove and obtain in proceedings for bankruptcy or insolvency an amount equal to the maximum allowed by any statute or rule of law in effect at that time.

19.4 The State's Default

The State shall use due diligence in performing its covenants and obligations under this Agreement. In no event shall the State be in default unless notice thereof has been given to the State and it fails to perform within thirty (30) days provided, however, that such thirty-day period shall be reasonably extended if such performance begins within such period and thereafter is diligently pursued.

ARTICLE XX: TERMINATION

20.1 Termination Procedures/Requirements

The contract shall continue to remain in force and effect for the entire period specified above and any subsequent extension period, unless terminated in whole or in part sooner in one of the following ways:

- a) By the State for cause if the Contractor is in material breach of a term or terms of the contract which is/are not corrected within thirty (30) days of written notice to cure given by the State to the Contractor;
- b) By the Contractor for cause if the State is in material breach of a term or terms of the contract which is/are not corrected within thirty (30) days of written notice to cure given by the Contractor to the Department;
- c) Notwithstanding any language in the Contract to the contrary the State or Contractor may terminate the Contract without cause upon ninety (90) days written notice; or,
- d) Upon a mutual determination and agreement that continued performance under the contract is not desirable.

In the event of termination under (b) above, the Contractor may pursue all of its remedies at law or in equity. Damages consisting of anticipated profits and amounts for the purchase of equipment will not be paid under any circumstances.

In the event of termination under (a) above, the State may engage the services of others to continue work for the balance of the contract period without benefit of competitive bidding, and the Contractor shall compensate the State for the actual costs to reissue a subsequent Request for Proposal (RFP) to secure another Contractor to operate the facility.

In the event of termination under (c) above, if the Contractor terminates the contract within the first twelve months of the contract term, even with having provided ninety (90) days written notice, the Contractor agrees to compensate the State for the actual costs to reissue a subsequent RFP to secure another Contractor to operate the facility.

In the event of termination under (d) above, the termination shall take effect sixty (60) days after the parties reach a mutual determination to terminate. Upon the termination taking effect, both parties shall, effective the date of the termination, be exonerated of any and all further liabilities and/or obligations under the contract.

The Contractor may, upon termination of the contract, remove all moveable furniture, trade fixtures and equipment belonging to the Contractor, repairing any damage caused by such removal. Property not so removed shall be deemed abandoned by the Contractor, and the State may, at its option, keep the same for its use or remove the same in any manner as the State shall choose, and the Contractor shall pay on demand any and all expenses incurred in such removal.

ARTICLE XXI: MISCELLANEOUS

21.1 Surrender of Premises

At the end of the term of this Agreement, or any extension or renewal thereof, or other sooner termination of this Agreement, the Contractor will peaceably deliver to the State possession of the Premises, together with all improvements or additions thereto (unless the State has requested removal as a condition to approving construction of same), in the condition in which the Contractor is required to maintain them under the terms of this Agreement. The Contractor may, upon termination of this Agreement, remove all moveable furniture, trade fixtures (e.g., logos), and other equipment belonging to the Contractor, provided it repairs any damage caused by such removal. Property not so removed shall be deemed abandoned by the Contractor, and the State may at its option, keep the same for its use or remove the same in any manner as the State shall choose, and the Contractor shall pay on demand any and all expenses incurred in such removal.

21.2 Holding Over

The Contractor has no right to hold over at the end of the term of this Agreement. If the Contractor retains possession of the Premises or any part thereof after expiration of the Agreement Term or earlier termination of the Agreement, the State may at its option, serve written notice upon the Contractor that such holding over constitutes creation of a tenancy at will, upon the terms and conditions set forth in the Agreement. If no such notice is given, then a tenancy at sufferance shall be deemed to be created. The provisions of this paragraph shall not constitute a waiver by the State of any right of re-entry given by this Agreement for a default by the Contractor hereunder.

21.3 Status Report

Recognizing that both the State and the Contractor may find it necessary or desirable to establish to third parties, such as accountants, lenders, governmental agencies, or the like, the then current status of performance hereunder, either party, upon the written request of the other made from time to time, will promptly furnish a written statement on the status of any matter pertaining to this Agreement. Without limiting the foregoing, the Contractor shall at any time and from time to time, but only after ten (10) days prior written notice from the State, execute, acknowledge and deliver a written statement certifying that this Agreement is in full force and effect subject only to such modification as may be set out; that the Contractor is in possession of the Premises and that there are not any uncured defaults on the part of the State, or specifying such defaults if they are claimed. If the Contractor fails to deliver such statement in a timely manner, the Contractor shall be deemed to have acknowledged that this Agreement is in full force and effect, without modifications except as may be represented by the State, and that there are no uncured defaults in the State's performance. Any statement provided by either the State or the Contractor hereunder may be relied upon by the other or any other party to whom the State or the Contractor requests the statement be addressed.

21.4 Waiver

If either the State or the Contractor waives the performance of any term, covenant or condition contained in this Agreement, such waiver shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant or condition herein. Failure by either the State or the Contractor to enforce any of the terms, covenants or conditions of this Agreement for any length of time shall not be deemed to waive or to decrease the right of such party to insist upon strict performance in the future. No provision of this Agreement shall be deemed to have been waived by either the State or the Contractor unless such waiver be in writing and signed by a duly authorized representative of the party to be bound thereby.

21.5 No Brokerage

The State and the Contractor each represent and warrant that no broker, agent, commission salesman or other person has represented it in connection with the procurement or consummation of this Agreement. In the event any brokerage claims are asserted against the State predicated upon prior dealings with the Contractor, the Contractor agrees to indemnify and hold the State harmless against any such claim.

21.6 Notice: Time of Essence

All notices and other communications required or permitted to be given under this Agreement shall, unless otherwise expressly permitted hereunder, be in writing, signed by a duly authorized representative of the party giving notice and shall be given by hand delivery (including, without limitation, courier, Federal Express, or other overnight delivery service) or mailed by United States certified mail, postage prepaid, return receipt requested. Notices shall be sent or addressed to the Contractor at the address appearing for the Contractor in this Agreement. Notices to the State, unless otherwise expressly stated in this Agreement, shall be sent to the State at the respective address appearing in this Agreement. The State or the Contractor may, by written notice given hereunder, at any time and from time to time, designate a different address to which notices shall be sent. Notices served as aforesaid shall be deemed given for all purposes (i) on the date shown on the receipt for such delivery or (ii) as of the date such notice was sent in the event delivery is refused or acceptance could not be obtained.

Any requests for approval made by the Contractor to the State where such approval shall be deemed granted after a period of non-reply by the State shall, as a condition to the effectiveness thereof, bear the following legend at the top of the transmittal letter in bold-faced type at least one-quarter inch high, with the appropriate deadline for reply filled in:

NOTICE
THIS REQUEST FOR APPROVAL REQUIRES IMMEDIATE ATTENTION
FAILURE TO RESPOND WITHIN ___ DAYS SHALL RESULT IN AUTOMATIC
APPROVAL

Where either the State or the Contractor is to give a notice or respond to a notice within a specific time period under this Agreement, time shall be of the essence in giving or responding to such notice.

21.7 Status of Parties

The relationship of the Contractor to the State is that of an independent contractor, and said contractor, in accordance with its status as such, covenants and agrees that it will conduct itself consistent with such status, that it will neither hold itself out as nor claim to be a partner, agent, joint venturer, officer or employee of the State by reason of this Agreement, and that it will not, by reason of this Agreement, make any claim, demand or application to or for any right or privilege applicable to an employee or officer of the State. Nothing

contained in this Agreement shall create or be construed as creating a partnership or joint venture between the State and the Contractor or constitute the Contractor an agent of the State.

21.8 Governing Law

This Agreement will be governed by and construed in accordance with the laws of the State of New Hampshire, and all legal actions brought in connection with this Agreement shall be brought in courts within the State of New Hampshire.

21.9 Entire Agreement

This Agreement, together with its Exhibits, whether physically appended to this document or incorporated by reference without being so appended, contains all of the agreements of the parties and supersedes any previous negotiations. There are no agreements between the State and the Contractor with respect to the subject matter of this Agreement other than those set forth in this Agreement and its Exhibits.

21.10 Paragraph Headings

The paragraph headings herein are for convenience of reference only and shall in no way define, increase or limit the scope or intent of any provision of this Agreement.

21.11 Partial Invalidity

If any term of this Agreement, or the application thereof to any person or circumstances, shall to any extent be invalid or unenforceable, the rest of this Agreement shall not be affected thereby, and each term of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

21.12 Force Majeure

In any case where either the State or the Contractor is required to perform any act, delays caused by or resulting from war, fire, flood, unusually severe weather, strikes or other causes beyond such party's reasonable control shall not be counted in determining the time during which such act shall be completed whether such time be designated by a fixed date, a fixed time or a "reasonable" time, and such time shall be deemed to be extended by the period of delay.

21.13 Recording

The State and the Contractor agree not to record this Agreement. Both parties will, at the request of either, execute, acknowledge and deliver a Notice of Agreement in recordable form. Such notice shall contain only the information required by law for recording a notice of lease.

21.14 No Agreement Until Signed

No legal obligations shall arise with respect to the Premises or other matters herein until this Agreement, contingent upon Governor and Executive Council approval, is executed and delivered by the State and the Contractor, with all required signatures.

21.15 Successors and Assigns

This Agreement and the covenants and conditions herein contained shall insure to the benefit of the State and be binding upon the Contractor, its successors and assigns.

21.16 State Employees Barred from Interest

No official, employee, or consultant of the State of New Hampshire shall have any personal interest, direct or indirect, in this Agreement or the Contractor, nor shall any such official, employee, or consultant participate in any decision relating to this Agreement which affects their personal interest or the interests of any corporation, partnership, or association in which they are directly or indirectly interested.

21.17 The State's Liability

No official, employee, or consultant of the State of New Hampshire shall be personally liable to the Contractor or to any partner or shareholder thereof, or to any successor in interest or person claiming through or under the Contractor or any partner or shareholder thereof, in the event of any default or breach of this Agreement, or for any amount which may become due or on any claim, cause, or obligation whatsoever under the terms of this Agreement. All claims against the State shall be governed by the provisions of this Agreement. The foregoing notwithstanding, nothing herein shall be deemed to waive the sovereign immunity of the State.

21.18 Nondiscrimination

The Contractor agrees that it shall not, because of race, color, national origin, ancestry, age, sex, religion, physical or intellectual disability, or sexual orientation, discriminate against any qualified employee, applicant for employment, subcontractor, or person or firm seeking to provide goods or services to the Contractor, or deny any person access to the Premises or to any activities or programs carried out upon the Premises. The Contractor shall comply with all applicable federal and state statutes, rules, and regulations prohibiting discrimination in employment or public accommodation. The Contractor, shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964, as said Regulations may be amended. In the event of breach of any of the above nondiscrimination covenants, the State shall have the right to terminate this Agreement and reenter and repossess the Premises and hold the same as if this Agreement had never been made or issued.

21.19 Counterparts

This Agreement may be executed in any number of counterparts and each of such counterparts shall, for all purposes, be deemed to be an original and all such counterparts shall together constitute but one and the same Agreement.
