Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Behavioral Health, New Hampshire Hospital, to enter into a **sole source** agreement with Amy Phenix (vendor #TBD), 630 Quintana Road, #42, Morro Bay, CA 93442, to participate as a member of the multidisciplinary team to assess and evaluate whether or not a person convicted of a sexually violent offense, who is eligible for release from total confinement, meets the definition of sexual violent predator as defined in the New Hampshire Revised Statutes Annotated 135-E, entitled "Involuntary Civil Commitment of Sexually Violent Predators," in an amount not to exceed \$19,800, upon Governor and Executive Council approval through June 30, 2018. 100% General Funds.

Funds to support this request are available in the following account in State Fiscal Year 2017, and anticipated to be available in State Fiscal Year 2018 upon the availability and continued appropriation of funds in the future operating budgets, with the authority to adjust encumbrances between State Fiscal Years, through the Budget Office if needed and justified, without approval from Governor and Executive Council.

HHS: NEW HAMPSHIRE HOSPITAL, NEW HAMPSHIRE HOSPITAL, SEXUAL PREDATORS ACT

State Fiscal Year	Class/Object	Class Title	Current Budget Amount
2017	102-500731	Sexual Violent Predators Assessments	\$9,900
2018	102-500731	Sexual Violent Predators Assessments	\$9,900
		Grand Total	\$19,800

EXPLANATION

This agreement is **sole source** because the services are very specialized and require a specific set of credentials and experience. The work in this agreement will only be performed by the Vendor when the State is required to evaluate whether or not a person convicted of a sexually violent offense, who is eligible for release from total confinement, meets the definition of sexual violent predator. Sexually Violent Predator evaluation is highly complex. As a result, there are few individuals with the appropriate training, experience and willingness to work in this field. This Vendor has the qualifications and experience to perform this specialized work.

The attached agreement represents one (1) of a total of four (4) agreements with Vendors needed to create a multidisciplinary evaluation team. Two (2) agreements were previously approved on June 29, 2016 (Item #20). One agreement was approved on September 7, 2016 (Item #11). This agreement represents the last contract for this service.

Approval of the agreement with Amy Phenix will allow the Department to continue to provide training and consultation of a person's risk to commit further acts of sexual violence based on best practice and peer reviewed literature. The consultation and training will be primarily provided to members of the multidisciplinary team as well as other State personnel when needed.

The multidisciplinary team will assess and evaluate whether or not a person convicted of a sexually violent offense, who is eligible for release from total confinement, meets the definition of sexual violent predator as defined in the New Hampshire Revised Statutes Annotated 135-E, entitled "Involuntary Civil Commitment of Sexually Violent Predators."

Should the Governor and Executive Council determine not to approve this agreement, the Department would be unable to complete the statutorily required assessment of individuals and would lack the necessary evidence required to determine an individual's readiness to be released into the general population.

Area Served: Statewide.

Source of Funds: 100% General Funds.

Respectfully submitted

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I.
