EXPLANATION

The Sexual Assault Services (SASP) grant program is a formula grant program from the US Department of Justice, Office on Violence Against Women awarded to New Hampshire on an annual basis. These funds are the first federal funding stream solely dedicated to the provision of direct intervention and related assistance for victims of sexual assault.

The majority of these funds will be pass-thru to the NH Coalition Against Domestic and Sexual Violence (NHCADSV) as a sub grant. NHCADSV will in turn pass this funding through to twelve member agencies that will provide services to sexual assault victims on a statewide basis. The goals of the program are to institute programs designed to address the lack of available direct intervention and related assistance service for the unique aspects of sexual assault trauma from which victims must heal. Services may include intervention, advocacy, support services, and related assistance to adult, youth and

child victims of sexual assault.

These projects are funded one hundred percent (100%) by federal dollars. In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

for Joseph A. Foster
Attorney General
