CONTRACT SUPPLEMENTAL INFORMATION SHEET

PROJECT: DPW Project No. 80754R, Contract B – Equipment Upgrades, Veterans Home, Tilton, New Hampshire.

DESCRIPTION: The work of this project includes the renovation of the kitchen at the New Hampshire Veterans Home, including the rental and installation of a temporary dishwashing trailer as well as a temporary kitchen trailer to be in place during the respective renovation periods. The work also includes the renovation of the laundry to improve ventilation.

EXPLANATION: The kitchen renovations include the installation of new equipment and ergonomic work flow changes to include new refrigeration systems. Plumbing and sink upgrades will also be included. New Venting system will be installed in the laundry sorting room to meet infection control standards. In addition, the lower acoustical ceiling will be replaced and all penetrations will be sealed for to meet infection control standards.

OVER ESTIMATE

EXPLANATION: There were a total of three contractors that submitted bids for this project. All exceeded the estimate, by an average of 56 percent. There are several possible reasons for these unanticipated higher bids; this is a federally funded project that requires additional paperwork and Davis Bacon Wages. In addition, contractors are busy and are not looking for work at this time.

ALTERNATES

EXPLANATION: The alternate includes work to completely remove and replace four small refrigeration/freezer units and to replace the refrigeration systems on two outside units.
