## Explanation

The purpose of this grant agreement is for the Town of Allentown to purchase an emergency management trailer and equipment to be towed in the trailer such as traffic cones, emergency lights, signs, etc. The grant listed above is funded from the FFY 2018 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Subrecipients submit applications to this office, which are reviewed by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives and approved by the HSEM Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn  
Commissioner of Safety

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.
12. TERMINATION.
- 12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.
- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.
- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.
13. CONFLICT OF INTEREST. TOWN OF ALLENSTOWN  
Selectboard Meeting  
16 School Street  
Allenstown, New Hampshire 03275  
July 29, 2019

**Call to Order**

The Allenstown Selectboard Meeting of July 29, 2019 was called to order by Vice Chair Sandy McKenney at 6:00 pm. The meeting began outside on the Village Green.

**Roll Call**

Present on the Board: Sandy McKenney, Maureen Higham

Absent: Ryan Carter

Allenstown staff: Derik Goodine, Town Administrator

Others present: Mike Frascinella, Police Chief Michel Stark, Beth Tower, PD; Dawn Shea, PD; Cheryl Hey, PD; Dawn Chabot, PD; Kristine Rose, Kelly Gamache, Katie Baron, Emily Festa, Karen Festa, Melinda Donahue, Annette Alley, Fred Roukey, Connie Roukey, Debora Roukey, Adam Tower, Bev Charter, Carl Shea, Kathryn Shea, Margaret Lougee

Vice Chair McKenney called for the Pledge of Allegiance.

**Appointment and Swearing in of Lieutenants Shea and Tower**

Chief Stark said that the word 'lieutenant' is 400 years old and means 'acting in place of.' He said he chose his two lieutenants very carefully because of the importance of the positions. He said the individuals he has selected care about others. They have given many years of service and have endured many tests. He stressed that you have to do for something higher than yourself.

Chief Stark administered the oath of office to Beth Tower and Dawn Shea.

**Citizens' Comments**

None.

**Regular Agenda**

- **Cruiser Purchase**

Chief Stark explained that this new cruiser will replace a white sedan. It is a 2020 black SUV. It costs a bit more than they normally pay because it is the new model and because it will cost more to outfit it. Still, he said, it is within the line. The new vehicle will cost \$32,900; stripping and refitting will add \$10,500. For a three-year lease, the annual payments will be approximately \$14,740. Until the interest rate is fixed, an exact payment cannot be calculated.

Mr. Goodine asked if the State bidding process was used.

Chief Stark responded no. He said he has not enjoyed working with that process, because all extras are paid for separately, and Grappone is able to compete with the total price. Grappone offers free inspections and ease of service. He said he would like to get the lease going and will return with details and paperwork.

Mr. Frascinella asked why the total is higher.

- Chief Stark responded that there are things which have to be added and changed. Going from a sedan to an SUV adds work and expense.

Ms. Higham made a motion to allow Chief Stark to go forward with the purchase of a police cruiser. Ms. McKenney seconded the motion, which carried unanimously.

- **Emergency Management Performance Grant Acceptance**

Chief Stark stated that this grant would be used to purchase a 6 X 12-foot trailer and equipment to be used for an instant command post. Such items as a radio, lights and a generator would allow the trailer to be occupied for about two days, until help from the State arrives. The grant requires a 50% match, he said, the good news being that Allenstown's match is a cruiser to pull the trailer, which the Police Department has already. The amount of the grant is \$26,600, so the grant will provide \$13,300 for the trailer and equipment. It is a win/win, with no cost to the town.

Ms. McKenney asked about signage.

Chief Stark said it will be on the side of the trailer and will say, 'Funded by EMPG.' He told the Board that they will see large PO's because the Police Department will pay for the items and then be reimbursed.

Ms. Higham made a motion, by majority vote, to accept the terms of the EMPG as presented, in the amount of \$13,300 for an emergency management trailer and equipment, and to acknowledge that the total amount of the grant is \$26,600, of which the town will be responsible for a 50% match of \$13,300

- **Interlocal Agreement on Ambulance Service (Tri-Town EMS)**

Ms. Higham motioned to approve the Interlocal Agreement on Ambulance Service (Tri-Town EMS). Ms. McKenney seconded the motion, which carried unanimously.

- **Crack Sealing Work**

Mr. Goodine stated that three bids are required for the crack sealing work of the Highway Department. No formal RFP was prepared, but an RFP prepared by Pembroke for cracking sealing work was given to four contractors. There were two bids by one contractor at \$1.74 per pound. One bid was based on a daily rate and so could not be considered. Another bid was for \$1.60 per pound, but it was to be subcontracted out, which is not allowed. The contract has a limit of \$20,000. Mr. Goodine said that Mr. Boisvert has done his due diligence.

Mr. Frascinella asked if this is done once a year.

Mr. Goodine said it is done as needed. Roads are classified as A, B, C, and D. The town wants to keep A & B roads at their current level. Generally, class C & D roads are not crack sealed because of their poor condition. That is, they need more work than just crack sealing. The Road Service Management Plan
