His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Education to amend an existing contract with the National Center for Competency-Based Learning (VC# 271411) Durham, NH to provide consulting services and development support of a draft revision to the New Hampshire Code of Administrative Rules Ed 306 Minimum Standards state regulations by extending the end date from June 30, 2022 to June 30, 2023, with no increase in price limitation, effective upon Governor and Council approval through June 30, 2023. The original contract was approved by Governor and Council on November 18, 2020 (Item #112) and amended on June 30, 2021 (Item # 164). 100% General Funds.

EXPLANATION

The National Center for Competency-Based Learning (NCCBL) has historical experience and a professional background with the New Hampshire Code of Administrative Rules, Ed 306 Minimum Standards (Ed 306) and is able to facilitate discussions and work in partnership with the New Hampshire Department of Education (NHED) with various professional associations and organizations throughout the state. The goal of this effort is to facilitate and conduct planning and task force meetings over the course of an additional year in order to update, revise and enhance the Ed 306. The final work product will be a revised version of Ed 306 to be presented to the State Board of Education and the Joint Legislative Committee on Administrative Rules (JLCAR).

The NCCBL continues to provide direction and leadership in the revision of Ed 306. The project has taken significantly longer than first anticipated, due in part to the need for extensive stakeholder engagement and the time-intensive process in developing and facilitating a task force to provide the requested revisions to state regulations that exceed seventy (70) pages in length. The stakeholder engagement process is expected to continue through summer 2022 and into the fall, necessitating a no-cost extension of the contract.

The contractor will continue to work closely with NHED to conduct meetings, produce revisions and drafts of the work product, schedule and hold a variety of public meetings, and facilitate public input throughout the process.

Respectfully submitted,

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
