

# State of New Hampshire

DEPARTMENT OF SAFETY  
OFFICE OF THE COMMISSIONER  
33 HAZEN DR. CONCORD, NH 03305  
603/271-2791

JOHN J. BARTHELMES  
COMMISSIONER

September 9, 2016

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord NH 03301

### Requested Action

Pursuant to RSA 4:8, authorize the Department of Safety to accept a donation of travel expenses, worth an estimated \$3,000 from Donate Life America, 60 First Avenue, Waltham, MA, in travel expenses for the Director of the Division of Motor Vehicles (DMV) and one additional DMV employee to participate in the 2016 Donate Life America Annual Conference in Las Vegas, Nevada.

### Explanation

Donate Life America has requested that the Director of the DMV provide a presentation to their Annual Conference because the State of New Hampshire leads the New England States in driver license and non-driver identification organ donor designations. They have indicated that the participation of the Director along with a staff person responsible for the frontline DMV personnel who interact with customers and are knowledgeable in the designation process would be a valuable part of the convention as New Hampshire could be held as a model to the rest of the nation. Upon approval, the presentation by DMV will be added to the conference agenda.

Respectfully submitted,

  
John J. Barthelmes  
Commissioner of Safety

August 26, 2016

Her Excellency Governor Margaret Wood Hassan  
and Honorable Executive Council  
State of New Hampshire  
State House  
Concord, NH 03301

Dear Governor and Executive Council:

I am writing today to ask for your approval for Donate Life America to pay for the expenses to send the Director of Motor Vehicles, Elizabeth Bielecki, and another member of her staff to our 2016 Annual Meeting being held in Las Vegas, Nevada. The agenda of his meeting is attached for your convenience.

New Hampshire leads New England in the percentage of donation designations on Driver Licenses and Non-Driver Identification Cards. The Director's participation and expertise would be a great benefit to everyone in the Donate Life community nationally.

On behalf of the New England Organ Bank, and Donate Life America, it would be a great honor to have the Director and her staff to attend and participate in this annual conference.

Please let me know if I can answer any additional questions.

Sincerely,
