**EXPLANATION**

New Hampshire RSA 21-I: 43-a, Compensation for State Employees Injured in Line of Duty states:

In this event, no employee shall be terminated from state service until he or she has applied for disability retirement and a final decision on the application is made by the board of trustees of the New Hampshire retirement system and appeals of such decision, if any, are finalized; provided, that the employee shall make such application within 18 months of the injury contemplated by this section. **The executive head of the employee's agency shall make the determination as to whether an injury is in the line of duty and due to a hostile or overt act, or an act caused by another during the performance of duties which are considered dangerous in nature, and, after approval by the governor and council, the determination shall be final.** (emphasis added) During the time in which the injured employee remains on active payroll at full base salary pursuant to this section, his or her state compensation shall not be offset by state workers' compensation payments and he or she shall not receive state workers' compensation payments to

supplement his or her full base salary. Nothing in this section shall prohibit medical payments or final settlements.

Efrain Sanchez is a Mental Health Worker II who was injured in the line of duty and rendered temporarily unable to perform the duties of his position. On July 28, 2016 a patient at New Hampshire Hospital assaulted Efrain Sanchez causing injuries by pushing and grabbing him, sending him to the floor resulting in a head injury. As a result of the injuries, Efrain Sanchez required medical attention and was rendered unable to perform his duties beginning that day. He was released to return to work on August 5, 2016 and in accord with NH RSA 21-I: 43-a Mr. Sanchez's lost time has not been charged against his annual leave or sick leave and he remains on the active payroll.

Following a thorough review of the July 28, 2016 incident and facts related to Efrain Sanchez's injury, the Commissioner of the Department of Health and Human Services determined on August 4, 2016, that Mr. Sanchez's injuries were in the line of duty and due to a hostile or overt act, or an act caused by another during the performance of duties, which are considered dangerous in nature. Pursuant to RSA 21-I: 43-a, approval of this Request shall make Commissioner's determination final.

Respectfully submitted,
