

Victoria F. Sheehan  
Commissioner

THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

William Cass, P.E.  
Assistant Commissioner

Bureau of Construction  
November 9, 2017

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Eagle Industrial Painting, LLC (Vendor 282728) of Magnolia, OH on the basis of a low bid of \$1,863,175.00 for maintenance repainting of seven steel beam bridges along eight miles of Interstate 93 in Meredith, New Hampton and Ashland, from the date of Governor and Council approval through November 16, 2018- unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2018 and 2019 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2018</u>	<u>FY 2019</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$1,000,000.00	\$863,175.00

2. Further authorize that a contingency in the amount of \$93,158.75 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2018</u>	<u>FY 2019</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments		\$93,158.75

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan under the Bridge Tier 1-2 and Tier 3-4 Maintenance and Preservation Program. This project consists of the maintenance repainting of seven steel beam bridges along eight miles of Interstate 93 in Meredith, New Hampton, and Ashland, NH. The bridges are listed by location and identified as follows, including I-93 mile markers (MM):

Location	Town	Route	Crossing	Br. No.	MM
#1	Meredith	I-93 NB, SB	NH 132	025/101, 024/102	66.35
#2	New Hampton	Pinnacle Hill Rd	I-93 NB, SB	134/051	68.77
#3	New Hampton	I-93 NB, SB	NH 132	186/118, 186/119	72.87
#4	Ashland	I-93 NB, SB	Collins St, Squam River	089/050, 088/050	74.47

The contract requires the Contractor to work within lane closure work zones on the roadway underneath each bridge, complete blasting and repainting of all the steel beams, pre- and post-project site collection and removal of paint chips, and includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

The 1963-1964 steel bridges each need repainting. Timely maintenance work will prevent further deterioration due to corrosion, extend the life of the bridge beams, and preserve the structural integrity of the structural steel. The bridges are important components of the transportation infrastructure of the State.

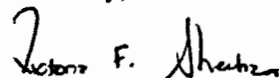

The proposed contingency is 5% of the contract amount. It is possible, but not anticipated, that the work may require additional lane closures than proposed with traffic controls.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 80% federal funds with 20% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan  
Commissioner

VFS/md

Department Estimate: \$3,143,050.00

Contract Amount: \$1,863,175.00

Under Estimate: \$1,279,875.00

**SUPPLEMENTAL PROJECT INFORMATION SHEET**

**DESCRIPTION:** This project consists of the maintenance repainting of seven steel beam bridges along eight miles of Interstate 93 in Meredith, New Hampton, and Ashland, NH. The bridges are listed by location and identified as follows, including I-93 mile markers (MM):

Location	Town	Route	Crossing	Br. No.	MM
#1	Meredith	I-93 NB, SB	NH 132	025/101, 024/102	66.35
#2	New Hampton	Pinnacle Hill Rd	I-93 NB, SB	134/051	68.77
#3	New Hampton	I-93 NB, SB	NH 132	186/118, 186/119	72.87
#4	Ashland	I-93 NB, SB	Collins St, Squam River	089/050, 088/050	74.47

The contract requires the Contractor to work within lane closure work zones on the roadway underneath each bridge, complete blasting and repainting of all the steel beams, pre- and post-project site collection and removal of paint chips, and includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

**FEDERAL FUNDING:** 80% Federal Funding (Bridg-T1-2 M&P and Bridg-T3-4 M&P) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

**CONTINGENCY:** The proposed contingency is 5% of the contract amount. It is possible, but not anticipated, that the work may require additional lane closures than proposed with traffic controls.

**PROJECT INITIATED:** This project is part of the Bridge Tier 1-2 and Tier 3-4 Maintenance & Preservation Program.

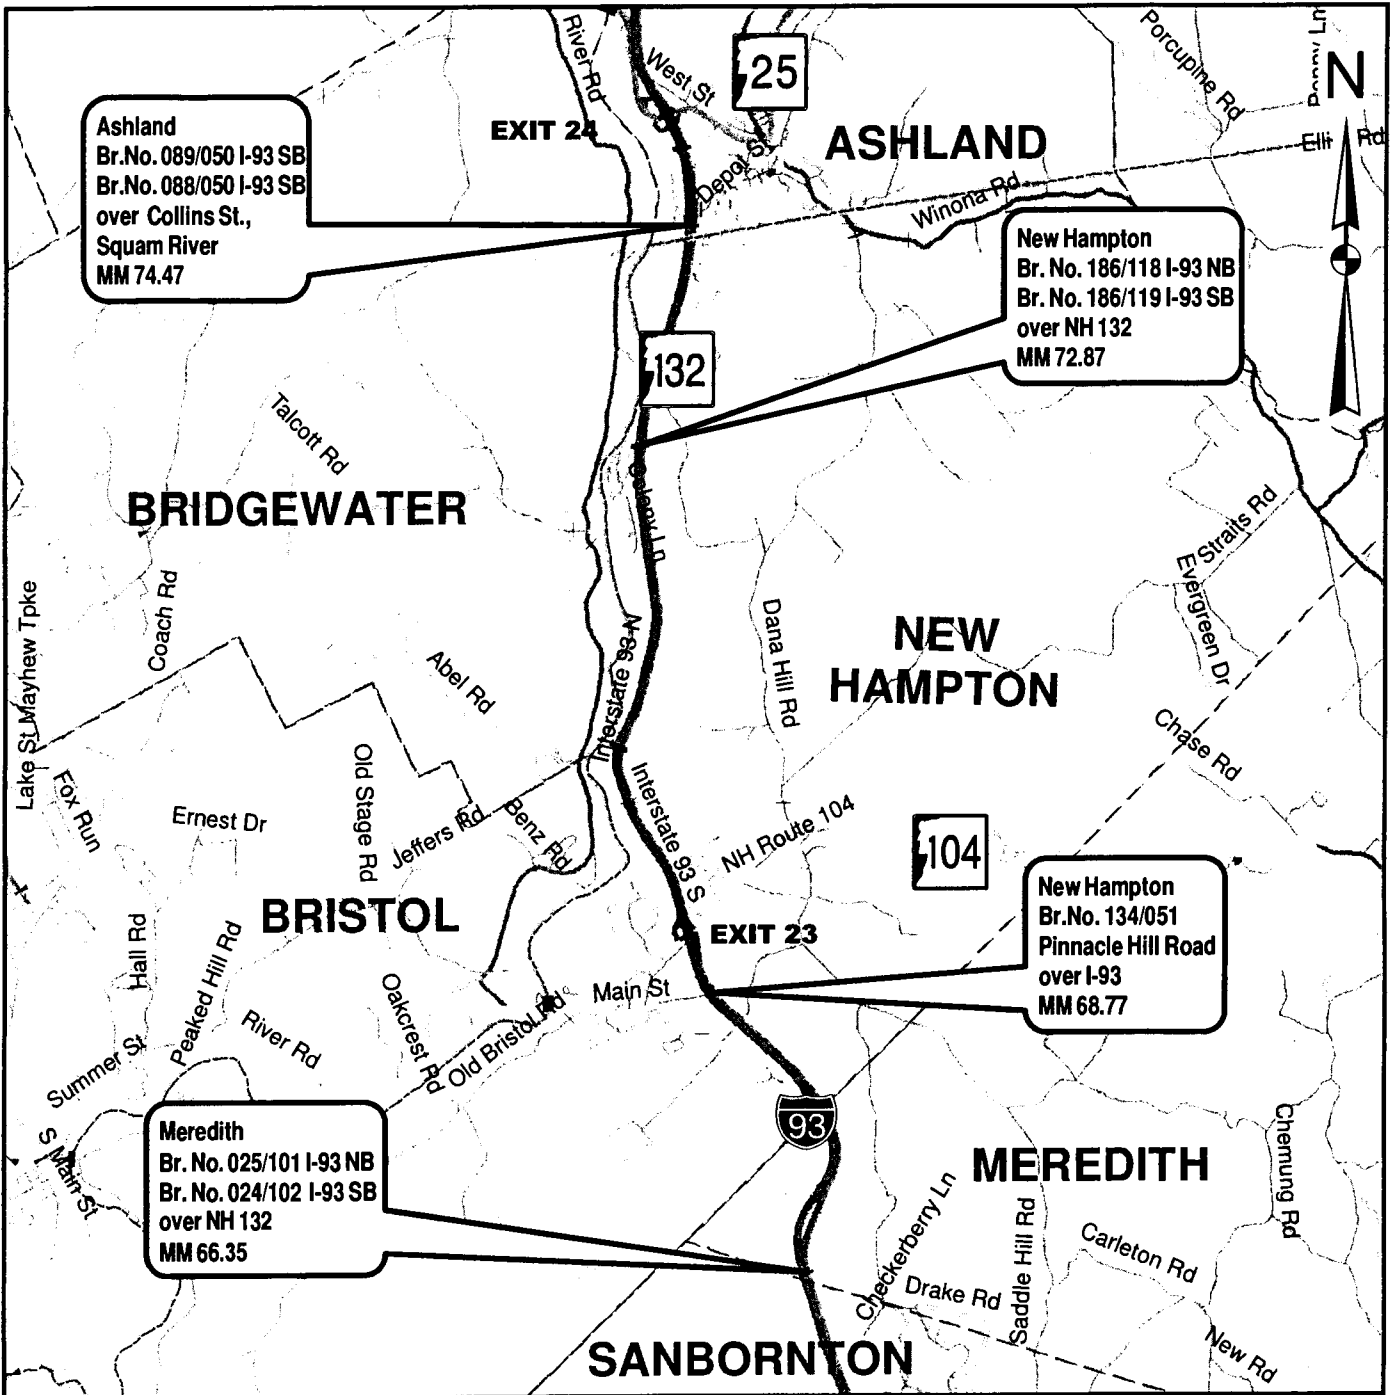

**PROJECT EXPLANATION:** The 1963-1964 steel bridges each need repainting. Timely maintenance work will prevent further deterioration due to corrosion, extend the life of the bridge beams, and preserve the structural integrity of the structural steel. The bridges are important components of the transportation infrastructure of the State.

**TRAFFIC IMPLICATION:**

1. The Contractor shall have access to cleaning and painting the steel bridge beams from a temporary lane-closure work zone in the existing roadway underneath I-93. One lane of alternating two-way traffic may remain in place 24/7 at each location and be maintained with temporary traffic signals, except as noted for I-93 at Bridge Location #2 overpass.
2. At Bridge Location #2 overpass, the work requires truck-mounted rapid deployment units on I-93 during daytime work hours and in the off-season (i.e. before Memorial Day or after Columbus Day), speed limit reduction from 70 to 60 mph, and the lanes restored to a normal configuration at the end of each workday shift.
3. Lane closures will be limited to five calendar weeks at each bridge location; six weeks at the Location #2 overpass.

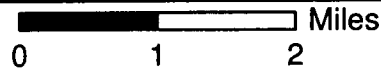

**FINAL COMPLETION DATE:** November 16, 2018

# CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

11/17/2017

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

**IMPORTANT:** If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
