THE STATE OF NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION

Victoria F. Sheehan Commissioner

William Cass, P.E. Assistant Commissioner

Bureau of Highway Design July 30, 2019

His Excellency, Governor Christopher T. Sununu and the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 228:39, authorize the Department of Transportation to enter into an Interstate Agreement with the State of Maine to allow the Department to bill the MaineDOT for costs associated with work to improve the pavement surface of the roadway and existing bridge (NH Br. Nos. 040/096 and E. Rochester Br. No. 2257) carrying US202/ME11 over the Salmon Falls River between Rochester, New Hampshire, and Lebanon, Maine, effective upon Governor and Council approval, and continuing through construction, inspection, and final acceptance of the completed project, in accordance with the Department's 10-Year Transportation Improvement Plan.

EXPLANATION

The original contract for this project was approved by Governor and Council on 4/17/2019 (Item #44C). The Department is required by RSA 228:39 to enter into an Agreement with an adjoining State, with the approval of Governor and Executive Council, before undertaking a joint project with that State. This work includes milling and filling the pavement on the bridge, replacing the asphalt plug joint, and associated highway approach work. This project (District Six Resurfacing 16166-H) is currently obligated for Construction in State fiscal years 2019 and 2020.

The Agreement, after approval by Governor and Council, allows New Hampshire to bill MaineDOT for Maine's share of costs for applicable construction work and inspection incurred by New Hampshire which totals \$3,400.26, as stated in the Agreement. This cost is based on the location of the State Line and the portions of the bridge and associated roadwork located within the State of Maine.

The Agreement has been approved by the Attorney General as to form and execution. Copies of the fully-executed Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given for this Interstate Agreement, as outlined above.

Sincerely,

Victoria F. Sheehan Commissioner
