CHRISTOPHER D. CLEMENT, SR.
COMMISSIONER

JEFF BRILLHART, P.E.
ASSISTANT COMMISSIONER

Bureau of Construction
May 13, 2013

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with A.B. Logging, Inc. (Vendor 157591) of Lancaster, NH on the basis of a low bid of \$704,869.75 for construction of a new scenic overlook on the south side of US 302 in Carroll, from the date of Governor and Council approval through October 18, 2013 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available as follows:	<u>FY 2013</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$704,869.75

2. Further authorize that a contingency in the amount of \$35,243.49 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2013</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$35,243.49

EXPLANATION

This project is part of a grant from the FHWA Scenic By-Ways Program. This project will construct a new scenic overlook area, opposite the existing overlook and separated from US 302, with parking for up to 22 vehicles and 6 buses; and remove the existing overlook/widened shoulder area, converting the area to storm water treatment use. The scenic overlook affords views of Presidential Range and the Mount Washington Hotel. The project seeks to address safety concerns and parking capacity. The additional parking and elevated viewing area is expected to prevent the general public from utilizing the shoulders and/or crossing US 302 in the vicinity of the view shed.

Page 2

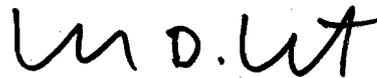

The contingency amount is proposed to be 5% of the contract amount. This project is a short duration, approximately 6 months, however, there are utility relocations and potentially unknown utility conflicts.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 80% federal funds with 20% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Christopher D. Clement, Sr.
Commissioner

CDC/md

Department Estimate: \$819,395.00
Contract Amount: \$704,869.75
Under Estimate: \$114,525.25

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: The proposed project, located in the town Carroll, involves construction of a new scenic overlook on the south side of US 302, opposite an existing overlook, which currently has views of the Presidential Range of the White Mountains and the Mt. Washington Hotel.

The project includes construction of a scenic overlook that will include parking for 22 vehicles and approximately 6 buses. Circulation will be one-way in and one-way out and the viewing area will be elevated above US 302. Work includes construction of drainage and underdrain in the parking area, a mechanically stabilized slope adjacent to US 302, and 1.5:1 stone fill slopes intermixed with humus adjacent to the Railroad corridor. The existing scenic overlook will be discontinued and converted into a storm water treatment area.

Roadway work associated with the project begins at a point approximately 150 feet west of the Mt. Washington Hotel Drive on US 302 and continues east approximately 500 feet.

FEDERAL FUNDING: Construction funding is 80% Federal Funding, 20% funding comprised of acquired land value and Turnpike Toll Credits.

PROJECT INITIATED: The project was initiated through a grant from the FHWA Scenic By-Ways Program (received August 2011) and is a joint effort between the Mt. Washington Hotel Group and the NHDOT.

PROJECT EXPLANATION: The project seeks to address safety concerns and parking capacity. The additional parking and elevated viewing area is expected to prevent the general public from utilizing the shoulders and/or crossing US 302 in the vicinity of the view shed.

CONTINGENCY: This project is a short duration, approximately 6 months, however, there are utility relocations and potentially unknown utility conflicts. The contingency requested is 5%, considering the potential issues for this project, and is in accordance with Department guidelines.

TRAFFIC IMPLICATION: This project will primarily be constructed outside the limits of vehicle traffic with no direct involvement with traffic, with the exception of alternating one-way traffic during the installation of a proposed culvert crossing under US Route 302 connecting the closed drainage system of the parking area to the treatment swale. One of the two Lodge Hotel drives will have minor impacts of construction vehicles during the access drive reconstruction.

FINAL COMPLETION DATE: Friday, October 18, 2013.
