

NOTICE

PARTIAL PROCESSING OF ABSENTEE BALLOTS FOR GENERAL ELECTION, NOVEMBER 3, 2020

Pursuant to recent changes in New Hampshire law, absentee ballots received in the Greenland Town Clerk's office on or before Thursday, October 29, 2020 will be partially processed on **Friday, October 30, 2020 at 9:30 AM** at the Town Hall. This process is open to the public. At that time the outer envelope of each returned absentee ballot shall be opened, the affidavit on the inner envelope shall be examined, the voter's name announced, an opportunity for a challenge of the ballot shall be given, and a notation will be made on the certified checklist to help facilitate the processing of the ballot on election day. The affidavit envelope will not be opened, and the ballot will not be counted at this session.

If a challenge to an absentee ballot is made at the partial processing session, the Moderator will rule on the challenge. If the Moderator rules that a challenge is not well founded, a notation will be made on the certified checklist. Once a notation has been made on the certified checklist, an absentee ballot may not be further challenged.
