REQUESTED ACTION

Authorize the New Hampshire Fish and Game Department (NHFG) to enter into a sole source contract with the Northwoods Stewardship Center, East Charleston, VT 05833 (Vendor Code 160576), for an amount not to exceed \$4000.00 for interpretive kiosk and installation and repair at the Connecticut Lakes Natural Area, Pittsburg, NH, from the date of Governor and Council approval through June 30, 2014. Funding is 100% Wildlife Heritage Foundation of New Hampshire.

Funding is available as follows:

03 75 75 750020 80490000 Fish and Game Commission – Wildlife Heritage Foundation

	FY14
020-07500-80490000-020-500208 Current Expense	\$4000.00

EXPLANATION

This is a continuation of a sole source contract which expired December 31, 2013. Work was not completed before the original contract expired due to weather and unexpected circumstance at Northwoods. Three kiosks were built and one installed during the fall of 2013. Under this contract Northwoods will install two more kiosks, paint all four kiosks and install the interpretive panels in the spring of 2014.

There is a need to develop and install informational kiosks on the Connecticut Lakes Natural Area (CLNA) to enhance visitor experience and improve public understanding of the property and its management. The 25,000 acre CLNA is owned and managed by the New Hampshire Fish and Game Department (NHFG) under a conservation easement held by The Nature Conservancy (TNC). A large number of outdoor recreationalists visit the property throughout the year for wildlife viewing, hunting, fishing and snowmobiling. As a result, the property has great potential to educate the public on the mission of NHFG, and how the property benefits fish, wildlife and New Hampshire's citizens.

This is a sole source contract with Northwoods Stewardship Center because they are the closest and most qualified private nonprofit to complete the work. Northwoods sponsors multiple Youth Conservation Crews (YCC) during the spring summer and fall in order to complete outdoor recreation oriented projects. For this project, the YCC will be responsible for installing kiosks and the interpretive panels that will be located at high visibility areas on the CLNA.

EXHIBIT A
SCOPE OF SERVICES

Outreach Kiosk Development on Connecticut Lakes Natural Area:

Objective: To contract with The Northwoods Stewardship Center, a private 501(c)(3) nonprofit organization, to fund a Youth Conservation Crew (YCC) that will expand and improve outreach kiosks on NHFG's Connecticut Lakes Natural Area (CLNA). Funding for the project was acquired through the NH Wildlife Heritage Foundation.

The YCC crew is made up of local youth and adults that are specifically trained to accomplish natural resource based projects. For this project, the YCC will be responsible for constructing kiosks and some of the interpretive panels that will be located at high public visibility sites on the CLNA. In addition to public use throughout the year, many of these areas experience very high snowmobile traffic during the winter months. The East Inlet location specifically is the last place to ride snowmobiles in late winter/early spring and as a result there is a high amount of traffic during this time.

The specific objectives of the project are:

1. To install interpretive information on the kiosk at the East Inlet boat-launch and perform maintenance to the kiosk, including painting.
2. To install new interpretive information on the Scott Bog kiosk.
3. Build a new kiosk and install interpretive information at the South Bay Bog Unit of the CLNA.
4. Build a new kiosk and install interpretive information at the Perry Ponds access site.

EXHIBIT B
METHOD OF PAYMENT

NHFG agrees to reimburse the Contractor up to \$4000.00 of approved project expenses.

An invoice and report of accomplishments shall be submitted to NHFG's Region 1 Office in Lancaster upon completion of work.

The Contractor agrees to maintain financial documents necessary to comply with State and Federal regulations.

The invoice will be itemized to reflect actual dollar amounts spent for materials, labor, and other costs, which may vary depending on additional grants received or expenses incurred.

NHFG retains the copyright to all materials produced under this contract.

EXHIBIT C
SPECIAL PROVISIONS

Insurance provisions in this contract are amended as follows: The Northwoods Stewardship Center shall maintain general liability insurance of \$1,000,000 per occurrence and \$2,000,000 general aggregate. Certificate of liability insurance is attached.
