EXPLANATION

Under the authority of New Hampshire Revised Statutes Annotated (NH RSA) 21-I:19 a-e, state agencies may enter into an energy performance contract agreement for the purpose of implementing energy and fossil fuel conservation measures in state-owned facilities. Pursuant to RSA 21-I:19-d, the cost of the energy and fossil fuel energy conservation measures may be financed through a lease agreement, the term of which is not to exceed 20 years.

State officials, with the assistance of Locke Lord LLP (the State’s bond counsel), and Public Resources Advisory Group (the State’s financial advisor), prepared and released a Request for Proposal to Provide Tax-Exempt Financing Pursuant to an Energy Performance and Efficiency Project (the “RFP”) in April of 2022. Responses were evaluated on the basis of cost, experience with energy efficiency improvement financing, background and financial strength of the firm, and proposed terms of lease and escrow agreements. Treasury staff, in collaboration with the State’s financial advisor and bond counsel, determined which bidder offered the most attractive financing terms to the State. The State received one response.

After reviewing the bid/response, the State selected Banc of America Public Capital Corporation as the Lessor for the project.

and the Honorable Council

Approval of the Equipment Lease/Purchase Agreement (the "Lease Agreement") and the Escrow and Account Control Agreement does not entail a financial obligation or pledge of the State. The contractual requirement of the State to make lease payments under the Lease Agreement shall constitute a current expense of the State subject to legislative appropriation and, as contemplated in RSA 21-I: 19, a-e, shall be payable from the energy savings realized annually from the project. The interest component of the rental payments under the Lease Agreement will be tax exempt to the lessor.

(a) Lessee is the State, duly organized and existing under the constitution and laws of the State, with full power and authority to enter into the Related Documents and the transactions contemplated thereby and to perform all of its obligations thereunder.

(b) Lessee has duly authorized the execution and delivery of the Related Documents by proper action of its governing body at a meeting duly called, regularly convened and attended throughout by the requisite quorum of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of the Related Documents.

(c) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof. No Event of Non-appropriation has occurred with respect to this Agreement.

(d) Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as the State.

(e) Lessee has complied with such procurement and public bidding requirements as may be applicable to the Related Documents and the acquisition and installation by Lessee of the Equipment.

(f) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee’s authority. Lessee does not intend to sell or otherwise dispose of the Equipment or any interest therein prior to the last Rental Payment (including all Renewal Terms) scheduled to be paid hereunder.

(g) Lessee has kept, and throughout the Lease Term shall keep, its books and records in accordance with generally accepted accounting principles and practices consistently applied, and shall deliver to Lessor (i) annual audited financial statements (including (1) a balance sheet,

(2) statement of revenues, expenses and changes in fund balances for budget and actual, (3) statement of cash flows, and (4) footnotes, schedules and attachments to the financial statements) within two hundred seventy (270) days after the end of its fiscal year, (ii) such other financial statements and information as Lessor may reasonably request, and (iii) upon Lessor's request, its annual budget for any prior or current fiscal year or for the following fiscal year when approved. The financial statements described in this subsection (g)(i) shall be accompanied by an unqualified opinion of Lessee's independent auditor. Credit information relating to Lessee may be disseminated among Lessor and any of its affiliates and any of their respective successors and assigns. Notwithstanding anything herein to the contrary, the requirements of the Section 2.01 (g)(i) shall be met by the posting by the Lessee of its Comprehensive Annual Financial Report on the Electronic Municipal Market Access website of the MSRB.

(h) Lessee has an immediate need for the Equipment and expects to make immediate use of the Equipment. Lessee's need for the Equipment is not temporary and Lessee does not expect the need for any item of the Equipment to diminish during the Lease Term.

(i) The payment of the Rental Payments or any portion thereof is not (under the terms of this Agreement or any underlying arrangement) directly or indirectly (x) secured by any interest in property used or to be used in any activity carried on by any person other than a state or local governmental unit or payments in respect of such property; or (y) on a present value basis, derived from payments (whether or not to Lessee) in respect of property, or borrowed money, used or to be used in any activity carried on by any person other than a state or local governmental unit. Not more than five percent (5%) of the Equipment will be used, directly or indirectly, in any activity carried on by any person other than a state or local governmental unit. No portion of the Acquisition Amount will be used, directly or indirectly, to make or finance loans to any person other than Lessee. Lessee has not entered into any management or other service contract with respect to the use and operation of more than five percent (5%) of the Equipment.

(j) There is no pending litigation, tax claim, proceeding or dispute that may adversely affect Lessee's financial condition or impairs its ability to perform its obligations under the Related Documents. Lessee will, at its expense, maintain its legal existence and do any further act and execute, acknowledge, deliver, file, register and record any further documents Lessor may reasonably request in order to protect Lessor's first priority security interest in the Equipment and the Escrow Account and Lessor's rights and benefits under the Related Documents.

(k) Lessee is the fee owner of the real estate where the Equipment is and will be located (the "*Real Property*") and has good and marketable title thereto, and there exists no mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on or with respect to such Real Property.

(l) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Lessee has been a party at any time has been terminated by Lessee as a result of insufficient funds being appropriated in any fiscal year. No event has

occurred which would constitute an event of default under any debt, revenue bond or obligation which Lessee has issued during the past ten (10) years.

(m) In connection with the Lessee's compliance with any continuing disclosure undertakings (each, a "*Continuing Disclosure Agreement*") entered into by the Lessee pursuant to SEC Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the "*Rule*"), the Lessee may be required to file with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system, or its successor ("*EMMA*"), notice of its incurrence of its obligations under the Related Documents and notice of any accommodation, waiver, amendment, modification of terms or other similar events reflecting financial difficulties in connection with the Related Documents, in each case including posting a full copy thereof or a description of the material terms thereof (each such posting, an "*EMMA Posting*"). Except to the extent required by applicable law, including the Rule, the Lessee shall not file or submit or permit the filing or submission of any EMMA Posting that includes the following unredacted confidential information about the Lessor or its affiliates and the Escrow Agent in any portion of such EMMA Posting: address and account information of the Lessor or its affiliates and the Escrow Agent; e-mail addresses, telephone numbers, fax numbers, names and signatures of officers, employees and signatories of the Lessor or its affiliates and the Escrow Agent; and the form of Disbursement Request that is attached to the Escrow Agreement.

The Lessee acknowledges and agrees that the Lessor and its affiliates are not responsible for the Lessee's or any other entity's (including, but not limited to, any broker-dealer's) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with the Rule, any Continuing Disclosure Agreement or any applicable securities or other laws, including but not limited to those relating to the Rule.

ARTICLE III

Section 3.01. Lease of Equipment. Subject to the terms and conditions of this Agreement, Lessor agrees to provide the Acquisition Amount to acquire the Equipment. Lessor hereby demises, leases and transfers to Lessee, and Lessee hereby acquires, rents and leases from Lessor, the Equipment. The Lease Term may be continued, solely at the option of Lessee, at the end of the Original Term or any Renewal Term for the next succeeding Renewal Term up to the maximum Lease Term as set forth in the Payment Schedule. At the end of the Original Term and at the end of each Renewal Term until the maximum Lease Term has been completed, Lessee shall be deemed to have exercised its option to continue this Agreement for the next Renewal Term unless Lessee shall have terminated this Agreement pursuant to Section 3.03 or Section 10.01 of this Agreement. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the Payment Schedule.

Section 3.02. Continuation of Lease Term. Lessee intends, subject to Section 3.03 hereof, to continue the Lease Term through the Original Term and all Renewal Terms and to pay the Rental Payments due hereunder. Lessee affirms that sufficient funds are legally available for the current fiscal year, and Lessee reasonably believes that an amount sufficient to make all

Rental Payments during the entire Lease Term can be obtained from legally available funds of Lessee. Lessee further intends to do all things lawfully within its power to obtain and maintain funds sufficient and available to discharge its obligation to make Rental Payments due hereunder, including making provision for such payments to the extent necessary in each budget or appropriation request submitted and adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, the decision whether or not to budget and appropriate funds or to extend the Lease Term for any Renewal Term is within the sole discretion of the governing body of Lessee.

Section 3.03. Non-appropriation. Lessee is obligated only to pay such Rental Payments as may lawfully be made during Lessee's then current fiscal year from funds budgeted and appropriated for that purpose. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments following the then current Original Term or Renewal Term, this Agreement shall be deemed terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver notice to Lessor of such termination promptly after any decision to non-appropriate is made, but failure to give such notice shall not extend the term beyond such Original Term or Renewal Term. If this Agreement is terminated in accordance with this Section 3.03, Lessee agrees to cease use of the Equipment and peaceably remove and deliver to Lessor, at Lessee's sole expense (from legally available funds), the Equipment to Lessor at the location(s) to be specified by Lessor.

Section 3.04. Conditions to Lessor's Performance.

(a) As a prerequisite to the performance by Lessor of any of its obligations under this Agreement, Lessee shall deliver to Lessor, in form and substance satisfactory to Lessor, the following:

(i) An Escrow Agreement substantially in the form attached hereto as *Exhibit I*, satisfactory to Lessor and executed by Lessee and the Escrow Agent and a Vendor Agreement satisfactory to Lessor and executed by Lessee and the Vendor;

(ii) A certified copy of a resolution, ordinance or other official action of Lessee's governing body, in the form attached hereto as *Exhibit C-1*, authorizing the execution and delivery of this Agreement and the Escrow Agreement and performance by Lessee of its obligations under this Agreement and the Escrow Agreement;

(iii) A Certificate completed and executed by the Clerk or Secretary or other comparable officer of Lessee, substantially in the form attached hereto as *Exhibit C-2*, completed to the satisfaction of Lessor;

(iv) An opinion of counsel to Lessee, in the form attached hereto as *Exhibit D* and otherwise satisfactory to Lessor;

(v) Evidence of insurance as required by Section 7.02 hereof;

(vi) All documents, including financing statements, affidavits, notices and similar instruments which Lessor deems necessary or appropriate at that time pursuant to Section 6.02 hereof;

(vii) If applicable, a waiver or waivers of interest in the Equipment from any mortgagee or any other party having an interest in the real estate on which the Equipment will be located and/or landlord of the real estate on which the Equipment will be located;

(viii) Reserved;

(ix) A copy of the Form 8038-G, fully completed and executed by Lessee;

(x) Reserved;

(xi) Copies of invoices (and proofs of payment of such invoices, if Lessee seeks reimbursement) and bills of sale (if title to Equipment has passed to Lessee), to the extent required by Section 5.01(b) hereof;

(xii) Wire instructions for payments to be made to Vendors and Form W-9 from each such Vendor;

(xiii) A certified copy of any Surety Bond satisfying the conditions set forth in Section 7.04 hereof, or, at Lessor's sole discretion, such Surety Bonds may be provided after the Commencement Date, provided however, that no "Disbursement Request" pursuant to the Escrow Agreement shall be authorized by Lessor until such Surety Bonds satisfying the conditions set forth in Section 7.04 have been delivered to Lessor; and

(xiv) Such other items reasonably required by Lessor.

(b) In addition to satisfaction of the conditions set forth in subsection (a) of this Section 3.04, the performance by Lessor of any of its obligations under the Related Documents shall be subject to: (i) no Material Adverse Change having occurred since the date of this Agreement, (ii) no Event of Default having occurred and then be continuing and (iii) no Event of Non-appropriation having occurred with respect to this Agreement.

(c) Subject to satisfaction of the foregoing, Lessor will deposit the Acquisition Amount with the Escrow Agent to be held and disbursed pursuant to the Escrow Agreement.

Section 3.05 Evidence of Filing Form 8038-G. As soon as it is available, Lessee shall provide to Lessor evidence that it has filed the Form 8038-G for this Agreement with the Internal Revenue Service by delivering to Lessor proof of mailing such Form 8038-G. Notwithstanding anything to the contrary in this Agreement, it shall not be an Event of Default hereunder if Lessee does not provide to Lessor evidence that it filed the Form 8038-G for this Agreement with the Internal Revenue Service.

ARTICLE IV

Section 4.01. Rental Payments. Subject to Section 3.03 of this Agreement, Lessee shall promptly pay Rental Payments, in lawful money of the United States of America, to Lessor on the Rental Payment Dates and in such amounts as provided in the Payment Schedule. If any Rental Payment or other amount payable hereunder is not paid within ten (10) days of its due date, Lessee shall pay an administrative late charge of five percent (5%) of the amount not timely paid or the maximum amount permitted by law, whichever is less. Lessee shall not permit the Federal Government to guarantee any Rental Payments under this Agreement. Rental Payments consist of principal and interest components as more fully detailed on the Payment Schedule, the interest on which begins to accrue as of the Commencement Date.

Section 4.02. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal as more fully detailed on the Payment Schedule.

Section 4.03. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments shall constitute a current expense of Lessee payable solely from its general fund or other funds that are legally available for that purpose and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or moneys of Lessee.

Section 4.04. Rental Payments to be Unconditional. Except as provided in Section 3.03 of this Agreement, the obligations of Lessee to make Rental Payments and to perform and observe the other covenants and agreements contained in this Agreement shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason, including without limitation any failure of the Equipment, disputes with the Lessor or the Vendor of any Equipment, any defects, malfunctions, breakdowns or infirmities in the Equipment or any accident, condemnation or unforeseen circumstances, or failure of any Vendor to deliver any Equipment or otherwise perform any of its obligations for whatever reason, including bankruptcy, insolvency, reorganization or any similar event with respect to any Vendor.

Section 4.05. Tax Covenants.

Lessee agrees that it will not take any action that would cause the interest component of Rental Payments to be or to become includable in gross income of the owner or owners thereof for Federal income tax purposes, nor will it omit to take or cause to be taken, in a timely manner, any action, which omission would cause the interest component of Rental Payments to be or to become includable in gross income of the owner or owners thereof for Federal income tax purposes. In connection with the foregoing, Lessee hereby agrees that (a) so long as any Rental Payments remain unpaid, moneys on deposit in the Escrow Account shall not be used in a manner that will cause this Agreement to be classified as an "arbitrage bond" within the meaning of Section 148(a) of the Code; and (b) Lessee shall rebate, from funds legally available for the

purpose, an amount equal to excess earnings on the Escrow Account to the Federal Government if required by, and in accordance with, Section 148(f) of the Code, and make the determinations and maintain the records required by the Code.

Section 4.06. Event of Taxability. Upon the occurrence of an Event of Taxability, the interest component of Rental Payments and any charge on Rental Payments or other amounts payable based on the Contract Rate shall have accrued and be payable at the Taxable Rate retroactive to the date as of which the interest component is determined by the Internal Revenue Service to be includible in the gross income of the owner or owners thereof for Federal income tax purposes (which retroactive date shall be the earliest date as of which the interest component of any Rental Payment is deemed includible in the gross income of the owner or owners thereof for Federal income tax purposes, which may be earlier than the date of delivery of such determination by the Internal Revenue Service), and Lessee will pay such additional amount as will result in the owner receiving the interest component at the Taxable Rate.

For purposes of this Section, “*Event of Taxability*” means a determination (A) by the Internal Revenue Service by issuance to the Lessor of a 30-day letter or other written notice or (B) by the reason of the issuance of any publishing ruling or technical advice memorandum by the Internal Revenue Service, but only after all administrative and judicial rights of appeal of the Lessee have been fully exhausted, that the interest component is includible for federal income tax purposes in the gross income of the owner therefore due to Lessee’s action or failure to take any action. For all purposes of this definition, an Event of Taxability shall be deemed to occur on the date as of which the interest component of any Rental Payment is deemed includable in the gross income of the owner thereof for Federal income tax purposes.

Section 4.07. Mandatory Prepayment. Any funds not applied to Equipment Costs and remaining in the Escrow Account on the earlier of (a) the expiration of the Acquisition Period, (b) the date on which Lessee delivers to the Lessor the executed Disbursement Request to effect the final disbursement to pay (or reimburse) Equipment Costs from the Escrow Account or (c) a termination of the Escrow Account as provided in the Escrow Agreement shall be applied by Lessor on each successive Rental Payment Date thereafter to pay all or a portion of the Rental Payment due and owing in the succeeding twelve (12) months and any remaining amounts shall be applied by Lessor as prepayment to the applicable unpaid Principal Portion of Rental Payments owing hereunder in the inverse order of the Rental Payment Dates.

ARTICLE V

Section 5.01. Acquisition, Delivery, Installation and Acceptance of Equipment.

(a) Lessee shall order the Equipment to be acquired and financed hereunder, cause the Equipment to be delivered and installed at the location specified in the Equipment Schedule and pay any and all delivery and installation costs and other Equipment Costs in connection therewith. When the Equipment has been delivered and installed, Lessee shall promptly accept such Equipment and evidence said acceptance by executing and delivering Disbursement Requests to the Lessor pursuant to the Escrow Agreement for the purpose of effecting disbursements from the Escrow Account to pay (or reimburse) Equipment Costs for the

Equipment so acquired and installed. In connection with the execution and delivery by Lessee to Lessor of the final Disbursement Request, Lessee shall deliver to Lessor a "Final Acceptance Certificate" in the form attached hereto as *Exhibit E*.

(b) Lessee shall deliver to Lessor together with each Disbursement Request copies of invoices (and proof of payment of such invoices if Lessee seeks reimbursement for prior expenditures) and bills of sale or other evidence of title transfer to Lessee relating to each item of Equipment accepted by Lessee as evidenced by such Disbursement Request. Once approved, Lessor shall deliver such Disbursement Request to the Escrow Agent for disbursement from the Escrow Account in accordance with the Escrow Agreement.

Section 5.02. Quiet Enjoyment of Equipment. So long as no Event of Default exists hereunder, neither Lessor nor any entity claiming by, through or under Lessor, shall interfere with Lessee's quiet use and enjoyment of the Equipment during the Lease Term.

Section 5.03. Location; Inspection. Once installed, no item of the Equipment will be moved or relocated from the location specified for it in the Equipment Schedule without Lessor's prior written consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times and with reasonable notice to the Lessee during regular business hours to enter into and upon the property where the Equipment is located for the purpose of inspecting the Equipment.

Section 5.04. Use and Maintenance of the Equipment. Lessee shall not install, use, operate or maintain the Equipment (or cause the Equipment to be installed, used, operated or maintained) improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated hereby. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative, or judicial body, including, without limitation, all anti-money laundering laws and regulations; *provided* that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest of Lessor in and to the Equipment or its interest or rights hereunder.

Lessee agrees that it shall (a) maintain, preserve, and keep the Equipment in good repair and working order, in a condition comparable to that recommended by the manufacturer; (b) proceed promptly, at its expense, to protect its rights and exercise its remedies under any warranty then in effect with respect to the Equipment; and (c) replace or rebuild any component of the Equipment that becomes permanently unfit for normal use or inoperable during the Lease Term (herein, the "*Inoperable Component*") in order to keep the Equipment as a whole in good repair and working order during the Lease Term. Lessee shall promptly notify Lessor in writing when any component of the Equipment is reasonably expected within forty-five (45) days to become an Inoperable Component. Lessee shall promptly replace or rebuild the Inoperable Component with a similar component of comparable or improved make and model that has at least the equivalent value and utility of the Inoperable Component, a remaining useful life of no less than the remaining Lease Term and such replacement or rebuilt component shall be in good operating condition. Lessor shall have no responsibility to maintain, repair or make

improvements or additions to the Equipment. In all cases, Lessee agrees to pay any costs necessary for the manufacturer to re-certify the Equipment as eligible for manufacturer's maintenance upon the return of the Equipment to Lessor as provided for in Sections 3.03 and 12.02(b) of this Agreement.

Lessee shall not alter any item of Equipment or install any accessory, equipment or device on an item of Equipment if that would impair any applicable warranty, the originally intended function or the value of that Equipment. All repairs, parts, accessories, equipment and devices furnished, affixed to or installed on any Equipment, excluding temporary replacements, shall thereupon become subject to the security interest of Lessor.

ARTICLE VI

Section 6.01. Title to the Equipment. During the Lease Term, and so long as Lessee is either not in default under Article XII hereof or an Event of Non-appropriation has not occurred, all right, title and interest in and to each item of the Equipment shall be vested in Lessee immediately upon its acceptance of each item of Equipment, subject to the terms and conditions hereof. Lessee shall at all times protect and defend, at its own cost and expense, its title, and Lessor's first priority security interest, in and to the Equipment (and Lessor's other Collateral as defined in Section 6.02 hereof) from and against all claims, liens and legal processes of its creditors, and keep all Equipment (and such other Collateral) free and clear of all such claims, liens and processes. Upon the occurrence of an Event of Default or upon termination of this Agreement pursuant to Section 3.03 hereof, full and unencumbered legal title to the Equipment shall, at Lessor's option, pass to Lessor, and Lessee shall have no further interest therein. In addition, upon the occurrence of such an Event of Default or such termination, Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the passage of such legal title to Lessor and the termination of Lessee's interest therein, and upon request by Lessor shall deliver possession of the Equipment to Lessor in accordance with Section 3.03 or 12.02 of this Agreement, as applicable. Upon payment of all amounts due and owing hereunder by Lessee in accordance with Section 10.01 hereof, Lessor's security interest or other interest in the Equipment shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may request to evidence the termination of Lessor's security interest in the Equipment.

Section 6.02. Security Interest. As additional security for the payment and performance of all of Lessee's obligations hereunder, Lessee hereby grants to Lessor a first priority security interest constituting a first lien on (a) the Equipment, (b) moneys and investments held from time to time in the Escrow Account and (c) any and all proceeds of any of the foregoing, including, without limitation, insurance proceeds (collectively, the "*Collateral*"). Lessee authorizes Lessor to file (and Lessee agrees to execute, if applicable) such notices of assignment, chattel mortgages, financing statements and other documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain Lessor's security interest in the Collateral, including, without limitation, such financing statements with respect to personal property and fixtures under Article 9 of the Uniform Commercial Code in effect in the State.

Section 6.03. Personal Property, No Encumbrances. Lessee agrees that the Equipment is deemed to be and will remain personal property, and will not be deemed to be affixed to or a

part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Lessee shall not create, incur, assume or permit to exist any mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on any of the real estate where the Equipment is or will be located or enter into any agreement to sell or assign or enter into any sale/leaseback arrangement of such real estate without the prior written consent of Lessor; provided, that if Lessor or its assigns is furnished with a waiver of interest in the Equipment acceptable to Lessor or its assigns in their respective discretion from any party taking an interest in any such real estate prior to such interest taking effect, such consent shall not be unreasonably withheld.

ARTICLE VII

Section 7.01. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all levies, liens, and encumbrances except those created by this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and that the Equipment will therefore be exempt from all property taxes. If the lease, sale, purchase, operation, use, possession or acquisition of any Equipment is nevertheless determined to be subject to taxation, Lessee shall pay when due all taxes and governmental charges lawfully assessed or levied against or with respect to such Equipment. Lessee shall pay all utility and other charges incurred in the operation, use and maintenance of the Equipment. Lessee shall pay such taxes, assessments or charges as the same may become due; *provided* that, with respect to any such taxes, assessments or charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as accrue during the Lease Term. Lessor will not claim ownership of the Equipment under this Agreement for the purposes of any tax credits, benefits or deductions with respect to such Equipment.

Section 7.02. Insurance. Lessee shall during the Lease Term maintain or cause to be maintained (a) casualty insurance naming Lessor and its assigns as loss payee and insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required by Lessor, in an amount at least equal to the greater of (i) the then applicable Prepayment Price of the Equipment or (ii) the replacement cost of the Equipment; (b) liability insurance naming Lessor and its assigns as additional insured that protects Lessor from liability with limits of at least \$5,000,000 per occurrence for bodily injury and property damage coverage (such liability insurance coverage may be in a combination of primary general liability and/or excess liability umbrella coverage), and in all events under clauses (a) and (b) issued in form and amount satisfactory to Lessor and by an insurance company that is authorized to do business in the State and having a financial strength rating by A.M. Best Company of "A-" or better; and (c) worker's compensation coverage as required by the laws of the State. Notwithstanding the foregoing, Lessee may self-insure against the risks described in clauses (a) and/or (b) through a government pooling arrangement, self-funded loss reserves, risk retention program or other self-insurance program, in each case with Lessor's prior consent (which Lessor may grant, withhold or deny in its sole discretion) and *provided* that Lessee has delivered to Lessor such information as Lessor

may request with respect to the adequacy of such self-insurance to cover the risks proposed to be self-insured and otherwise in form and substance acceptable to Lessor. In the event Lessee is permitted, at Lessor's sole discretion, to self-insure as provided in this Section 7.02, Lessee shall provide to Lessor a self-insurance letter in substantially the form attached hereto as *Exhibit F* or as otherwise satisfactory to the Lessor. Lessee shall furnish to Lessor evidence of such insurance or self-insurance coverage throughout the Lease Term. Lessee shall not cancel or modify such insurance or self-insurance coverage in any way that would affect the interests of Lessor without first giving written notice thereof to Lessor at least thirty (30) days in advance of such cancellation or modification.

Section 7.03. *Risk of Loss.* Whether or not covered by insurance or self-insurance, Lessee hereby assumes all risk of loss of, or damage to and liability related to injury or damage to any persons or property arising from the Equipment from any cause whatsoever, and no such loss of or damage to or liability arising from the Equipment shall relieve Lessee of the obligation to make the Rental Payments or to perform any other obligation under this Agreement. Whether or not covered by insurance or self-insurance, Lessee hereby agrees to reimburse Lessor (to the fullest extent permitted by applicable law, but only from legally available funds) for any and all liabilities, obligations, losses, costs, claims, taxes or damages suffered or incurred by Lessor, regardless of the cause thereof and all expenses incurred in connection therewith (including, without limitation, counsel fees and expenses, and penalties connected therewith imposed on interest received) arising out of or as a result of (a) entering into this Agreement or any of the transactions contemplated hereby, (b) the ordering, acquisition, ownership use, operation, condition, purchase, delivery, acceptance, rejection, storage or return of any item of the Equipment, (c) any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or death to any person, and/or (d) the breach of any covenant of Lessee under or in connection with this Agreement or any material misrepresentation provided by Lessee under or in connection with this Agreement. The provisions of this Section 7.03 shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

Section 7.04. *Surety Bonds; Lessee to Pursue Remedies Against Contractors and Sub-Contractors and Their Sureties.* Lessee shall secure from each Vendor directly employed by Lessee in connection with the acquisition, construction, installation, improvement or equipping of the Equipment, a payment and performance bond ("Surety Bond") executed by a surety company authorized to do business in the State, having a financial strength rating by A.M. Best Company of "A-" or better, and otherwise satisfactory to Lessor and naming Lessor as a co-obligee in a sum equal to the entire amount to become payable under each Vendor Agreement. Each bond shall be conditioned on the completion of the work in accordance with the plans and specifications for the Equipment and upon payment of all claims of subcontractors and suppliers. Lessee shall cause the surety company to add Lessor as a co-obligee on each Surety Bond, and shall deliver a certified copy of each Surety Bond to Lessor promptly upon receipt thereof by Lessee. Any proceeds from a Surety Bond shall be applied in accordance with such Surety Bond to the payment and performance of the Vendor's obligations in accordance with the related

Vendor Agreement and, if for whatever reason such proceeds are not so applied, first to amounts due Lessor under this Agreement, and any remaining amounts shall be payable to Lessee.

In the event of a material default of any Vendor under any Vendor Agreement in connection with the acquisition, construction, maintenance and/or servicing of the Equipment or in the event of a material breach of warranty with respect to any material workmanship or performance guaranty with respect to the Equipment, Lessee will promptly proceed to exhaust its remedies against the Vendor in default. Lessee shall advise Lessor of the steps it intends to take in connection with any such default. Any amounts received by Lessee in respect of damages, refunds, adjustments or otherwise in connection with the foregoing shall be paid to Lessor and applied against Lessee's obligations hereunder.

Section 7.05. Advances. In the event Lessee shall fail to keep the Equipment in good repair and working order or shall fail to maintain any insurance required by Section 7.02 hereof, Lessor may, but shall be under no obligation to, maintain and repair the Equipment or obtain and maintain any such insurance coverages, as the case may be, and pay the cost thereof. All amounts so advanced by Lessor shall constitute additional rent for the then current Original Term or Renewal Term and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the due date until paid at a rate equal to the Contract Rate (or the Taxable Rate if then in effect) *plus* five percent (5%) per annum or the maximum amount permitted by law, whichever is less.

ARTICLE VIII

Section 8.01. Damage, Destruction and Condemnation. If, prior to the termination of the Lease Term, (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, (i) Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award or sale under threat of condemnation to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment or such part thereof and any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee or (ii) Lessee shall exercise its option to prepay the obligations hereunder in accordance with Section 10.01(b) hereof.

If Lessee elects to replace any item of the Equipment (the "*Replaced Equipment*") pursuant to this Section 8.01, the replacement equipment (the "*Replacement Equipment*") shall be new or of a quality, type, utility and condition at least as good as the Replaced Equipment, shall be of equal or greater value than the Replaced Equipment and shall provide at least the same level of energy and/or operational savings expected in the aggregate from the Replaced Equipment prior to such casualty, destruction or condemnation. Lessee shall grant to Lessor a first priority security interest in any such Replacement Equipment. Lessee shall represent, warrant and covenant to Lessor that each item of Replacement Equipment is free and clear of all claims, liens, security interests and encumbrances, excepting only those liens created by or through Lessor, and shall provide to Lessor any and all documents as Lessor may reasonably

request in connection with the replacement, including, but not limited to, documentation in form and substance satisfactory to Lessor evidencing Lessor's security interest in the Replacement Equipment. Lessor and Lessee hereby acknowledge and agree that any Replacement Equipment acquired pursuant to this paragraph shall constitute "Equipment" for purposes of this Agreement. Lessee shall complete the documentation of Replacement Equipment on or before the next Rental Payment Date after the occurrence of a casualty event, or be required to exercise its option to prepay the obligations hereunder with respect to the damaged Equipment in accordance with Section 10.01(b) hereof.

For purposes of this Article VIII, the term "*Net Proceeds*" shall mean the amount remaining from the gross proceeds of any insurance claim or condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof.

Section 8.02. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in Section 8.01, Lessee shall either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) pay or cause to be paid to Lessor the amount of the then applicable Prepayment Price *plus* all other amounts then owing hereunder, and, upon such payment, the Lease Term shall terminate and Lessor's security interest in the Equipment shall terminate as provided in Section 6.01 hereof. The amount of the Net Proceeds remaining, if any, after completing such repair, restoration, modification or improvement or after paying such Prepayment Price *plus* all other amounts then owing hereunder shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section 8.02, Lessee shall not be entitled to any reimbursement therefor from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE IX

Section 9.01. Disclaimer of Warranties. Lessor makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of any of the Equipment, or any other warranty or representation, express or implied, with respect thereto and, as to Lessor, Lessee's acquisition of the Equipment shall be on an "as is" basis. In no event shall Lessor be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Agreement, the Equipment or the existence, furnishing, functioning or Lessee's use of any item, product or service provided for in this Agreement.

Section 9.02. Vendor Agreements; Warranties. Lessee covenants that it shall not in any material respect amend, modify, rescind or alter any Vendor Agreement without the prior written consent of Lessor. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee shall not be in default under this Agreement, to assert from time to time whatever claims and rights (including without limitation warranties) relating to the Equipment that Lessor may have against a Vendor. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the applicable Vendor of the Equipment, and not against Lessor. Any such matter shall not have any effect whatsoever on the

rights and obligations of Lessor under this Agreement, including the right to receive full and timely Rental Payments and other payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made, no representations or warranties whatsoever as to the existence or the availability of such warranties relating to any of the Equipment.

ARTICLE X

Section 10.01. Prepayment; Payment in Full.

(a) *Prepayment.* Lessee shall have the option to prepay or satisfy all, but not less than all, of its obligations hereunder, at the following times and upon the following terms:

(i) *Optional Prepayment.* From and after the date specified (if any) in the Payment Schedule (the "*Prepayment Option Commencement Date*"), on the Rental Payment Dates specified in the Payment Schedule, upon not less than thirty (30) days prior written notice, and upon payment in full of the sum of all Rental Payments then due *plus* the then applicable Prepayment Price, which may include a prepayment premium on the unpaid Outstanding Balance as set forth in the Payment Schedule *plus* all other amounts then owing hereunder; or

(ii) *Casualty or Condemnation Prepayment.* In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment, on the day specified in Lessee's notice to Lessor of its exercise of the prepayment option (which shall be the earlier of the next Rental Payment Date or sixty (60) days after the casualty event) upon payment in full to Lessor of (A) in the event such prepayment occurs on a Rental Payment Date, the sum of (i) all Rental Payments then due *plus* (ii) the then applicable Prepayment Price *plus* (iii) all other amounts then owing hereunder OR, (B) in the event such prepayment occurs on a date other than a Rental Payment Date, the sum of (i) the applicable Prepayment Price shown on the Payment Schedule for the Rental Payment Date immediately preceding the applicable date of such prepayment (or if the date of such prepayment occurs prior to the first Rental Payment Date, the earliest Prepayment Price shown on the Payment Schedule) *plus* (ii) accrued interest at the Contract Rate (or the Taxable Rate if then in effect) on the Outstanding Balance as of the Rental Payment Date immediately preceding the applicable date of such prepayment from such Rental Payment Date (or if the date of such prepayment occurs prior to the first Rental Payment Date, the Commencement Date) to the date of such prepayment *plus* (iii) all other amounts then owing hereunder.

(b) *Payment in Full.* Upon the expiration of the Lease Term, upon payment in full of all Rental Payments then due and all other amounts then owing hereunder to Lessor.

(c) Lessor's security interests in and to the Equipment will be terminated and Lessee will own such Equipment free and clear of Lessor's security interest in such Equipment after either (i) payment of the applicable Prepayment Price and all other amounts then owing hereunder in accordance with either Section 10.01(a)(i) or Section 10.01(a)(ii) of this Agreement or (ii) upon the expiration of the Lease Term and payment in full of all Rental Payments then due and all other amounts then owing hereunder in accordance with Section 10.01(b) of this Agreement.

ARTICLE XI

Section 11.01. Assignment by Lessor.

(a) Lessor's right, title and interest in and to this Agreement, the Rental Payments and any other amounts payable by Lessee hereunder, the Escrow Agreement, its security interest in the Equipment and the Escrow Account, and all proceeds therefrom (collectively, the "Assigned Rights"), may be assigned and reassigned by Lessor at any time, in whole or in part, to one or more assignees or sub-assignees with the consent of Lessee, which consent shall not be unreasonably withheld; *provided*, that any such assignment, transfer or conveyance (i) shall be made only to investors each of whom Lessor reasonably believes is a "qualified institutional buyer" as defined in Rule 144A(a)(1) promulgated under the Securities Act of 1933, as amended, or an "accredited investor" as defined in Section 501(a)(1), (2), (3) or (7) of Regulation D promulgated under the Securities Act of 1933, as amended, and in either case is purchasing the Assigned Rights (or any interest therein) for its own account with no present intention to resell or distribute such Assigned Rights (or interest therein), subject to each investor's right at any time to dispose of the Assigned Rights (or any interest therein) as it determines to be in its best interests, (ii) shall not result in more than 35 owners of the Assigned Rights or the creation of any interest in the Assigned Rights in an aggregate principal component that is less than \$100,000 and (iii) shall not require Lessee to make Rental Payments, to send notices or otherwise to deal with respect to matters arising hereunder or under the Escrow Agreement with or to more than one Lease Servicer (as such term is defined below), and any trust agreement, participation agreement or custodial agreement under which multiple ownership interests in the Assigned Rights are created shall provide the method by which the owners of such interests shall establish the rights and duties of a single entity, trustee, owner, servicer or other fiduciary or agent acting on behalf of all of the assignees (herein referred to as the "Lease Servicer") to act on their behalf with respect to the Assigned Rights, including with respect to the exercise of rights and remedies of Lessor on behalf of such owners upon the occurrence of an Event of Default or an Event of Non-appropriation under this Agreement. Lessor and Lessee hereby acknowledge and agree that the restrictions and limitations on transfer as provided in this Section 11.01 shall apply to the first and subsequent assignees and sub-assignees of any of the Assigned Rights (or any interest therein).

(b) Unless to an affiliate controlling, controlled by or under common control with Lessor, no assignment, transfer or conveyance permitted by this Section 11.01 shall be effective as against Lessee until Lessee shall have consented to such assignment, which consent shall not be unreasonably withheld, and received a written notice of assignment that discloses the name and address of each such assignee; *provided*, that if such assignment is made to a bank or trust company as trustee or paying agent for owners of certificates of participation, participation interests, trust certificates or partnership interests with respect to the Rental Payments payable under this Agreement, it shall thereafter be sufficient that Lessee receives notice of the name and address of the bank, trust company or other entity that acts as the Lease Servicer. Notices of assignment provided pursuant to this Section 11.01(b) shall contain a confirmation of compliance with the transfer requirements imposed by Section 11.01(a) hereof. During the Lease Term, Lessee shall keep, or cause to be kept, a complete and accurate record of all such

assignments in form necessary to comply with Section 149 of the Code. Lessee shall retain all such notices as a register of all assignees and shall make all payments to the assignee or assignees or Lease Servicer last designated in such register. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim or other right Lessee may have against Lessor or the Vendor. Assignments in part may include without limitation assignment of all of Lessor's security interest in and to the Equipment and all rights in, to and under this Agreement related to such Equipment, and all of Lessor's security interest in and to the Escrow Account, or all rights in, to and under the Escrow Agreement.

(c) If Lessor notifies Lessee of its intent to assign this Agreement, and Lessee consents to such assignment, which consent shall not be unreasonably withheld Lessee agrees that it shall execute and deliver to Lessor a Notice and Acknowledgement of Assignment substantially in the form of *Exhibit H* attached hereto within five (5) business days after its receipt of such request.

Section 11.02. Assignment and Subleasing by Lessee. None of Lessee's right, title, and interest in, to and under this Agreement or any portion of the Equipment or the Escrow Agreement or the Escrow Account may be assigned, encumbered or subleased by Lessee for any reason, and any purported assignment, encumbrance or sublease without Lessor's prior written consent shall be null and void.

ARTICLE XII

Section 12.01. Events of Default Defined. Any of the following events shall constitute an "Event of Default" under this Agreement:

(a) Failure by Lessee to (i) pay any Rental Payment or other payment required to be paid under this Agreement within ten (10) days of the date when due as specified herein, (ii) maintain insurance as required herein;

(b) Failure by Lessee to observe and perform any covenant, condition or agreement contained in this Agreement on its part to be observed or performed, other than as referred to in subsection (a) above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; *provided* that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;

(c) Any statement, representation or warranty made by Lessee in or pursuant to this Agreement or its execution, delivery or performance shall prove to have been false, incorrect, misleading, or breached in any material respect on the date when made;

(d) Any default occurs under any other agreement for borrowing money, lease financing of property or otherwise receiving credit under which Lessee is an obligor, if such default (i) arises under any other agreement for borrowing money, lease financing of property or

provision of credit provided by Lessor or any affiliate of Lessor, or (ii) arises under any obligation under which there is outstanding, owing or committed an aggregated amount in excess of \$1,000,000.00;

(e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable Federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization, moratorium or insolvency proceeding; or

(f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator for Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of thirty (30) consecutive days.

Section 12.02. Remedies on Default. Whenever any Event of Default exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) By written notice to Lessee, Lessor may declare all Rental Payments payable by Lessee and other amounts payable by Lessee hereunder to the end of the then current Original Term or Renewal Term to be immediately due and payable;

(b) With or without terminating the Lease Term, Lessor may enter the premises where the Equipment is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable, but solely from legally available funds, for the difference between (i) the Rental Payments payable by Lessee and other amounts hereunder that are payable by Lessee to the end of the then current Original Term or Renewal Term, as the case may be, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies hereunder, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all brokerage, auctioneer's and attorney's fees), subject, however, to the provisions of Section 3.03 of this Agreement. The exercise of any such remedies respecting any such Event of Default shall not relieve Lessee of any other liabilities hereunder or with respect to the Equipment;

(c) Lessor may terminate the Escrow Agreement and apply any proceeds in the Escrow Account to the Rental Payments scheduled to be paid hereunder; and/or

(d) Lessor may take whatever action at law or in equity as may appear necessary or desirable to enforce its rights under this Agreement or the Escrow Agreement or as a secured party in any or all of the Equipment or the Escrow Account.

Section 12.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Article XII it shall not be necessary to give any notice other than such notice as may be required in this Article XII.

ARTICLE XIII

Section 13.01. Notices. All notices, certificates or other communications under this Agreement shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, or delivered by overnight courier, or sent by facsimile transmission (with electronic confirmation) to the parties hereto at the addresses immediately after the signatures to this Agreement (or at such other address as either party hereto shall designate in writing to the other for notices to such party) and to any assignee at its address as it appears on the registration books maintained by Lessee.

Re: Equipment Lease/Purchase Agreement dated as of and effective July 6, 2022 by and between the State of New Hampshire (the "Lessee") and Banc of America Public Capital Corp (the "Lessor")

We have acted as Bond Counsel to the State of New Hampshire (the "State") in connection with its execution and delivery of that certain Equipment Lease/Purchase Agreement dated as of July 6, 2022, by and between the State (the "Lessee") and Banc of America Public Capital Corp (the "Lessor") and Exhibits thereto, including the Payment Schedule (the "Schedule" and collectively, the "Lease Agreement"), which, among other things, provides for the lease of certain property (the "Equipment") and a certain Escrow and Account Control Agreement dated as of July 6, 2022, by and between the Lessee, Lessor and Wilmington Trust, National Association (the "Escrow Agent") (the "Escrow Agreement" and together with the Lease Agreement, the "Contract").

As to questions of fact material to our opinion, we have examined copies of and relied upon the representations, certifications and covenants set forth in the Contract, the Tax Certificate for the State of New Hampshire Equipment Lease/Purchase Agreement, of even date herewith, executed and delivered by the State in connection with the issuance of the Contract, and such other proceedings and documents (each of which is assumed by us to be a true and correct copy) as we have deemed necessary to render this opinion, without undertaking to verify the same by independent investigation.

Based on the foregoing, we are of the opinion, under existing law, as follows:

1. The Lessee is a State of the United States.
2. The Lessee has the power and authority to execute and perform the Contract and to lease the Equipment from the Lessor.

3. The Contract has been duly authorized and executed and constitutes the legal, valid and binding obligation of the Lessee enforceable against the Lessee in accordance with its terms; provided that amounts due under the Schedule are subject to annual appropriation by the Lessee.

4. The interest component of the rental payments, as set forth in the Schedule (the "Rental Payments"), is excluded from gross income of the Lessor for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code"). In addition, the interest component of the Rental Payments is not a specific preference item for purposes of the federal individual alternative minimum tax. We note that the Code imposes various requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Contract and the Schedule. Failure to comply with these requirements may result in the interest component of the Rental Payments being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Schedule. The State has covenanted to comply with such requirements in order to ensure that the interest component of the Rental Payments will not be included in federal gross income. In rendering the opinions set forth above, we have assumed compliance with these covenants.

5. The interest component of the Rental Payments, as set forth in the Schedule, is exempt from the New Hampshire personal income tax on interest and dividends.

We express no opinion regarding federal or New Hampshire tax consequences of acquiring, holding or disposing of the Contract, Schedule and Rental Payments, other than as set forth above. We also have not expressed any opinion regarding the taxability of the Contract, Schedule or Rental Payments or the income therefrom or any other characteristics of the Contract, Schedule or Rental Payments under the laws of any other state.

This opinion is expressed as of the date hereof, and we neither assume nor undertake any obligation to update, revise, supplement or restate this opinion to reflect any action taken or omitted, or any facts or circumstances or changes in law or in the interpretation thereof, that may hereafter arise or occur, or for any other reason.

The rights of the Lessor and the enforceability of the Contract and the Schedule may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

EXHIBIT I

Escrow and Account Control Agreement

This Escrow and Account Control Agreement (this "Agreement"), dated as of July 6, 2022, by and among Banc of America Public Capital Corp, a Kansas corporation (together with its successors and assigns, hereinafter referred to as "Lessor"), State of New Hampshire, and Wilmington Trust, National Association, a national banking association organized under the laws of the United States of America (hereinafter referred to as "Escrow Agent").

Reference is made to that certain Equipment Lease/Purchase Agreement dated as of July 6, 2022 between Lessor and Lessee (hereinafter referred to as the "Lease"), covering the acquisition and lease of certain Equipment described therein (the "Equipment"). It is a requirement of the Lease that the Acquisition Amount (\$4,005,712.00) be deposited into a segregated escrow account under terms satisfactory to Lessor, for the purpose of fully funding the Lease, and providing a mechanism for the application of such amounts to the purchase of and payment for the Equipment.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Creation of Escrow Account.

(a) There is hereby created an escrow fund to be known as the "State of New Hampshire Escrow Account" (the "Escrow Account") to be held by the Escrow Agent for the purposes stated herein, for the benefit of Lessor and Lessee, to be held, disbursed and returned in accordance with the terms hereof.

(b) Lessee may, from time to time, provide written instructions for Escrow Agent to use any available cash in the Escrow Account to purchase any money market fund or liquid deposit investment vehicle that Escrow Agent from time to time makes available to the parties hereto. Such written instructions shall be provided via delivery to Escrow Agent of a signed and completed Escrow Account Investment Selection Form (such form available from Escrow Agent upon request). All funds invested by Escrow Agent at the direction of Lessee in such short-term investments (as more particularly described in Escrow Agent's Escrow Account Investment Selection Form) shall be deemed to be part of the Escrow Account and subject to all the terms and conditions of this Agreement. The Escrow Agent is hereby authorized and directed to sell or redeem any such investments as it deems necessary to make any payments or distributions required under this Agreement. The Lessee acknowledges that neither the Escrow Agent nor the Lessor is providing investment supervision, recommendations, or advice. If any cash is received for the Escrow Account after the cut-off time for the designated short-term investment vehicle, the Escrow Agent shall hold such cash uninvested until the next business day. In the absence of written instructions from Lessee (on Escrow Agent's Escrow Account Investment Selection Form) designating a short-term investment of cash in the Escrow Account, cash in the Escrow Account shall remain uninvested and it shall not be collateralized. Escrow Agent shall have no obligation to pay interest on cash in respect of any period during which it

remains uninvested. Lessee shall be solely responsible for ascertaining that all proposed investments and reinvestments are Qualified Investments and that they comply with federal, state and local laws, regulations and ordinances governing investment of such funds and for providing appropriate notice to the Escrow Agent for the reinvestment of any maturing investment. Accordingly, neither the Escrow Agent nor Lessor shall be responsible for any liability, cost, expense, loss or claim of any kind, directly or indirectly arising out of or related to the investment or reinvestment of all or any portion of the moneys on deposit in the Escrow Account, and Lessee agrees to and does hereby release the Escrow Agent and Lessor from any such liability, cost, expenses, loss or claim. Interest on the Escrow Account shall become part of the Escrow Account, and gains and losses on the investment of the moneys on deposit in the Escrow Account shall be borne by the Lessee. The Escrow Agent shall have no discretion whatsoever with respect to the management, disposition or investment of the Escrow Account. The Escrow Agent shall not be responsible for any market decline in the value of the Escrow Account and has no obligation to notify Lessor and Lessee of any such decline or take any action with respect to the Escrow Account, except upon specific written instructions stated herein. For purposes of this Agreement, "Qualified Investments" means any investments which meet the requirements of New Hampshire law.

(c) Unless the Escrow Account is earlier terminated in accordance with the provisions of paragraph (d) below, amounts in the Escrow Account shall be disbursed by the Escrow Agent in payment of amounts described in Section 2 hereof upon receipt of written instruction(s) from Lessor, as is more fully described in Section 2 hereof. If the amounts in the Escrow Account are insufficient to pay such amounts, Lessee shall provide any balance of the funds needed to complete the acquisition of the Equipment. Any moneys remaining in the Escrow Account on or after the earlier of (i) the expiration of the Acquisition Period or (ii) the date on which Lessee executes an Acceptance Certificate shall be applied as provided in Section 4 hereof.

(d) The Escrow Account shall be terminated at the earliest of (i) the final distribution of amounts in the Escrow Account, (ii) the date on which Lessee executes a Final Acceptance Certificate or (iii) written notice given by Lessor of the occurrence of an Event of Default under the Lease or termination of the Lease due to an Event of Non-appropriation. Notwithstanding the foregoing, this Agreement shall not terminate nor shall the Escrow Account be closed until all funds deposited hereunder have been disbursed.

(e) The Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine and may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument. The Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner of execution, or validity of any instrument nor as to the identity, authority, or right of any person executing the same; and its duties hereunder shall be limited to the receipt of such moneys, instruments or other documents received by it as the Escrow Agent, and for the disposition of the same in accordance herewith. Notwithstanding and without limiting the generality of the foregoing, concurrent with the execution of this Agreement, Lessee and Lessor, respectively, shall deliver to the Escrow Agent an authorized signers form in the form of Exhibit A-1 (Lessee) and Exhibit A-2 (Lessor) attached hereto. Notwithstanding the foregoing sentence, the Escrow Agent is authorized to comply with and rely upon any notices, instructions or other

communications believed by it to have been sent or given by the parties or by a person or persons authorized by the parties. The Escrow Agent specifically allows for receiving direction by written or electronic transmission from an authorized representative with the following caveat, Lessee, to the extent permitted by law, and Lessor agree to indemnify and hold harmless the Escrow Agent against any and all claims, losses, damages, liabilities, judgments, costs and expenses (including reasonable attorneys' fees) (collectively, "Losses") incurred or sustained by the Escrow Agent as a result of or in connection with the Escrow Agent's reliance upon and compliance with instructions or directions given by written or electronic transmission given by each, respectively, provided, however, that such Losses have not arisen from the gross negligence or willful misconduct of the Escrow Agent with regards to the execution of the instructions or directions in question, it being understood that forbearance on the part of the Escrow Agent to verify or confirm that the person giving the instructions or directions, is, in fact, an authorized person shall not be deemed to constitute gross negligence or willful misconduct.

In the event conflicting instructions as to the disposition of all or any portion of the Escrow Account are at any time given by Lessor and Lessee, the Escrow Agent shall abide by the instructions or entitlement orders given by Lessor without consent of the Lessee.

(f) Unless the Escrow Agent is guilty of gross negligence or willful misconduct with regard to its duties hereunder, Lessee agrees to and does hereby release and indemnify the Escrow Agent and its directors, officers, employees and agents and hold it harmless from any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity, or any other expense, fees or charges of any character or nature, which it may incur or with which it may be threatened by reason of its acting as Escrow Agent under this Agreement; and in connection therewith, does to the extent permitted by law indemnify the Escrow Agent against any and all expenses; including reasonable attorneys' fees and the cost of defending any action, suit or proceeding or resisting any claim.

(g) If Lessee and Lessor shall be in disagreement about the interpretation of the Lease, or about the rights and obligations, or the propriety of any action contemplated by the Escrow Agent hereunder, the Escrow Agent may, but shall not be required to, file an appropriate civil action including an interpleader action to resolve the disagreement. The Escrow Agent shall be reimbursed by Lessee for all costs, including reasonable attorneys' fees, in connection with such civil action, and shall be fully protected in suspending all or part of its activities under this Agreement until a final judgment in such action is received.

(h) The Escrow Agent may consult with counsel of its own choice and shall have full and complete authorization and protection with the opinion of such counsel. The Escrow Agent shall otherwise not be liable for any mistakes of fact or errors of judgment, or for any acts or omissions of any kind unless caused by its gross negligence or willful misconduct.

(i) The compensation fee for Escrow Agent's services under this Agreement is \$0.00. Lessee shall reimburse the Escrow Agent for all reasonable costs and expenses, including those of the Escrow Agent's attorneys, agents and employees incurred for non-routine administration of the Escrow Account, execution of the directions provided by the Lessee and Lessor and the performance of the Escrow Agent's powers and duties hereunder in connection with any Event of Default under the Lease, any termination of the Lease due to an Event of Non-

appropriation or in connection with any dispute between Lessor and Lessee concerning the Escrow Account.

The terms of this paragraph shall survive termination of this Agreement and/or the earlier resignation or removal of the Escrow Agent.(j) The Escrow Agent or any successor may at any time resign by giving mailed notice to Lessee and Lessor of its intention to resign and of the proposed date of resignation (the "Effective Date"), which shall be a date not less than 60 days after such notice is delivered to an express carrier, charges prepaid, unless an earlier resignation date and the appointment of a successor shall have been approved by the Lessee and Lessor. After the Effective Date, the Escrow Agent shall be under no further obligation except to hold the Escrow Account in accordance with the terms of this Agreement, pending receipt of written instructions from Lessor regarding further disposition of the Escrow Account.

(k) The Escrow Agent shall have no responsibilities, obligations or duties other than those expressly set forth in this Agreement and no implied duties responsibilities or obligations shall be read into this Agreement. The Escrow Agent shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Agreement, whether or not an original or a copy of such agreement has been provided to the Escrow Agent.

(l) The permissive rights of the Escrow Agent to do things enumerated in this Agreement shall not be construed as a duty and, with respect to such permissive rights, the Escrow Agent shall not be answerable for other than its gross negligence or willful misconduct.

(m) Nothing in this Agreement shall require the Escrow Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder.

(n) In no event shall the Escrow Agent be responsible or liable for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(o) In the event that any of the funds in the Escrow Account shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting the funds in the Escrow Account, the Escrow Agent is hereby expressly authorized to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. To the extent permitted by law, the Escrow Agent shall inform the Lessor and Lessee in writing about any such attachment, garnishment, levy, court order, judgment or decree within ten (10) business days of its receipt of any such attachment, garnishment, levy, court order, judgment or decree. In the event that the Escrow Agent obeys or complies with any such writ, order or decree, it shall not be liable to any of the other parties to this Agreement or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

2. Acquisition of Property.

(a) Acquisition Contracts. Lessee will arrange for, supervise and provide for, or cause to be supervised and provided for, the acquisition of the Equipment, with moneys available in the Escrow Account. Lessee represents the estimated costs of the Equipment are within the funds estimated to be available therefor, and Lessor makes no warranty or representation with respect thereto. Lessor shall have no liability under any of the acquisition construction contracts. Lessee shall obtain all necessary permits and approvals, if any, for the acquisition, equipping and installation of the Equipment, and the operation and maintenance thereof. Escrow Agent shall have no duty to inquire as to the performance or nonperformance of any provision of any other agreement, instrument, or document other than this Agreement or monitor or enforce Lessee's compliance with the foregoing covenant.

(b) Authorized Escrow Account Disbursements. It is agreed as between Lessee and Lessor that disbursements from the Escrow Account shall be made for the purpose of paying (including the reimbursement to Lessee for advances from its own funds to accomplish the purposes hereinafter described) the cost of acquiring the Equipment.

(c) Requisition Procedure. No disbursement from the Escrow Account shall be made unless and until Lessor has approved such requisition. Prior to disbursement from the Escrow Account there shall be filed with the Escrow Agent a requisition for such payment in the form of Disbursement Request attached hereto as Schedule 1, stating each amount to be paid and the name of the person, firm or corporation to whom payment thereof is due. All disbursements shall be made by wire transfer. The Escrow Agent is authorized to obtain and rely on confirmation of such Disbursement Request and payment instructions by telephone call-back to the person or persons designated for verifying such requests on Exhibit A-2 (such person verifying the request shall be different than the person initiating the request). The Lessor and Lessee hereby confirm that any call-back performed by Escrow Agent to verify a disbursement instruction pursuant to a Disbursement Request submitted pursuant to this Section 2(c) before release, shall be made to Lessor only and Escrow Agent shall have no obligation to call-back Lessee.

Each such Disbursement Request shall be signed by an authorized representative of Lessee (an "Authorized Representative") and by Lessor, and shall be subject to the following conditions, which Escrow Agent shall conclusively presume have been satisfied at such time as a requisition executed by Lessee and Lessor is delivered to it:

1. Delivery to Lessor of an executed Disbursement Request in the form attached hereto as Schedule 1; and
2. Delivery to Lessor of copies of invoices (and proofs of payment of such invoices, if Lessee seeks reimbursement) and bills of sale (if title to such Equipment has passed to Lessee) therefor as required by Section 3.04 of the Lease and any additional documentation reasonably requested by Lessor.

Lessee and Lessor agree that their execution of the form attached hereto as Schedule 1 and delivery of the executed form to Escrow Agent confirms that all of the requirements and conditions with respect to disbursements set forth in this Section 2 have been satisfied.

3. Deposit to Escrow Account. Upon satisfaction of the conditions specified in Section 3.04 of the Lease, Lessor will cause the Acquisition Amount to be deposited in the Escrow Account. Lessee agrees to pay any costs with respect to the Equipment in excess of amounts available therefor in the Escrow Account. The Escrow Agent shall not be liable for any amount in excess of the Acquisition Amount.

4. Excessive Escrow Account. Upon receipt of written instructions from Lessor including a representation that one of the following conditions has been satisfied (upon which representation Escrow Agent shall conclusively rely), any funds remaining in the Escrow Account on or after the earlier of (a) the expiration of the Acquisition Period or (b) the date on which Lessee executes an Acceptance Certificate, or upon a termination of the Escrow Account as otherwise provided herein, shall be distributed by the Escrow Agent to the Lessor in order for the Lessor to apply such funds to amounts owed by Lessee under the Lease in accordance with Section 4.07 of the Lease.

5. Security Interest. The Escrow Agent and Lessee acknowledge and agree that the Escrow Account and all proceeds thereof are being held by Escrow Agent for disbursement or return as set forth herein. Lessee hereby grants to Lessor a first priority perfected security interest in the Escrow Account, and all proceeds thereof, and all investments made with any amounts in the Escrow Account. If the Escrow Account, or any part thereof, is converted to investments as set forth in this Agreement, such investments shall be made in the name of Escrow Agent and the Escrow Agent hereby agrees to hold such investments as bailee for Lessor so that Lessor is deemed to have possession of such investments for the purpose of perfecting its security interest.

6. Control of Escrow Account. In order to perfect Lessor's security interest by means of control in (i) the Escrow Account established hereunder, (ii) all securities entitlements, investment property and other financial assets now or hereafter credited to the Escrow Account, (iii) all of Lessee's rights in respect of the Escrow Account, such securities entitlements,

investment property and other financial assets, and (iv) all products, proceeds and revenues of and from any of the foregoing personal property (collectively, the "Collateral"), Lessor, Lessee and Escrow Agent further agree as follows:

(a) All terms used in this Section 6 which are defined in the Commercial Code of the state of New Hampshire("Commercial Code") but are not otherwise defined herein shall have the meanings assigned to such terms in the Commercial Code, as in effect on the date of this Agreement.

(b) Escrow Agent will comply with all entitlement orders originated by Lessor with respect to the Collateral, or any portion of the Collateral, without further consent by Lessee.

(c) Provided that account investments shall be held in the name of the Escrow Agent, Escrow Agent hereby represents and warrants (a) that the records of Escrow Agent show that Lessee is the sole owner of the Collateral, (b) that Escrow Agent has not been served with any notice of levy or received any notice of any security interest in or other claim to the Collateral, or any portion of the Collateral, other than Lessor's claim pursuant to this Agreement, and (c) that Escrow Agent is not presently obligated to accept any entitlement order from any person with respect to the Collateral, except for entitlement orders that Escrow Agent is obligated to accept from Lessor under this Agreement and entitlement orders that Escrow Agent, subject to the provisions of paragraph (e) below, is obligated to accept from Lessee.

(d) Without the prior written consent of Lessor, Escrow Agent will not enter into any agreement by which Escrow Agent agrees to comply with any entitlement order of any person other than Lessor or, subject to the provisions of paragraph (e) below, Lessee, with respect to any portion or all of the Collateral. Escrow Agent shall promptly notify Lessor if any person requests Escrow Agent to enter into any such agreement or otherwise asserts or seeks to assert a lien, encumbrance or adverse claim against any portion or all of the Collateral.

(e) Except as otherwise provided in this paragraph (e) and subject to Section 1(b) hereof, Lessee may effect sales, trades, transfers and exchanges of Collateral within the Escrow Account, but will not, without the prior written consent of Lessor, withdraw any Collateral from the Escrow Account. Escrow Agent acknowledges that Lessor reserves the right, by delivery of written notice to Escrow Agent, to prohibit Lessee from effecting any withdrawals (including withdrawals of ordinary cash dividends and interest income), sales, trades, transfers or exchanges of any Collateral held in the Escrow Account. Further, Escrow Agent hereby agrees to comply with any and all written instructions delivered by Lessor to Escrow Agent (once it has had a reasonable opportunity to comply therewith) and has no obligation to, and will not, investigate the reason for any action taken by Lessor, the amount of any obligations of Lessee to Lessor, the validity of any of Lessor's claims against or agreements with Lessee, the existence of any defaults under such agreements, or any other matter.

(f) Lessee hereby irrevocably authorizes Escrow Agent to comply with all instructions and entitlement orders delivered by Lessor to Escrow Agent.

(g) Escrow Agent will not attempt to assert control, and does not claim and will not accept any security or other interest in, any part of the Collateral, and Escrow Agent will

not exercise, enforce or attempt to enforce any right of setoff against the Collateral, or otherwise charge or deduct from the Collateral any amount whatsoever.

(h) Escrow Agent and Lessee hereby agree that any property held in the Escrow Account shall be treated as a financial asset under such section of the Commercial Code as corresponds with Section 8-102 of the Uniform Commercial Code, notwithstanding any contrary provision of any other agreement to which Escrow Agent may be a party.

(i) Escrow Agent is hereby authorized and instructed, and hereby agrees, to send to Lessor at its address set forth in Section 8 below, concurrently with the sending thereof to Lessee, duplicate copies of any and all monthly Escrow Account statements or reports issued or sent to Lessee with respect to the Escrow Account.

7. Information Required Under USA PATRIOT ACT. The parties acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Agreement agree that they will provide to the Escrow Agent such information as it may request, from time to time, in order for the Escrow Agent to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

8. Miscellaneous. Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Lease. This Agreement may not be amended except in writing signed by all parties hereto. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original instrument and each shall have the force and effect of an original and all of which together constitute, and shall be deemed to constitute, one and the same instrument. Notices hereunder shall be made in writing and shall be deemed to have been duly given when personally delivered or when deposited in the mail, first class postage prepaid, or delivered to an express carrier, charges prepaid, or sent by facsimile with electronic confirmation, addressed to each party at its address below.

Notices and other communications hereunder may be delivered or furnished by electronic mail provided that any formal notice be attached to an email message in PDF format and provided further that any notice or other communication sent to an e-mail address shall be deemed received upon and only upon the sender's receipt of affirmative acknowledgement or receipt from the intended recipient. For purposes hereof no acknowledgement of receipt generated on an automated basis shall be deemed sufficient for any purpose hereunder or admissible as evidence of receipt.

If a court of competent jurisdiction declares any provision hereof invalid, it will be ineffective only to the extent of such invalidity, so that the remainder of the provision and Agreement will continue in full force and effect.
