and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division for Behavioral Health, to amend an existing **Sole Source** contract with QPR Institute, Inc. (VC# TBD), Spokane, Washington for Suicide Prevention "Train-the-Trainer" Training, by extending the completion date from August 31, 2020 to August 31, 2021 effective August 31, 2020 or upon Governor and Council approval, whichever is later with no change to the price limitation of \$15,505. 100% General Funds.

The original contract was approved by Governor and Council on March 31, 2020, item #7.

Funds are available in the following account for State Fiscal Years 2020 and 2021 with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

			<b>Total</b>	<b>\$15,505</b>	<b>\$0</b>	<b>\$15,505</b>

**EXPLANATION**

This request is **Sole Source** because the vendor is the only vendor able to provide the necessary services. QPR Institute provides the Question, Persuade, Refer Training, which is an evidence-based, work-specific program as identified in the 10 Year Mental Health Plan.

The purpose of this request is to extend the completion date for services that are to be provided in person as a result of COVID-19 social distancing and travel restrictions. The training is a one (1) full-day train-the-trainer event that will be scheduled with the Department when it is safe to present the in-person event.

Suicide rates in New Hampshire have risen over 48% since 1999 according to the Centers for Disease Control and Prevention. Department staff interact with thousands of vulnerable New Hampshire citizens daily and may also have some risks for suicide themselves. Most Department staff do not possess the tools necessary to recognize warning signs of suicide in themselves, their co-workers, or their clients. Department employees also lack training to refer potentially suicidal clients, family, or coworkers to the appropriate resources. QPR training will better equip Department employees to address suicidal ideation.

The selected training curriculum is nationally recognized and evidence-based. The primary objective is to save lives and reduce suicidal behaviors by providing innovative, practical and proven suicide prevention training. The Department believes that quality education empowers all people, regardless of their background, to make a positive difference in their own life or the life of someone they know. New Hampshire does not currently have a suicide prevention training for all staff, unlike other states.

The Department will monitor the effectiveness of the Contractor and the delivery of services under this agreement using the following performance measures:

- One hundred percent (100%) of participants demonstrate comprehension of the training material demonstrated in a post-training test developed and delivered by the Department.
- Participants demonstrate ninety percent (90%) participant satisfaction of training content and content delivery as measured by a satisfaction survey developed and delivered by the Department.

As referenced in Exhibit C-1, Revisions to Standard Contract Language, of the original contract, the parties have the option to extend the agreement for up to three (3) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for one (1) of the three (3) years available.

Should the Governor and Council not authorize this request, Department employees may not receive, or be able to give, the necessary support when facing suicidal ideation in themselves or in others.

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Office of the Commissioner, to enter into a **sole source** agreement with QPR Institute, Inc. (Vendor # TBD), 1116 S. Woodfern Street, Spokane, WA 99202, to provide Suicide Prevention "Train-the-Trainer" Training in an amount not to exceed \$15,505, effective upon Governor and Executive Council approval, whichever is later, through August 31, 2020 100% General Funds.

Funds to support this request are available in the following account for State Fiscal Years (SFY) 2020 and 2021 upon the availability and continued appropriation of funds in the future operating budget, with authority to adjust amounts within the price limitation and adjust encumbrances between state fiscal years through the Budget Office, if needed and justified.

2021	066-500555	Training/Educational Consultant	95202032	\$0
			<b>Total</b>	<b>\$15,505</b>

**EXPLANATION**

This request is **sole source** because QPR Institute is the only vendor who provides the Question Persuade Refer (QPR) Training, which is an evidence-based, work-specific program as identified in the 10 Year Mental Health Plan.

The purpose of this request is to provide one (1) full-day of QPR Suicide Prevention training as a train-the-trainer event. The 10-year mental health plan requires evidence-based suicide prevention training, as does the Suicide Prevention Integration Team charter. To accommodate this need, the Department intends to purchase a suicide prevention training program from QPR-Institute (QPR). QPR relies on the train-the-trainer model where select employees are trained to deliver a prepared one (1) hour QPR-created training program to other employees.

Suicide rates in New Hampshire have risen over 48% since 1999 according to the Centers for Disease Control and Prevention (CDC). Department staff interact with thousands of vulnerable New Hampshire citizens daily and may have some risks for suicide themselves as a result. Most Department staff do not possess the tools necessary to recognize warning signs of suicide in themselves, their co-workers, or their clients. Department employees also lack training to refer potentially suicidal clients, family, or coworkers to the appropriate resources. QPR training will address this skill and knowledge gap and will better equip Department employees to address issues of suicide.

The selected training curriculum is nationally recognized and evidence-based. The primary objective is to save lives and reduce suicidal behaviors by providing innovative, practical and proven suicide prevention training. The Department believes that quality education empowers all people, regardless of their background, to make a positive difference in their own life or the life of someone they know. New Hampshire does not currently have a suicide prevention training for all staff, unlike other states.

The Department will monitor the effectiveness of the Contractor and the delivery of services under this agreement using the following performance measures:

- One hundred percent (100%) of participants demonstrate comprehension of the training material demonstrated in a post-training test developed and delivered by the Department.
- Participants demonstrate ninety percent (90%) participant satisfaction of training content and content delivery as measured by a satisfaction survey developed and delivered by the Department.

As referenced in the Exhibit C-1 of this contract, the parties have the option to extend contract services for up to three (3) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. The extension is to allow for the vendor to potentially provide an online recertification training for the staff who were originally trained to become QPR trainers in the third year of the contract.

Should the Governor and Executive Council not authorize this request, Department employees may not receive, or be able to give, the necessary support when issues of suicide arise.

The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

#### 8. EVENT OF DEFAULT/REMEDIES.

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. AND OTHER RESPONSIBILITY MATTERS**

The Vendor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

New Hampshire Department of Health and Human Services  
Exhibit F

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
