EXPLANATION

NHDES, through the American Rescue Plan Act funds (ARPA) and the Drinking Water State Revolving Loan Fund (DWSRF) has offered the Town of Wolfeboro \$1,470,000 in a combination of grant and loan funds for needed water system improvements.

The Town will use the grant and loan funding to make water system improvements including the design and construct the rehabilitation/replacement of Water Treatment Plant (WTP) components that are at the end of their useful life. This includes the complete rehabilitation of the two Trident filter treatment units. Additionally, the project will evaluate other WTP equipment identified in the asset management that are nearing the end of their useful life including the replacement at the Pressure Reducing Valve (PRV) Station and equipment at the South Main Street Tank located. Scheduled SCADA equipment replacement and upgrades will be incorporated into the project. The project will improve water quality and reliability.

ARPA of 2021 is a \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Biden on March 11, 2021, to speed up the United States' recovery from the economic health effects of the COVID-19 pandemic and the resultant recession. The Act defines eligible uses of the state and local funding, including responding to public health emergencies, responding to workers performing essential work during the COVID-19 emergency, providing revenue relief to states and making investments in water, sewer, and broadband infrastructure. This is an allowable use of ARP FRF funds under Section 602 (c)(1)(D) to make necessary investments in water, sewer, or broadband infrastructure.

In accordance with the final rule from the US Treasury Department for water and wastewater infrastructure investments, project eligibility is aligned with the Environmental Protection Agency's Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving Fund (DWSRF). This project is an eligible DWSRF infrastructure project.

The final DWSRF loan amount will be based on the total DWSRF funds disbursed and may be less than \$735,000. The loan interest rate may be adjusted downward if the DWSRF loan rate in effect upon project completion is less than the current rate of 1.256% for 20 years. The town is eligible for principal forgiveness under the 2021 DWSRF Intended Use Plan. The amount of principal forgiveness will be determined when the aggregate principal amount is established, and the project is complete. There is currently a balance of \$48,840,786 in the DWSRF available for new loans. Attached is a tabulation of the DWSRF showing the effect of this loan on the funds available for loans.

In the event grant funds become no longer available, general funds will not be requested to support this program. This grant agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval of this item.

The Project is described in Exhibit A. The Loan Recipient shall abide by all of the requirements of RSA 486:14 and the Rules.

II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the State, in accordance with the terms of this Agreement, the principal sum of **Seven Hundred Thirty Five Thousand and 00/100 Dollars (\$735,000)** (Principal Sum) or such lesser amount as shall equal the aggregate of Disbursements made hereunder by the State to the Loan Recipient. In addition to the principal sum, the Loan Recipient agrees to pay the applicable interest accrued as described in Paragraphs IV, VI, and VIII. Federal financial assistance provided through the Drinking Water State Revolving Loan Fund Program (CFDA #66.468) may comprise all or a portion of the Principal Sum. Any Disbursement or other payment from the State to the Loan Recipient is contingent upon the availability of funds.

III. The Loan Recipient is eligible for the Disadvantaged System Program as outlined in Section 8 of the 2021 State of New Hampshire Drinking Water State Revolving Loan Fund Intended Use Plan. The amount

1 of principal forgiveness will be determined when the aggregate principal loan amount is established and
2 the project is complete and will be applied to the loan upon the initial repayment.

3
4 IV. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but not more
5 frequently than monthly, subject to the approval of the amount of each Disbursement by the State. The
6 State shall approve the amount requested if it determines that the costs covered by the request are
7 eligible under Env-Dw 1104.01, as applicable. Interest on each Disbursement shall accrue on the
8 outstanding principal balance from the date of the Disbursement at the rate of 1% per annum computed
9 on the basis of 30-day months and 360-day years until the date of Substantial Completion of the Project
10 or the date of Scheduled Completion, whichever is earlier. At the option of the Loan Recipient, such
11 interest may be paid (1) prior to the commencement of Loan repayment, (2) at the time of the first Loan
12 repayment, or (3) by adding the charges to the outstanding principal Loan balance so long as the Loan
13 Recipient's authority to borrow is not exceeded.

14
15 V. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the Loan
16 Recipient in a Supplemental Loan Agreement issued under and in accordance with the applicable
17 provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended and supplemented,
18 including the provisions of RSA 486:14. The Note shall be substantially in the form of Exhibit B.

25 payments shall commence within one year of the Substantial Completion date of the Project or the

1 Scheduled Completion date of the project, whichever is earlier. The Scheduled Completion date is hereby
2 determined to be **December 1, 2023**; however, should the project experience an excusable delay, an
3 extension may be granted by the Commissioner of the Department of Environmental Services upon
4 request in writing by the Loan Recipient. In no event shall Note payments commence later than ten years
5 from the effective date of this Agreement.

6
7 VIII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any part of
8 the outstanding principal or interest of the Note.

9
10 IX. In the event of a default in the full and timely remittance of any Note payment, any State Aid Grant
11 funds payable to the Loan Recipient under RSA 486:A may be offset against and applied to the payment
12 of any obligations that are due hereunder. The Loan Recipient agrees to be liable for all costs of collection,
13 legal expenses, and attorney's fees incurred or paid by the State in enforcing this Agreement or in
14 collecting any delinquent payments due hereunder.

15
16 X. No delay or omission on the part of the State in exercising any right hereunder shall operate as a waiver
17 of such right or of any other right under this Agreement. A waiver on any one occasion shall not be
18 construed as bar to any right and/or remedy on any future occasion.

19 XI. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all
20 applicable state and federal requirements contained in the Rules and applicable state and federal laws,
21 including those specific requirements outlined in Exhibit C.

6 or an authorized representative of either of the foregoing officials, or of the State of New Hampshire to
7 have access to and the right to:

8

10 that pertain to and involve transactions relating to this Agreement, the Construction Contract,

20 the parties hereto and only after approval of such amendment, waiver, or discharge by the Governor and
21 Executive Council.

22
23 XVI. This Agreement shall be construed in accordance with the laws of the State of New Hampshire and
24 is binding upon and inures to the benefit of the parties and their respective successors. The parties

1 hereto do not intend to benefit any third parties and, consequently, the Agreement shall not be

3
4 XII. The Loan Recipient acknowledges that by accepting the Loan it will be a sub-recipient of federal
5 financial assistance and, as such, subject to requirements of the federal Single Audit Act and subsequent
6 amendments (SAA). The Loan Recipient further acknowledges that, if the Loan Recipient expends more
