REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Hessel and Associates, LLC, Brattleboro, Vermont (vendor 209072), based on a single bid received in a low bid process, for a total fee of \$61,092.00, to provide business development training and resources to Disadvantaged Business Enterprise (DBE) firms, effective upon Governor and Council approval through June 30, 2016. 100% Federal funds.

Funding is contingent upon the availability and continued appropriation of funds for FY 2016 as follows:

Table with 2 columns: Account Number and Amount. Row 1: 04-96-96-963515-3054, FY 2016. Row 2: Consolidated Federal Aid. Row 3: 046-500464 General Consultants Non-Benefit, \$61,092.00

EXPLANATION

The Federal Highway Administration (FHWA) DBE Program was established in Title 49, Code of Federal Regulations, Part 26, to ensure nondiscrimination in the award and administration of DOT-assisted contracts in the Department's highway, transit and airport financial assistance programs. DBE firms are minority or women owned businesses that meet eligibility standards regarding ownership and control, personal net worth and business size. The NHDOT is required to remove barriers so that DBEs have an equal opportunity to compete for DOT-assisted contracts.

FHWA provides funding for supportive services programs to increase the capacity and improve overall business practices of DBEs pursuing work on transportation related highway construction projects. The NHDOT developed and submitted a Statement of Work (SOW) requesting supportive services funding for training and resources to meet the needs of the DBE Program. The SOW request was approved by FHWA and funds have been set aside for this specific purpose.

The goal of this DBE supportive services contract is to identify and provide business development assistance, training and resources to minority and women owned businesses (DBEs). The supportive services provided pursuant to this contract complement existing DBE Program functions and extend beyond the current capacity of the NHDOT Office of Federal Compliance.

In order to maximize bid participation, a solicitation of interest was advertised in the NH Sunday Newspaper, and mailed or emailed to individuals and businesses with the ability to provide the required services. Hessel and Associates, LLC submitted the only bid of \$61,092.00, which is 1% below estimate for the required services.

The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

A handwritten signature in cursive script that reads "William Cass".
