Authorize the New Hampshire Department of Environmental Services (DES) to award an Aquatic Resource Mitigation (ARM) Fund grant to The Nature Conservancy, Concord, NH (hereinafter "TNC") (Vendor Code #177785B002) in the amount of \$46,000 to acquire 1,013 acres of land located on East Conway Road, Conway effective upon G&C approval through December 31, 2015. 100% Aquatic Resource Mitigation Funds.

Funding is available in the account as follows:

Dept. Environmental Services, In-Lieu Wetland Mitigation, Grants – Non - Federal	

EXPLANATION

New Hampshire RSA 482-A:3 requires a wetland permit for any proposed project that involves dredging or filling of a wetland. Before a wetland permit is issued, applicants must show that the proposed project will avoid adverse impacts to wetlands and will minimize and provide compensation for those wetland impacts which are unavoidable.

The DES wetlands program adopted a set of mitigation rules that establish what is necessary for an applicant to provide for wetland compensation. The current department rules spell out ratios for wetland compensation that include creating a new wetland, restoring a former wetland site, or protecting a high-quality aquatic resource by preserving adjacent upland habitat. The newest improvement, begun in 2006, to the mitigation options is commonly referred to as an *in-lieu fee program*. This mitigation option is ideal for projects that have difficulty in locating an appropriate mitigation site. The Aquatic Resource Mitigation Fund (ARM) authorizes the collection of mitigation funds in lieu of other forms of wetland mitigation as part of a Wetlands Permit Application.

The Department issued the request for proposals for ARM Funds available in the Saco River watershed in April, 2013. One application was received and on November 12, 2013, DES announced the decision to fund the TNC project in the Saco River Watershed. The project proposed by TNC was recommended for funding by the ARM Fund Site Selection Committee. Attachment A lists the proposals received and Committee members involved in the decision. The review of the awards by the Army Corps of Engineers and the New Hampshire Wetland Council resulted in full support of the recommendations.

Her Excellency, Governor Margaret Wood Hassan
And the Honorable Council
Page 2 of 2

The ARM funds provided to TNC will be used to acquire 1,013 acres of land located on East Conway Road in Conway. The property consists of forty three acres of wetlands including a beaver flowage, black gum swamps, a rare natural plant community, and 6.5 miles of tributary streams that encompass nearly the entire Mason Brook watershed. The project area provides connectivity between protected lands and aquatic resources within the watershed as it is adjacent to the 3,500 acre Green Hills Preserve and will create a 6,500 acre block of protected land.

In the event that other funds no longer become available, general funds will not be requested to support this program. This agreement has been approved as to form, content, and execution by the Attorney General's Office.

We respectfully request your approval.

Thomas S. Burack, Commissioner

person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee of Subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
