His Excellency, Governor Christopher T. Sununu
and The Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTIONS

1) Authorize the New Hampshire Department of Environmental Services (NHDES) to enter into a grant agreement with the New Hampshire Lakes Association, Inc. (NH LAKES), Concord, New Hampshire (VC #166610 B0001), totaling \$261,000, for the purpose of aquatic invasive species prevention activities, effective upon Governor and Council approval through December 31, 2017. 100% Lakes Restoration Funds.

Funding is available in the account as follows:

	<u>FY 2017</u>
03-44-44-442010-1430-073-500581	\$261,000
Dept. Environmental Services, Lakes Restoration Program, Grants-Nonfederal	

2) Further authorize the NHDES to award an advance payment in the amount of \$90,000 to NH LAKES (VC #166610 B001) in accordance with the terms of the grant agreement, upon Governor and Council Approval. 100% Lake Restoration Program Funds.

EXPLANATION

The Milfoil and Other Exotic Plants Prevention Program was established in 2003. This grant program was established to prevent and control new infestations of exotic aquatic plants through grants to non-profit and municipal organizations, as well as other state agencies. Program funding originates from boat registration fees.

NHDES issued a Request for Proposals (RFP) for the Milfoil Prevention Grant Program and received two applications. The proposals were reviewed and approved by a committee comprised of a representative from the Department of Safety and the Jody Connor Limnology Center Director at NHDES. The proposals were reviewed based on the criteria included in the Management Plan for Milfoil Prevention Grants. Based on the review criteria, the NH Lakes project was selected for funding. See Attachment A for NH Lakes Budget estimate and Attachment B for Grant Ranking Scores and Review Team information.

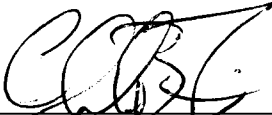

The purpose of the NH LAKES project is to prevent the introduction of aquatic invasive species into lakes and ponds in New Hampshire by continuing to expand and administer the Lake Host Program on public access sites throughout the state. This program has a proven track record of success, and since its inception in 2002, 1,534 saves have been catalogued (a save is when a Lake Host removes an identified piece of an invasive aquatic plant from a boat or trailer entering or leaving a waterbody). Organizations participating in the Lake Host Program will staff public access sites to conduct inspections of boats, trailers and other recreational gear as they enter and leave public waterbodies. Lake Hosts will also distribute pamphlets and other educational materials to lake recreationists and will record data on the numbers and types of recreational vessels visiting these access sites, as well as data on plants that may have been attached to recreational gear. NH Lakes will also do some work to scope the feasibility of boat wash stations in New Hampshire in the future.

NH LAKES is a non-profit organization with limited resources, and an advance payment of \$90,000 is requested as start-up costs for the proposed activities. NH LAKES is required to provide documentation of a 50% match toward the grant they receive. In past years their match levels have been much higher than 50%, and they are capable of and committed to obtaining the required match.

This program is 100% fee funded through the Lake Restoration Fund. In the event that fee funds become no longer available, General Funds will not be requested to support this program.

The agreements have been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

Clark B. Freise, Assistant Commissioner

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the

portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12.2 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4 Notwithstanding anything in this Agreement to the contrary, either the State or except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

13. **CONFLICT OF INTEREST.** No officer, member or employee of the Grantee and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

14. **GRANTEE'S RELATION TO THE STATE.** In the performance of this Agreement, the Grantee, its employees, and any subcontractor or subgrantee of the Grantee are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.

15. **ASSIGNMENT AND SUBCONTRACTS.** The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit A without the prior written consent of the State.

16. **INDEMNIFICATION.** The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee of Subcontractor, or subgrantee or other agent of the Grantee.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17. **INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

17.1.1 statutory workers' compensation and employees liability insurance for all employees engaged in the performance of the Project, and

17.1.2 comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$2,000,000 for bodily injury or death any one incident, and \$500,000 for property damage in any one incident; and

17.2 The policies described in subparagraph 18.1 of this paragraph shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice has been received by the State.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the
