REQUESTED ACTION

Authorize the Department of Resources and Economic Development to enter into a **SOLE SOURCE** contract with Warrenstreet Architects, Inc. (VC #221386), Concord, NH, in the amount of \$14,000 for architectural and engineering services for improvements to toilet and shower facilities in various state parks upon Governor and Executive Council approval through June 30, 2017. 100% Capital Funds

Funding is available as follows with the authority to adjust encumbrances in each of the State fiscal years through the Budget Office if needed and justified.

EXPLANATION

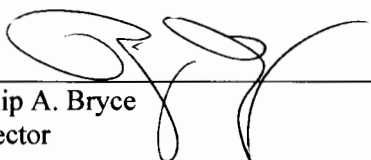

The Governor and Executive Council previously approved a contract with Barker Architects, Inc. (*now merged with Warrenstreet Architects, Inc.*) on October 2, 2013, Item #50, to provide architectural and engineering services for improvements to toilet and shower facilities in various state parks through June 30, 2017. The scope of work comprised of improvements to 5 existing state park toilet buildings and complete replacement of the toilet building at Monadnock State Park. However after the contract was approved and work started the designs for two of the toilet buildings changed substantially. The decision was made at Jericho Mountain State Park to replace the existing bathhouse instead of renovating the existing structure; and at Monadnock State Park, to equip the new toilet building with composting toilets instead of standard flush toilets so that the building can remain in operation throughout the winter to serve the increasing number of winter hikers.

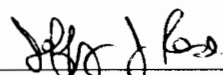

A new contract is being requested rather than amendment because the Department missed the opportunity to amend the prior contract before the expiration date. Therefore, we are now requesting **sole source** approval to enter into a new contract with Warrenstreet Architects, Inc. in order to build on the services already provided and complete the additional architectural and engineering services needed for the 2 projects noted-above.

The Attorney General's office has reviewed and approved this contract as to form, substance and execution.

Respectfully submitted,

Concurred,

Philip A. Bryce
Director

Jeffrey J. Rose
Commissioner

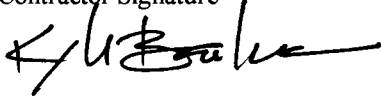

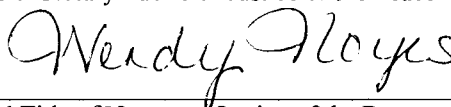

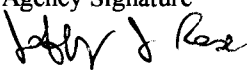

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.
