**DEPARTMENT OF TRANSPORTATION**

*Victoria F. Sheehan*  
 Commissioner

*William Cass, P.E.*  
 Assistant Commissioner

Bureau of Bridge Design  
 October 21, 2019

His Excellency, Governor Christopher T. Sununu  
 and the Honorable Council  
 State House  
 Concord, New Hampshire 03301

**REQUESTED ACTION**

The Department of Transportation requests placing this item on the Consent Calendar.

Authorize the Department of Transportation to amend Contract #5000576 with Vanasse Hangen Brustlin, Inc., Vendor #174584, to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington, by extending the completion date from December 31, 2019 to May 31, 2020, effective upon Governor and Council approval. The original Agreement was approved by Governor and Council on August 26, 2015, Item #30. Time extension only, no new funding.

**EXPLANATION**

On August 26, 2015, the Governor and Council authorized the subject engineering and environmental services Agreement (Item #30; copy of Resolution attached) in the amount of \$291,531.41 to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. This 1930's 9-span structure (6 steel deck truss approach spans and a 3-span steel through-truss deck arch) has a total length of 1,585 feet. It has been on the Red List since 1990 and is currently closed to all traffic due to its deteriorated condition. This project is currently included in the State's Ten-Year Transportation Improvement Plan (Newington-Dover, 11238S).

On June 6, 2018, the Governor and Council authorized a fee increase and time extension amendment to the Agreement (Item #53; copy of Resolution attached) in the amount of \$754,310.22 (from \$291,531.41 to \$1,045,841.63) for the expanded scope of work for the Type, Size and Location (TS&L) evaluation and environmental coordination for the General Sullivan Bridge. The completion date was amended from December 31, 2018 to June 30, 2019.

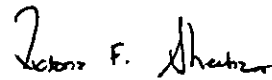

There were two earlier and one subsequent time extension amendments. The first time extension amendment extended the original completion date of December 31, 2016 to December 31, 2017, and was approved by Governor and Council on December 21, 2016 (Item #5H; copy of Resolution attached). The second time extension amendment extended the completion date to December 31, 2018, and was approved by Governor and Council on October 25, 2017 (Item #5A; copy of Resolution attached). The fourth time extension amendment extended the completion date to December 31, 2019, and was approved by Governor and Council on June 5, 2019 (Item #5D; copy of Resolution attached).

The purpose of this time extension amendment is to allow the consultant sufficient time to complete the Section 106 Consultation and issue a Supplemental Environmental Impact Statement (SEIS). Of the previously-amended \$1,045,841.63 amount for this contract, there is a balance of approximately \$286,500.00 remaining (100% Turnpike Funds).

This amended Agreement has been approved by the Attorney General as to form and execution. Copies of the fully-executed amended Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to amend this Agreement for consulting services as outlined above.

Sincerely,

Victoria F. Sheehan  
Commissioner

Mr. Peter J. Walker  
Project Manager  
Vanasse Hangen Brustlin, Inc.  
2 Bedford Farms Drive, Suite 200  
Bedford, NH 03110-6532

Dear Mr. Walker:

This letter amends Article I, Section G (Date of Completion) for the above-noted Agreement. The original and amended dates are as follows:

Original Completion Date	December 31, 2016
Amended to	December 31, 2017
Amended to	December 31, 2018
Amended to	June 30, 2019
Amended to	December 31, 2019
By this letter, amended to	May 31, 2020

This no-additional-cost change order for the extension is as requested by your letter dated September 26, 2019.

This amendment becomes effective upon approval by the Governor and Council.

Sincerely,

Keith A. Cota, P.E.  
Chief Project Manager

Approved:

Peter E. Stamnas, P.E.  
Director of Project Development

We concur in the above Amendment.

THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

30

WILLIAM CASS, P.E.  
ASSISTANT COMMISSIONER

Bureau of Bridge Design  
July 14, 2015

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Transportation to enter into an Agreement with Vanasse Hangen Brustlin, Inc., Vendor #174584, for a total amount not to exceed \$291,531.41, to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington, effective upon Governor and Council approval, through December 31, 2016. 100% Turnpike Funds.

Funds to support this request are anticipated to be available in the following accounts in State FY 2016 and State FY 2017 upon the availability and continued appropriation of funds in the future operating budget, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified:

	<u>FY 2016</u>	<u>FY 2017</u>
04-96-96-961017-7514		
Spaulding Turnpike Expansion		
046-500463 Eng Consultants Non-Benefits	\$200,000.00	\$91,531.41

**EXPLANATION**

The Department requires professional engineering services to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. This 1930's 9-span structure (6 steel deck truss approach spans and a 3-span steel through-truss deck arch) has a total length of 1,585 feet. It has been on the Red List since 1990 and is currently limited to only pedestrian and bicycle traffic, with Span 7 having a load limit capacity of only 12 persons. This project is currently included in the State's Ten-Year Transportation Improvement Plan (Newington - Dover I1238S).

On November 20, 2013, the Governor and Council authorized the Part A Agreement (Item #122 copy attached) for the In-depth Structural Inspection and Bridge Load Rating of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. The Department reserved the right to either negotiate a scope and fee for the Part B preliminary design services or terminate the contract. Since the firm of Vanasse Hangen Brustlin, Inc. satisfactorily completed the Part A (inspection and rating) services for this project, the Department proposes to continue with this firm to perform the Part B (preliminary design) effort. The Department reserves the right to either negotiate a scope and fee for Part C (final design), or terminate the contract with Vanasse Hangen Brustlin, Inc.

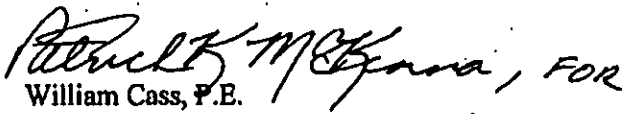

The Part B preliminary design services include developing cost analyses for both capital costs and long-term maintenance costs for the proposed bridge rehabilitation option and a possible bridge replacement option that maintain the current pedestrian/recreational crossing; completing all environmental efforts for documentation needed to comply with the National Environmental Policy Act (NEPA), including Cultural Resource investigations in accordance with Section 106 of the National Historic Preservation Act, and the identification of any permitting requirements; providing paint analysis of existing bridge supports; and assisting the Department with the public involvement process.

Vanasse Hangen Brustlin, Inc. has agreed to furnish the required services for a total fee not to exceed \$291,531.41. This is a reasonable fee and is commensurate with the complexity of the project and the scope of engineering and technical services to be furnished.

This Agreement has been approved by the Attorney General as to form and execution. The Department has verified that the necessary funds are available. Copies of the fully-executed Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to enter into an Agreement for consulting services as outlined above.

Sincerely,

  
William Cass, P.E.  
Assistant Commissioner

Bureau of Bridge Design  
November 15, 2016

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

The Department of Transportation requests placing this item on the Consent Calendar.

Authorize the Department of Transportation to amend an agreement with Vanasse-Hangen Brustlin, Inc., Vendor #174584, to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington, by extending the completion date from December 31, 2016 to December 31, 2017, effective upon Governor and Council approval. The original Agreement was approved by Governor and Council on August 26, 2015, Item #30. Time extension only, no new funding.

**EXPLANATION**

The purpose of this engineering and environmental consultant services Agreement is to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. This 1930's 9-span structure (6 steel deck truss approach spans and a 3-span steel through-truss deck arch) has a total length of 1,585 feet. It has been on the Red List since 1990 and is currently limited to only pedestrian and bicycle traffic, with Span 7 having a load limit capacity of only 12 persons. This project's engineering phase is currently included in the State's Ten-Year Transportation Improvement Plan (Newington-Dover 11238S).

This amendment to the Agreement is to extend the contract's original completion date to allow the consultant sufficient time to collaborate with project stakeholders and accommodate potential National Historic Preservation Act Section 106 efforts in order to complete the preliminary design phase of this project. Of the original \$291,531.41 amount for this contract, there is a balance of approximately \$139,500 remaining (100% Turnpike Funds).

This amended Agreement has been approved by the Attorney General as to form and execution. Copies of the fully-executed amended Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to amend this Agreement for consulting services as outlined above.

Sincerely,

Victoria F. Sheehan  
Commissioner

and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Bridge Design  
September 11, 2017

REQUESTED ACTION

The Department of Transportation requests placing this item on the Consent Calendar.

Authorize the Department of Transportation to amend an agreement with Vanasse Hangen Brustlin, Inc., Vendor #174584, to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington, by extending the completion date from December 31, 2017 to December 31, 2018, effective upon Governor and Council approval. The original Agreement was approved by Governor and Council on August 26, 2015, Item #30. Time extension only, no new funding.

EXPLANATION

The purpose of this engineering and environmental consultant services Agreement is to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. This 1930's 9-span structure (6 steel deck truss approach spans and a 3-span steel through-truss deck arch) has a total length of 1,585 feet. It has been on the Red List since 1990 and is currently limited to only pedestrian and bicycle traffic, with Span 7 having a load limit capacity of only 12 persons. This project's engineering phase is currently included in the State's Ten-Year Transportation Improvement Plan (Newington-Dover 11238S).

This amendment to the Agreement is to extend the contract's previously-amended completion date to allow the consultant sufficient time to reassess the environmental commitments under Section 106, collaborate with project stakeholders, seek adjustments to Section 4(f), and complete the preliminary design phase of this project. Of the original \$291,531.41 amount for this contract, there is a balance of approximately \$107,000 remaining (100% Turnpike Funds). The previous time extension amendment extended the original completion date of December 31, 2016 to December 31, 2017, and was approved by Governor and Council on December 21, 2016, Item #5H.

This amended Agreement has been approved by the Attorney General as to form and execution. Copies of the fully-executed amended Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to amend this Agreement for consulting services as outlined above.

Sincerely,

Victoria F. Sheehan  
Commissioner

Victoria F. Sheehan  
Commissioner

THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

G+C #53  
Date 6/6/18

William Cass, P.E.  
Assistant Commissioner

Bureau of Bridge Design  
March 29, 2018

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Transportation to amend Contract #5000576, with Vanasse Hangen Brustlin, Inc., Bedford, NH, Vendor #174584, to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington, by increasing the total amount payable by \$754,310.22 (from \$291,531.41 to \$1,045,841.63) for additional design services that were not anticipated in the original scope of work, effective upon Governor and Council approval. 100% Turnpike Funds.

Funds to support this request are available in the following account in State FY 2018 and FY 2019, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified:

	FY 2018	FY 2019
04-96-96-961017-7514 Spaulding Turnpike Expansion		
046-500463 Eng Consultants Non-Benefits	\$70,000.00	\$684,310.22

2. Further, authorize to amend the contract's completion date from December 31, 2018 to June 30, 2019, effective upon Governor and Council approval.

EXPLANATION

On August 26, 2015, the Governor and Council authorized the subject engineering and environmental services Agreement (Item #30; copy of Resolution attached) in the amount of \$291,531.41 to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. This 1930's 9-span structure (6 steel deck truss approach spans and a 3-span steel through-truss deck arch) has a total length of 1,585 feet. It has been on the Red List since 1990 and is currently limited to only pedestrian and bicycle traffic. This project is currently included in the State's Ten-Year Transportation Improvement Plan (Newington-Dover, 11238S).

This amendment to the Agreement involves the expanded scope of work for the Type, Size and Location (TS&L) evaluation and environmental coordination for the General Sullivan Bridge. The preliminary TS&L and life cycle cost analysis completed to date have concluded that there is a need to formally re-evaluate the commitments made under the original Newington-Dover, 11238 environmental documentation for the bridge rehabilitation undertaken in a Final Environmental Impact Statement (FEIS) as required by the National Environmental Policy Act of 1969 (NEPA). On August 17, 2017, the Department requested through the Federal Highway Administration (FHWA) to re-open the NEPA process and re-evaluate the reasonable range of alternatives, beyond the rehabilitation alternative, included in the original FEIS. In discussions with FHWA, the re-evaluation process was refined to include only the preparation of a supplemental EIS relative to the rehabilitation of the General Sullivan Bridge in compliance with 23 CFR 771.130. This process requires:

- Coordination with participating agencies and consulting parties,
- Re-evaluation of the area of potential effect for historic resources,
- New alternative screening,

- Constructability reviews,
- Environmental impact evaluations,
- Public outreach, and
- Formal development of a Supplemental EIS (SEIS) and Federal Record of Decision (ROD) consistent with NEPA requirements.

While limited scope was included within Part "B" agreement to address this work, the effort exceeds the original scope and budget. This supplemental contract fee addresses the scope to support and produce the SEIS to address pedestrian and bicycle access and including:

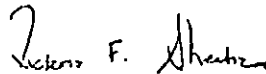

- Update of the shoreland and water resource mapping,
- Update of the 2005 cultural resource surveys and project area form,
- Hazardous materials site characterization,
- Pedestrian and bicycle counts (for the spring/summer of 2018),
- Development of alternatives (expanded TS&L),
- Constructability review,
- Update of impact assessments based upon the preferred alternative,
- Public outreach,
- Development of the draft EIS (with a Section 4(f) evaluation pursuant to the US Department of Transportation Act of 1966), final SEIS and supplemental ROD, and
- A supplemental safety inspection of the General Sullivan Bridge due to its continual deterioration.

Also included in this amendment is an extension of the contract's previously-amended completion dates to allow the consultant sufficient time to complete the additional work for the preliminary design phase of this project. The first time extension amendment extended the original completion date of December 31, 2016 to December 31, 2017, and was approved by Governor and Council on December 21, 2016, Item #5H. The second time extension amendment extended the completion date to December 31, 2018, and was approved by Governor and Council on October 25, 2017, Item #5A.

This amended Agreement has been approved by the Attorney General as to form and execution. Copies of the fully-executed amended Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to amend this Agreement for consulting services as outlined above.

Sincerely,

Victoria F. Sheehan  
Commissioner

March 28, 2018

Mr. Peter J. Walker
Project Manager
Vanasse Hangen Brustlin, Inc.
2 Bedford Farms Drive, Suite 200
Bedford, NH 03110-6532

Dear Mr. Walker:

This letter amends the Table of Contents, Article I, and Article II in the above-referenced Agreement.

The Table of Contents is being amended to add Attachment B – Scope of Work for Supplemental Environmental Impact Statement and Section 4(f) Evaluation, Vanasse Hangen Brustlin, Inc., dated January 30, 2018.

Portions of Article I are being amended by Attachment B.

Article I, Section G (Date of Completion) is being amended to extend the date of completion. The extension of time is as requested by Vanasse Hangen Brustlin, Inc. in their letter dated March 15, 2018. The original and amended dates are as follows:

Table with 2 columns: Original Completion Date, Amended to, Amended to, By this letter, amended to. Corresponding dates: December 31, 2016, December 31, 2017, December 31, 2018, June 30, 2019.

Article II, Section A (General Fee) is being amended to increase the total amount payable under this Agreement by \$754,310.22 as payment for additional design services by Vanasse Hangen Brustlin, Inc. for work associated with producing the Supplemental Environmental Impact Statement [with Section 4(f)] to address pedestrian and bicycle access, and also a supplemental safety inspection of the General Sullivan Bridge due to its continual deterioration. This work effort is described in detail in Attachment B.

The portion of Article II, Section A (General Fee) specifying the maximum direct-labor rate is being amended to read as follows:

\*In accordance with DEPARTMENT policy, the maximum direct-labor rate allowed for all positions under this AGREEMENT shall be \$50.00 \$60.00 per hour unless a waiver to the salary cap has been specifically approved for specialty services.

The portion of Article II, Section A (General Fee) specifying the dates for the fee and manhour estimates is being amended to read as follows:

“The total amount to be paid under this AGREEMENT shall not exceed \$1,045,841.63, the sum of the amounts shown in Article II, Section B (which amount is based on the CONSULTANT’S fee and manhour estimates of July 2, 2015 and January 30, 2018),...”

Furthermore, this fee increase revises the amounts in Article II, Section B (Summary of Fees) as follows:

- Increases the estimated amount of (a) actual CONSULTANT'S salaries, costs applicable to actual salaries, salary burden (direct and indirect) and administrative costs attributable to overhead by \$639,790.60, from \$131,985.73 to \$771,776.33.
- Revises the salary burden and overhead cost rate for billing purposes from 161.97% to 157.93%.
- Increases the amount of (b) fixed fee to cover profit and non-reimbursed costs by \$63,979.06, from \$13,198.58 to \$77,177.64.
- Increases the estimated amount of (c) reimbursement for direct, out-of-pocket expenses by \$74,090.00, from \$4,635.00 to \$78,725.00.
- Decreases the estimated amount of (d) reimbursement for actual cost of subconsultant HDR Engineering, Inc. by \$23,549.44, from \$129,185.62 to \$105,636.18.
- Does not change the estimated amount of (d) reimbursement for actual cost of subconsultant KTA Tator, Inc., which remains at \$12,526.48.

Also, the first sentence in paragraph 1 of Article II, Section C (Limitation of Costs) is being amended to read as follows:

"Costs incurred against this AGREEMENT shall not exceed \$1,045,841.63, unless otherwise authorized."

The above additional work revises the total amount payable under this Agreement, which increases by \$754,310.22, from \$291,531.41 to \$1,045,841.63 by this amendment.

This amendment becomes effective upon approval by the Governor and Council.

Sincerely,

  
 Keith A. Cota, P.E.  
 Chief Project Manager

Approved:   
 Peter E. Stamnas, P.E.

Date 6-5-19

William Cass, P.E.  
Assistant Commissioner

Bureau of Bridge Design  
April 15, 2019

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

REQUESTED ACTION

The Department of Transportation requests placing this item on the Consent Calendar.

Authorize the Department of Transportation to amend Contract #5000576 with Vanasse Hangen Brustlin, Inc., Vendor #174584, to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington, by extending the completion date from June 30, 2019 to December 31, 2019, effective upon Governor and Council approval. The original Agreement was approved by Governor and Council on August 26, 2015, Item #30. Time extension only, no new funding.

EXPLANATION

On August 26, 2015, the Governor and Council authorized the subject engineering and environmental services Agreement (Item #30; copy of Resolution attached) in the amount of \$291,531.41 to study and prepare preliminary engineering plans for the rehabilitation or replacement of the General Sullivan Bridge (Br. No. 200/023) carrying pedestrian and recreational traffic over Little Bay between the City of Dover and the Town of Newington. This 1930's 9-span structure (6 steel deck truss approach spans and a 3-span steel through-truss deck arch) has a total length of 1,585 feet. It has been on the Red List since 1990 and is currently closed to all traffic due to its deteriorated condition. This project is currently included in the State's Ten-Year Transportation Improvement Plan (Newington-Dover, 11238S).

On June 6, 2018, the Governor and Council authorized a fee increase and time extension amendment to the Agreement (Item #53; copy of Resolution attached) in the amount of \$754,310.22 (from \$291,531.41 to \$1,045,841.63) for the expanded scope of work for the Type, Size and Location (TS&L) evaluation and environmental coordination for the General Sullivan Bridge. The completion date was amended from December 31, 2018 to June 30, 2019.

There were two earlier time extension amendments. The first time extension amendment extended the original completion date of December 31, 2016 to December 31, 2017, and was approved by Governor and Council on December 21, 2016 (Item #5H; copy of Resolution attached). The second time extension amendment extended the completion date to December 31, 2018, and was approved by Governor and Council on October 25, 2017 (Item #5A; copy of Resolution attached).

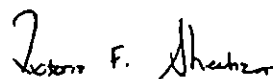

The purpose of this time extension amendment is to allow the consultant sufficient time to complete the Section 106 Consultation and issue a Supplemental Environmental Impact Statement (SEIS). Target dates for project milestones consist of presentation of draft SEIS in June/July 2019 with final SEIS in

August/September 2019. Of the previously-amended \$1,045,841.63 amount for this contract, there is a balance of approximately \$420,000.00 remaining (100% Turnpike Funds).

This amended Agreement has been approved by the Attorney General as to form and execution. Copies of the fully-executed amended Agreement are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

It is respectfully requested that authority be given to amend this Agreement for consulting services as outlined above.

Sincerely,

Victoria F. Sheehan  
Commissioner

Vanasse Hangen Brustlin, Inc.  
2 Bedford Farms Drive, Suite 200  
Bedford, NH 03110-6532

Dear Mr. Walker:

This letter amends Article I, Section G (Date of Completion) for the above-noted Agreement. The original and amended dates are as follows:

Original Completion Date	December 31, 2016
Amended to	December 31, 2017
Amended to	December 31, 2018
Amended to	June 30, 2019
By this letter, amended to	December 31, 2019

This no-additional-cost change order for the extension is as requested by your letter dated April 5, 2019.

This amendment becomes effective upon approval by the Governor and Council.

Sincerely,

Keith A. Cota, P.E.  
Chief Project Manager

Approved:

Peter E. Stannas, P.E.  
Director of Project Development

We concur in the above Amendment.
