**REQUESTED ACTION**

Authorize the New Hampshire Department of Transportation (NHDOT) to enter into a contract with RND Consultants, Inc., Boston, Massachusetts (vendor #309043) based on a bid received in a low bid process, for a total fee of \$44,577.00 to provide business development training and resources to Disadvantaged Business Enterprise (DBE) firms, effective upon Governor and Council approval, through September 30, 2020. RND Consultants, Inc. was the low bidder out of 4 bids received. 100% Federal funds.

Funding to support this request is available in the following accounts in State FY 2020 and State FY 2021, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified:

	<u>FY 2020</u>	<u>FY 2021</u>
04-96-96-963515-3054 Consolidated Federal Aid		
046-500464 General Consultants Non-Benefit	\$33,432.00	\$11,145.00

**EXPLANATION**

The Federal Highway Administration (FHWA) DBE Program was established in Title 49, Code of Federal Regulations, Part 26, to ensure nondiscrimination in the award and administration of US Department of Transportation (DOT) assisted contracts in the Department's highway, transit and airport financial assistance programs. DBE firms are minority or women owned small businesses that meet certification standards regarding ownership, control, personal net worth and business size. NHDOT is required to administer a DBE program and ensure DBEs have an equal opportunity to compete for work on DOT-assisted contracts.

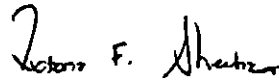

FHWA allocates funding for state DBE supportive service (DBE/SS) programs to provide training and resources to increase the capacity and improve business practices of DBEs pursuing work on transportation related highway projects. FHWA also requires state DOTs to establish a Business Development Program (BDP) to assist firms in gaining the ability to compete successfully in the marketplace outside the DBE program. The supportive services provided pursuant to this contract complement existing DBE program functions and extend beyond the current capacity of NHDOT. Funding for this contract has been approved by FHWA for this specific purpose.

In order to maximize bid participation, a solicitation of interest was posted to DOT's website and also emailed to individuals and businesses with the ability to provide the required services. Out of four bidders, RND Consultants, Inc submitted a low bid of \$44,577.00, which is below NHDOT's estimate for required services.

The NHDOT has prequalified the contractor and verified that the necessary funds are available. The contract has been approved by the Attorney General as to form and execution. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

The Department of Transportation respectfully requests Governor and Council approval of this contract.

Sincerely,

A handwritten signature in black ink, appearing to read "Victoria F. Sheehan". The signature is written in a cursive style with a large initial "V".

Victoria F. Sheehan  
Commissioner
