14.5 **Assignment to CDFA and Payment of Expenses and Costs.** Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage or security obligations or in curing any Event of Default thereunder.

15.5 CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of or for the Grantee or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.7.3 The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

"Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in OMB 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of Project construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. ## 2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

### 2.1 Project Description.

The project shall consist of the awarding of \$500,000 in Community Development Block Grant ("CDBG") funds to the Town of Ashland (DUNS #04-025-4864) (the "Grantee"). \$475,000 of which is to be subgranted to Laconia Area Community Land Trust, Inc. d/b/a Lakes Region Community Developers (DUNS #86-862-8025), (the "Subrecipient"). ### 2.2 Benefit to Low- and Moderate- Income Households.

The general purpose of the project is to principally benefit Low- and Moderate-Income Households as that term is defined in the Grant Agreement: as referenced in NH Chapter 300 Cdfa CDBG Rules, and as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD's "low- and moderate-income levels" for its various programs and is updated on an annual basis. The most current HUD Income Limits may be found at CDFA's website at [www.nhcdfa.org](http://www.nhcdfa.org)

### 2.3 Grant of Funds/Matching Funds.

2.3.1 Subrecipient shall use the Grant funds subgranted to it solely for the purposes described herein and consistent with the required terms and conditions of the Grant Agreement and Subrecipient Agreement.

2.3.2 Subrecipient shall be subgranted a total of \$475,000 of the CDBG funds, which the Subrecipient shall utilize for the Project in order to carry out the Project Activity.

## 3. SUBRECIPIENT REQUIREMENTS.

3.1 Compliance with Laws. Subrecipient shall comply with all applicable federal, state and local laws, statutes, executive orders and rules as they relate to the application, acceptance and use of funds for this Project, including, but not limited to, the requirements as specified in the Grant Agreement.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Agreement and provided there shall exist no Event of Default under this Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Disbursement of grant funds shall be in accordance with the terms of the Grant Agreement, including Exhibit B.

Disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any

accounts receivable attributable to the use of CDBG funds.

3.3 Security. Prior to approval by CDFA of any construction contract for the Project, Subrecipient shall provide Grantee a mortgage lien in the amount of \$475,000 (the "Mortgage") on the property and improvements located at Winona Road, Ashland, New Hampshire (the "Property"), or other form of security acceptable to CDFA, as set forth in Exhibit A. Grantee shall submit to CDFA satisfactory evidence of such recording.

The mortgage lien or alternative security shall provide for the recovery by Grantee, on behalf of CDFA, of the total CDBG funds expended on this Project in the event that the low- and moderate-income benefit as defined herein is not maintained for the required twenty-year period commencing upon the completion of the Project.

#### 4. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS.

4.1 Subrecipient shall covenant and warrant that ninety-seven percent (97%) of the households in the Project Property at the completion of the Project shall be occupied by Low- and Moderate-Income Persons as that term is defined in Administrative Rules Cdfa 302.32 and 302.33.

4.2 At time of Grantee's submission of the Closeout Report to CDFA as provided in Exhibit A of the Grant Agreement, Subrecipient shall certify the number of households at the Project Property are occupied by Low- and Moderate-Income Persons and are benefiting as a result of this Project. Subrecipient shall, for closeout purposes only, gather information on those groups deemed as "Protected" by HUD and required for reporting on the "Periodic Progress Report" as provided in the most current edition of the "CDBG Implementation Guide."

4.3 Subrecipient shall further covenant and warrant that the Property shall remain in use as residential property and shall be made available to Low- and Moderate-Income Persons for a period of twenty (20) years following completion of the Project (the "Benefit Period") and that Subrecipient has and will continue in its Bylaws or other administrative provisions an adequate administrative capacity to ensure that this benefit is maintained for said period. This covenant shall survive the expiration or termination of this Agreement.

4.4 In the event that Subrecipient grants, conveys, leases or otherwise transfers its interests in the Property, Subrecipient shall include a clause in such deed, lease or similar transfer instrument whereby the other party, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration therefore, covenants and agrees, as a covenant running with the land, that the property shall continue to be used as residential property and shall continue to be made available to Low- and Moderate-Income households for the remainder of the Benefit Period.

4.5 Subrecipient shall not sell, lease, encumber, otherwise transfer, or dispose of any part of its title or other interests in the Property, for the duration of the terms, conditions, and assurances in this Agreement, without the approval of Grantee.

#### 5. SCHEDULE.

5.1 Implementation Schedule. The Grantee and Subrecipient have agreed to an Implementation Schedule, which will provide for the completion of all grant activities, prior to the Grant Completion Date. A schedule of major milestones shall be provided within the Subrecipient Agreement, and shall serve as a basis for enforcement of the Agreement.

Subrecipient shall, at its sole expense, obtain and maintain in force insurance in such amounts and covering such risks as are customary for entities engaged in the same or similar business to include, where applicable, comprehensive general liability covering any property development/construction activities and landlord insurance. At a minimum, this shall include insurance against all claims of bodily injury or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate.

6.2 If applicable, Subrecipient shall also, at its sole expense, obtain and maintain in force fire and extended coverage insurance covering all real property or assets purchased with Grant funds in an amount not less than 100% of the whole replacement value of the property.

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than thirty (30) days after written notice thereof has been received by the Grantee and CDFA.

6.4 All policies shall name the Grantee and CDFA as additional insureds. Subrecipient shall provide the Grantee with certificates of insurance satisfactory to the Grantee, which evidence compliance with this Section.

6.5 Taxes. If applicable, Subrecipient shall pay all taxes, assessments, charges, fines and impositions attributable to the Property, which is the responsibility of the Subrecipient. Any alternative arrangements will require the approval of CDFA, whose consideration shall not be unreasonably withheld.

**Project Summary**

The Town of Ashland is requesting \$500,000 on behalf of Laconia Area Community Land Trust d/b/a Lakes Region Community Developers (LRCD), or its to-be-formed subsidiary limited partnership, to complete renovations at Harvey Heights (HH). In November 2016, Lakes Region Community Developers (LRCD) purchased an expiring USDA 515 property, Ledgewood Estates (now Harvey Heights), in order to preserve it as affordable housing. Had LRCD not acquired it, the housing, which is subsidized for very low-income families, would have been lost. LRCD will serve as the subrecipient/project developer for this property.

The 40-unit housing development includes both two-bedroom and one-bedroom units, none of which are ADA compliant. HH was built over 40 years ago and is in serious need of physical upgrades in the following categories:

- Life Safety Systems: The property was built prior to sprinkler systems being required. Sprinkler systems need to be installed in the buildings, and the existing fire alarm system needs to be upgraded.
- Handicap accessibility: The buildings were built prior to the ADA; there are no handicap accessible units. The plans include creation of two fully compliant ADA units.
- Energy efficiency: All the windows and glass sliders need to be replaced with energy efficient windows. The siding will be taken off, better insulation installed, and siding replaced. Existing electric baseboard heat will be replaced by ductless mini-splits for added efficiency. Bathrooms will be re-modeled, and will use water-saving toilets and shower heads.
- Other necessary upgrades: Roofs replacements, updates to laundry facilities and kitchens, and hallways need to be painted. The playground also needs repair and the parking lot needs to be resurfaced.
- Other sustainability items: Recycling dumpsters will be added and consideration is being given to installation of a PV solar array for electric generation.
- Healthy homes: The project will use low/no-VOC materials in all cases, and will minimize the use of carpeting.

According to LRCD, 39 of 40 units (97%) will be permanently affordable. In addition to CDBG, funding sources include Affordable Housing Program funding from the Federal Home Loan

Bank of Boston, Low Income Housing Tax Credits, HOME funds and the Affordable Housing Trust Fund from New Hampshire Housing.
