His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

For the consideration on the consent calendar, pursuant to NH RSA 4:8, Gifts to the State, authorize the New Hampshire Hospital to accept donations from July 1, 2017 through Sept 30, 2017, from contributors as per the attached list in the amount of \$2,251.33 and deposit same into the New Hampshire Hospital Resident Benefit Fund.

EXPLANATION

These donations will be used in accordance with the donor's instructions and at the discretion of the Chief Executive Officer to meet some of the special needs of patients. All funds are deposited at the Citizens Bank into an existing checking account for the patients.

In response to the two anticipated questions, "Can these funds be used to offset general funds?" and "What is the compelling reason for not offsetting general funds?" the Hospital offers the following information: these donations were expressly made for the benefit of the New Hampshire Hospital through the New Hampshire Hospital Resident Benefit Fund, which is not supported by general funds. Depositing these funds to the general fund would be in conflict with the expressed wishes of the donors.

Your favorable consideration of this request would be greatly appreciated.

Respectfully submitted,

Donald L. Shumway
Interim Chief Executive Officer
