5.2 If the funding sources become subject to change, substitute funding must be sufficient to satisfy the minimum match requirement cited for the project, and be acceptable to CDFA, whose approval will not be unreasonably withheld. The Grantee must ensure that the funding sources are documented and are made available.

5.3 Grant funds shall not be released or disbursed to Grantee unless and until the additional financing and matching requirements have been obtained and documented to CDFA's satisfaction.

Such assignment or delegation is to be effective only in the event of default in the Subrecipient's obligations to Grantee, under the terms and conditions of the Subrecipient Agreements.

7.5 CDFA shall have the right to terminate all or part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney or inspector of, or for Grantee, or any government official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to, or in connection with the Project, or any benefit arising therefrom.

7.6 Where the Grant Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform or reason other than project completion and Grant funds are to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

7.7 Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.

7.8 Lobbying. Grantee certifies that:

7.8.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

7.8.2 If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form – LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

7.9 Certification of Non-segregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. Prior to the award of any construction contract or subcontract exceeding \$10,000, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

7.10 By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.

7.11 He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES

NOTE: The penalty for making false statements in offers is prescribed in 18 USC 1001.

7.12 In the event Grantee fails to enforce the provisions of the Subrecipient Agreements or fails to cure an Event of a Default under the Subrecipient Agreements, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient Agreements to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreements. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient obligations or in curing any Event of Default thereunder.

8. GRANTEE FINANCIAL MANAGEMENT SYSTEM.

8.1 Except where inconsistent with federal requirements, state procedures and practices will apply to funds disbursed by CDFA, and local procedures and practices will apply to funds disbursed by units of local government.

8.2 Cash Advances: Cash advances to Grantee shall be approved only to the extent necessary to satisfy the actual, immediate cash requirements of Grantee in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by Grantee for direct program costs and the proportionate share of any allowable indirect costs. Cash advances made by Grantee to Subrecipient shall conform to the same standards of timing and amount as apply to advances to Grantee including the furnishing of reports of cash disbursements and balances.

8.3 Fiscal Control: Grantee must establish fiscal control and fund accounting procedures which assure proper disbursement of, and accounting for, grant funds and any required non-federal expenditures. This responsibility applies to funds disbursed by Subrecipient and contractors as well as to funds disbursed in direct operations of Grantee. Grantee shall be required to maintain a financial management system which complies with 24 CFR 85.20 or such equivalent system as CDFA may require. Requests for payment shall be made according to CDFA's CDBG Implementation Guide.

10.2 Financial reports, including a statement detailing all Grant or Project Costs (as hereinafter defined) which have been incurred since the prior request for reimbursement, shall be submitted with each request for reimbursement and with the Closeout Report. Financial Reports shall be submitted on forms provided by CDFA.

10.3 Within thirty (30) days after the Completion Date, a Closeout Report shall be submitted which summarizes the results of the Grant Activities, showing in particular how the Grant Activities have been performed. The Closeout Report shall be in the form required or specified by CDFA.

10.4 The Audited Financial Reports shall be prepared in accordance with the regulations which implement OMB 2 CFR Part 200. A copy of the audited financial report shall be submitted within thirty (30) days of the completion of said report to CDFA.

10.5 Where the Grantee is not subject to the requirements of OMB 2 CFR Part 200, one of the following options will be chosen by CDFA:

10.5.1 Within ninety (90) days after the Completion or Termination Date a copy of an audited financial report shall be submitted to CDFA. Said audit shall be conducted utilizing the guidelines set forth in "Standards for Audit of Governmental Organizations, Programs, Activities, and Functions" by the Comptroller General of the United States.

10.5.2 CDFA will conduct a financial Review-in-Lieu of Audit within ninety (90) days after the Completion Date of the Project.

10.6 Where the length of the grant period exceeds twenty-four (24) months, there shall be an interim audit performed and submitted.

10.7 Specific Subrecipient Reporting. Several performance measures and goals reporting will be required from the Grantee via the Subrecipients as outlined in the attached Subrecipient Agreements for the three Subrecipient organizations: HGC, SBDC and REDC.

11. RECORDS AND ACCOUNTS: ACCESS

11.1 During the performance of the Project Activities and for a period of three (3) years after the Completion Date or the date of the final audit approval by CDFA, whichever is later, the Grantee shall keep, and shall require any Subrecipient to keep, the following records and accounts:

11.1.1 Records of Direct Work: Detailed records of all direct work performed by its personnel under this Agreement.

11.1.2 Fiscal Records: Books, records, documents and other statistical data evidencing, and permitting a determination to be made by CDFA of all Project Costs and other expenses incurred by the Grantee and all income received or collected by the Grantee, during the performance of the Project Activities. The said records shall be maintained in accordance with accounting procedures and practices acceptable to CDFA, and which sufficiently and properly reflect all such costs and expenses, and shall include, without limitation, all ledgers, books, audits, records and original evidence of costs such as purchase requisitions and orders, invoices, vouchers, bills, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls and other records requested or required by CDFA.

11.1.3 Contractor and Subcontractor Records: The Grantee shall, and where applicable, Subrecipient shall, establish, maintain and preserve, and require each of its contractors and subcontractors to establish, maintain and preserve property management, project performance, financial management and reporting documents and systems, and such other books, records, and other data pertinent to the project as the CDFA may require. Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later.

12. TERMINATION; REMEDIES

12.1 Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

12.2 Termination Without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.

12.3 Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.

12.4 Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any Subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

12.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

EXHIBIT B

PROJECT COSTS; METHOD AND TERMS OF PAYMENT

1. PROJECT COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA.

1.1 **Project Costs:** As used in this Agreement, the term "Project Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in OMB 2 CFR 200 as revised from time to time, and with the rules, regulations and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits and oversight of Project construction and compliance with all federal, state and local laws, rules and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a non-profit subrecipient, such subrecipient shall meet the requirements of OMB 2 CFR 200.

1.2 **Delivery Costs:** As used in this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient, as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3 **Payment of Project Costs:** Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in Cdfa Administrative Rule Pln 311.01(c)(4).

1.4 **Review by CDFA; Disallowance of Costs:** At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT COSTS.

2.1 CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit A and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable, are reviewed and approved in writing by CDFA. Agreements and documents may include:

2.1.1 A Subrecipient or Business & Employment Commitment Agreement, as applicable;

2.1.2 Documentation of other committed match funds or additional financing necessary as defined in Attachment I, "Sources and Uses", no earlier than date of application, as approved by CDFA, or date of Governor and Council approval;

2.1.5 Any lease and loan documents, mortgages, liens, security instruments, municipal bonds, and similar agreements used in connection with the enforcement of beneficiary requirements, as well as any other related documents as requested by CDFA.

2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project Costs incurred, CDFA agrees to reimburse Grantee for Project Costs, except that reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project Cost until all Project Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS.

3.1 Reimbursement requests for all Project Costs, including Administrative Project Costs, Delivery Costs and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. Documentation may include invoices and receipts for supplies, equipment, services, contractual services and, where applicable, a report of salaries paid or to be paid.

4. LIMITATIONS ON USE OF FUNDS.

4.2 Grant funds are to be used only in accordance with procedures, requirements and principles specified in 24 CFR 85.

4.3 Grant funds may not, without advance written approval by CDFA, be obligated prior to the Effective Date or subsequent to the Completion Date of the grant period. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion Date. The funding assistance authorized hereunder shall not be obligated or utilized for any activities requiring a release of funds under the Environmental Review Procedure for the Community Development Block Grant Program at 24 CFR Part 58, until such release is issued in writing by CDFA.

4.4 Changes In Funding Project Activities: Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit A herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Director of CDFA may approve the requested transfer.

4.5 Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in

accordance with RSA 4: C: 14 II (b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6 Up to \$37,365 of Grant Funds may be applied by the Grantee for administrative costs in carrying out the requirements of this Agreement.

4.7 Up to \$380,000 of grant funds may be subgranted to Subrecipient for the purpose of providing training and technical assistance to microenterprises and for startup costs as described herein pursuant to the requirements of this Agreement.

5. PERFORMANCE OF SERVICES BY GRANTEE PRIOR TO EFFECTIVE DATE; PAYMENT BY CDFA.

Any Grant Activities performed by Grantee with non-CDBG funds prior to the Effective Date shall be performed at the sole risk of Grantee, and in the event that this Agreement shall not become effective, CDFA shall be under no obligation to pay Grantee for any costs incurred in connection with any Grant Activities, or to otherwise pay for any Activities performed during such period.

6. PROGRAM INCOME.

6.1 Program Income: All program income earned during the term of this Agreement shall be retained by Grantee or, in projects involving the administration of a revolving loan fund by the Subrecipient.

6.2 When Used For Project Activities: When program income becomes available, Grantee and, where applicable, Subrecipient shall use it for Grant Activities contained in the Project Description before drawing down additional funds unless the program income is deposited in a revolving loan account with prior approval by CDFA.

6.3 When Used For Eligible Activities: After completion of the Grant Activities specified in this Agreement, Grantee and, where applicable, Subrecipient shall use program income only for eligible activities which benefit primarily people from low- and moderate-income families, with prior approval by CDFA as specified in the Closeout Agreement between CDFA and Grantee and, where applicable, Subrecipient.

Disbursement of grant funds shall be in accordance with the terms of the Grant Agreement, including Exhibit B.

Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

Project Description & Introduction

The County of Cheshire submitted an application on behalf of three organizations to provide a full range of entrepreneurial training and technical assistance services to low- to moderate-income (LMI) micro-business owners and others who are planning to start micro-businesses across New Hampshire.

The County of Grafton submitted an application on behalf of three organizations to provide a full range of entrepreneurial training and technical assistance services to low- to moderate-income (LMI) micro-business owners and others who are planning to start micro-businesses across New Hampshire.

The New Hampshire State rules for micro enterprise funding allow one municipality to apply for up to \$500,000 in funding for sub recipients who provide training and technical assistance to microenterprises. The 2017 allocation of Community Development Block Grant (CDBG) funds for support of microenterprise programs is \$750,000; therefore two municipalities needed to apply for the funds on behalf of the applicants.

“Microenterprise Development Assistance” has been a funding category in the New Hampshire State CDBG program since 1998 as a sub-category of Economic Development. By HUD definition, the term “microenterprise” means a commercial enterprise that has 5 or fewer employees, 1 or more of whom owns the enterprise. Microenterprise funding has enabled many small New Hampshire businesses to get much needed business planning, marketing, financial management and business structuring technical assistance in order to develop and expand their businesses.

Scoring

The scoring is comprised of three components. An applicant must reach a minimum score in the first component to proceed and reach a minimum score in the second two components to be considered for funding.

The components of the scoring are as follows:

- Public Benefit, which examines the area need for such a project, the direct benefit to low and moderate income persons for technical assistance and entrepreneurial support, and the overall management capacity of the Sub recipient.
- Project Design, which examines the specific experience of the Sub recipient with regard to microenterprise assistance, the preparation for and delivery of business technical assistance, and the capacity to provide lending services to the potential entrepreneurs.
- Financial Feasibility, which examines the level of match funding and the costs per beneficiary.

The following table summarizes the scores of all six of the applications.

SCORES

Sub Recipient	Score
REDC	408
NCIC	405
GRDC	386
HGC	349
WREN	338
Pathways to Work – SBDC	324

Recommendation

Staff recommends all six applications be approved by the Advisory Committee at the amounts listed in the table below. The amount of funds requested from each county exceeded the allocated funding of \$750,000 by \$14,365. The recommended program amount represents a reduction in requested funding for two of the six applicants. We are recommending a reduction in funding for Pathways to Work because they are the lowest scoring application and for Northern Community Investment Corporation because a review of the 2016 program to date they are further from their goal than any other organization.
