Denis Goulet
Commissioner

March 30, 2016

Her Excellency, Governor Margaret Wood Hassan
 and the Honorable Executive Council
 State House
 Concord, New Hampshire 03301

REQUESTED ACTION

1) Authorize the Department of Information Technology on behalf of the Department of Corrections (DOC) to enter into a **sole source** contract amendment (Encumbrance #100842) with Kalos, Inc. (Vendor #170048), of Topeka, Kansas by increasing the contract amount by \$37,189.98 from \$160,446.00 and not to exceed the total contract amount of \$197,635.98 for ongoing support and maintenance services for the Pharmacy Software System. The contract was originally approved by the Governor and Executive Council on November 15, 2006, Item #10A, and was subsequently amended on April 1, 2009, Item #9; June 8, 2011, Item #8; June 24, 2015 Item #104.

2) Further authorize the Department to extend the expiration date of the contract from June 30, 2016 to June 30, 2018.

Funds to support this request are anticipated to be available in the following account in State Fiscal Year (SFY) 2017 and 2018 upon availability and continued appropriation of funds in the future operating budget, with the ability to adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified. **100% Other (Agency Class 27) funds: the Agency Class 027 used by the Department of Corrections to reimburse DoIT for this maintenance service is 100% General Funds.**

FY	CAT#-DEPT#-AGENCY#-ACTIVITY#-ACCTG UNIT#- DEPT NAME-AGENCY NAME-ACCTG UNIT NAME CLASS CODE-ACCOUNT CODE -OBJ (ACCOUNT) DESC	JOB #	AMOUNT
2017	01-03-03-030010-76460000- DoIT- IT for DOC 046-500465 – Consultants	03460009	\$19,744.98
2018	01-03-03-030010-76460000- DoIT- IT for DOC 046-500465 – Consultants	03460009	\$17,445.00
Total			\$37,189.98

EXPLANATION

The amendment is **sole source** because there is no other vendor able to maintain this **proprietary software**. The State does not have funding to replace this system at this time and to do so would be premature since the current system is operating well and meeting the Department's business needs.

The purpose of this agreement is to extend the contract currently in place for a period of 24 months in order to provide continued services and maintenance of the KALOS Correctional Institutional Pharmacy System (CIKPS) that is currently in place for delivering NHDOC pharmacy services. The system will allow for continued operations for the purpose of prescription ordering and management of all pharmacy services for inmates under the jurisdiction of the NHDOC.

It is critical to provide funding for this service to ensure continued delivery of services and compliance of the Laaman Decree and Holliday Decision, which demands the timely delivery of medications within appropriate timeframes.

The Department of Information Technology respectfully requests approval of this contract.

Respectfully submitted,

Denis Goulet
Commissioner

William L. Wrenn
Commissioner
State of New Hampshire
Department of Corrections
105 Pleasant St.
Concord, NH 03302-1806

Dear Commissioner Wrenn:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to have DoIT enter into a contract amendment with Kalos Inc., Topeka, Kansas, for the benefit of the Department of Corrections, as described below and referenced as DoIT No. 2006-113D.

This is a request to enter into Contract Amendment D to provide ongoing support, maintenance, and enhancements for the Department of Corrections' Pharmacy Management System. The amendment extends the expiration of the contract from June 30, 2016 to June 30, 2018. The amount of the amendment is \$37,189.98, increasing the contract funding from \$160,446.00 and not to exceed the amount of \$197,635.98.

A copy of this letter will accompany the Department of Information Technology's submission to the Governor and Executive Council for approval.

Sincerely,

A handwritten signature in black ink, appearing to read "Denis Goulet", with a stylized flourish at the end.

Denis Goulet

CONTRACT DOC 2006-113
CONTRACT AMENDMENT D**

WHEREAS, pursuant to an Agreement approved by Governor and Executive Council as a result of RFP #2006-113, on November 15, 2006, Item # 10A, and subsequently amended on April 1, 2009, Item #7, and on June 8, 2011, Item #8, and on June 24, 2015, Item # 104, (herein after referred to as the "Agreement"), Kalos, Inc. d/b/a Kalos Software (hereinafter referred to as "Vendor") agreed to supply certain services upon the terms and conditions specified in the Agreement and in consideration of payment by the Department of Information Technology (DoIT) (hereinafter referred to as the "Department") acting for the benefit of the NH Department of Corrections (NHDOC) (hereinafter referred to as the "Agency") certain sums as specified therein:

WHEREAS, pursuant to the Agreement Section 13.16: Amendment and the provisions of the Agreement, the Agreement may be modified or amended only by a written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the Agency, Department and Vendor have agreed to amend the Agreement in certain respects;

WHEREAS, the Agency wishes to continue the services and the Agency, Department and Vendor seek to clarify the Agreement;

WHEREAS, the Agency, Department and Vendor wish to extend the Contract Completion Date from June 30, 2016 to June 30, 2018;

WHEREAS, the Agency, Department and Vendor wish to increase the Contract price by \$37,189.98 to bring the total contract price to \$197,635.98;

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties agree as follows:

The Agreement is hereby amended as follows:

1. Amend the Contract Agreement, Page 1 of 29, Block 1.7, of the Agreement by extending the Completion Date from June 30, 2016 to June 30, 2018.
2. Amend the Contract Agreement, Page 1 of 29, Block 1.8, of the Agreement by increasing the Price Limitation by \$37,189.98 from \$160,446.00 to \$ 197,635.98.
3. The Agreement is further amended as described in Table 1, below:

G & C
 Pending _____
 Approved JUNE 24, 2015
 Item # #104

June 10, 2015

Her Excellency, Governor Margaret Wood Hassan
 and the Honorable Executive Council
 State House
 Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Information Technology on behalf of the Department of Corrections (DOC) to enter into a **sole source** contract amendment (Encumbrance #100842) with Kalos, Inc. (Vendor #170048), of Topeka, Kansas by increasing the contract amount by \$27,045.00 from \$133,401.00 to \$160,446.00 for ongoing support and maintenance services for the Pharmacy Software System.
2. Further authorize the Department to extend the expiration date of the contract from June 30, 2015 to June 30, 2016.

Funding is available in the following account: Agency Software Division, contingent upon the availability and continued appropriation of funds. **100% Other (Agency Class 27) funds: the Agency Class 027 used by the Department of Corrections to reimburse DoIT for this maintenance service is 100% General Funds.**

FY	CAT#-DEPT#-AGENCY#-ACTIVITY#-ACCTG UNIT#- DEPT NAME-AGENCY NAME-ACCTG UNIT NAME CLASS CODE-ACCOUNT CODE -OBJ (ACCOUNT) DESC	JOB #	AMOUNT
2016	01-03-03-030010-76460000- DoIT- IT for DOC 046-500465 - Consultants	03460009	\$27,045.00

EXPLANATION

The amendment is **sole source** because there is no other vendor able to maintain this **proprietary software**. The State does not have funding to replace this system at this time and to do so would be premature since the current system is operating well and meeting the Department's business needs.

This amendment is to provide ongoing software support and maintenance for the Kalos pharmacy software system called "CIPS" (Correctional Institution Pharmacy System), procured through a competitive RFP process in November of 2006. The New Hampshire Department of Corrections fills approximately 17,000 prescriptions monthly, servicing 1,700 inmates from a central pharmacy. The inmates are housed in four facilities across the state, including outpatient and inpatient services, as well as a psychiatric unit. Pharmacy software is used to fill prescriptions, keep a record/history of those prescriptions, track controlled substances, monitor costs, screen for drug interactions and allergies, and provide the records and histories as required by generally accepted pharmaceutical practices and accreditation agencies. The original contract was approved by Governor and Council on November 15, 2006, Item Number 10A, and subsequently amended on April 1, 2009, Item Number 7 and on June 8, 2011, Item Number 8.

It is critical that the State maintain a functional pharmacy management system supporting the prison system. The consequences of not maintaining this system could result in the violation of the Laaman Decree and the Holliday Decision, which demands the timely delivery of the appropriate medications. The Department of Corrections is required by law to provide correct medication to inmates in an appropriate timeframe. Failure to comply will result in wasted medications through expiration and untimely delivery. Examples of critical medications include illness involving heart and seizure conditions. The impact of missing these medications could lead to hospitalization and a reluctance of contracted licensed medical practitioners to work with DOC because of fear of malpractice.

The Department of Information Technology respectfully requests approval of this contract.

Respectfully submitted,

Denis Goulet
Commissioner

William L. Wrenn
Commissioner
State of New Hampshire
Department of Corrections
105 Pleasant St.
Concord, NH 03302-1806

Dear Commissioner Wrenn:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to have DoIT enter into a contract amendment, for the benefit of the Department of Corrections, with Kalos Inc., Topeka, Kansas, as described below and referenced as DoIT No. 2006-113C.

This is a request to enter into Contract Amendment B to provide ongoing support, maintenance, and enhancements for the Department of Corrections' Pharmacy Management System. The amendment extends the expiration of the contract from June 30, 2015 to June 30, 2016. The amount of the amendment is \$27,045.00, increasing the contract funding from \$133,401.00 to \$160,446.00.

A copy of this letter will accompany the Department of Information Technology's submission to the Governor and Executive Council for approval.

Sincerely,

A handwritten signature in black ink, appearing to be 'DG' followed by a stylized flourish.

CENTRAL PHARMACY SOFTWARE DELIVERY
CONTRACT DOC 2006-113
CONTRACT AMENDMENT C**

WHEREAS, pursuant to an Agreement approved by Governor and Council, as a result of RFP #2006-113, on November 15, 2006, Item #10A, and subsequently amended on April 1, 2009 Item #7 and on June 8, 2011 Item #8, (herein after referred to as the "Agreement"), Kalos, Inc. (hereinafter referred to as "Vendor"), agreed to supply certain services upon the terms and conditions specified in the Agreement and in consideration of payment by the Department of Information Technology (hereinafter referred to as the "Department") acting for the benefit of the Department of Corrections (hereinafter referred to as the "Agency"), certain sums as specified therein;

WHEREAS, the Agency, Department and Vendor have agreed to amend the Agreement in certain respects;

WHEREAS, the Agency wishes to continue the services, the Agency, Department, and Vendor seek to clarify the Agreement;

WHEREAS, the Agency and Department wish to extend the Contract completion date from June 30, 2015 to June 30, 2016;

WHEREAS, the Department wishes to increase the Contract price by \$27,045 to bring the total contract price from \$133,401.00 to \$160,446.00.

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties agree as follows:

The Agreement is hereby amended as follows:

1. Amend Section 1.6 of the Statement of Work of the Agreement to reflect a new completion date of June 30, 2016.
2. Amend Section 1.8 of the Statement of Work of the Agreement by increasing the Price Limitation by \$27,045 from \$133,401.00 to \$160,446.00.
3. The Scope of Work of the Agreement is further amended as described in Table 1:

Table 1

<p>Contract # 2006-113 Statement of Work</p>	<p>Statement of Work Section 1: Contract</p>	<p>Add the following section to Statement of Work Section 1: Contract</p> <p>1.4 Kalos shall provide a perpetual License and Implementation Services for Correctional Institution Pharmacy System Software ("CIPS"), in addition to ongoing technical support and software maintenance Services. As requested by the State, Kalos shall provide Enhancement Services as defined in any Change Orders, including but not limited to, interfaces to the Department of Correction's Electronic Health Records System.</p>
<p>Statement of Work Section 2: Term of Contract</p>	<p>Delete the following language:</p>	<p>The Contract will begin on the Effective Date and extend through December 30, 2011. The Term may be extended for an additional period of one (1) year, at the sole option of the State, subject to the parties prior written agreement on applicable fees for the extended term.</p>

REQUESTED ACTION

Authorize the Department of Information Technology on behalf of the Department of Corrections (DOC) to enter into a contract amendment (Contract #2006-113/P.O. # 190941) with Kalos, Inc. (Vendor #170048), Topeka, Kansas by increasing the contract amount by \$70,977.00, from \$62,424.00.00 to \$133,401.00 for ongoing support and maintenance services for the Pharmacy Software System. The original contact was approved by Governor and Council on 11/15/06, item number 10A. Further authorize the Department to extend the expiration date of the contract from December 30, 2011 to June 30 2015.

100% Other (Agency Class 27) funds: the Agency Class 027 used by the Department of Corrections to reimburse DoIT for this maintenance service is 100% General Funds.

Funding is available in the following account Agency Software Division:

			GRAND TOTAL	\$70,977.00

EXPLANATION

This amendment is to provide ongoing software support and maintenance for the Kalos pharmacy software system, procured through a competitive RFP process in November of 2006. The New Hampshire Department of Corrections fills approximately 550 prescriptions daily, servicing 2,700 inmates from a central pharmacy. The inmates are housed in four facilities across the state, including outpatient and inpatient services, as well as a psychiatric unit. Pharmacy software is used to fill prescriptions, keep a record/history of those prescriptions, track controlled substances, monitor costs, screen for drug interactions and allergies, and provide the records and histories as required by generally accepted pharmaceutical practices and accreditation agencies.

The amendment is **sole source** because there is no other vendor able to maintain this **proprietary software**. The State does not have funding to replace this system at this time and to do so would be premature since the current system is operating well and meeting the Department's business needs.

It is critical that the State maintain a functional pharmacy management system supporting the prison system. The consequences of not maintaining this system could result in the violation of the Laaman Decree and the Holliday Decision, which demands the timely delivery of the appropriate medications. The Department of Corrections is required by law to provide correct medication to inmates in an appropriate timeframe. Failure to comply will result in wasted medications through expiration and untimely delivery. Examples of critical medications include illness involving heart and seizure conditions. The impact of missing these medications could lead to hospitalization and a reluctance of contracted licensed medical practitioners to work with DOC because of fear of malpractice.

The Department of Information Technology respectfully requests approval of this contract.

Respectfully submitted,

S. William Rogers
Acting Commissioner

Acting Commissioner

March 29, 2011

William L. Wrenn
Commissioner
State of New Hampshire
Department of Corrections
105 Pleasant St
Concord, NH 03302-1806

Dear Commissioner Wrenn:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to have DoIT enter into a contract amendment, for the benefit of the Department of Corrections, with Kalos Inc., Topeka, Kansas, as described below and referenced as DoIT No. 2006-113B. This project is a result of RFP# 2006-113B.

This is a request to enter into Contract Amendment B to provide ongoing support, maintenance, and enhancements for the Department of Corrections' Pharmacy Management System. The amendment extends the expiration of the contract from December 30, 2011 through June 30, 2015. The amount of the amendment is \$70,977.00, increasing the contract funding from \$62,424.00 to \$133,401.00.

This project is set forth in the Department of Corrections Strategic Information Technology Plan: 2005-2009 dated October 21, 2005, Project #58 titled Medical Component to CORIS.

A copy of this letter should accompany the Department of Information Technology's submission to the Governor and Executive Council for approval.

Sincerely,

S. William Rogers

**DEPARTMENT OF INFORMATION TECHNOLOGY
CENTRAL PHARMACY SOFTWARE DELIVERY
CONTRACT DOC 2006-113
CONTRACT AMENDMENT B**

WHEREAS, pursuant to an Agreement approved by Governor and Council, as a result of RFP #2006-113, on November 15, 2006, Item #10A (herein after referred to as the "Agreement"), Kalos, Inc. (hereinafter referred to as "Vendor"), agreed to supply certain services upon the terms and conditions specified in the Agreement and in consideration of payment by the Department of Information Technology (hereinafter referred to as the "Department") acting for the benefit of the Department of Corrections (hereinafter referred to as the "Agency"), certain sums as specified therein;

WHEREAS, the Governor and Council on April 1, 2009 Item #7 increased the contract by \$1,300.00 from \$61,124.00 to \$62,424.00;

WHEREAS, the Agency, Department and Vendor have agreed to amend the Agreement in certain respects;

WHEREAS, the Agency wishes to continue the services, the Agency, Department, and Vendor seek to clarify the Agreement;

WHEREAS, the Agency and Department wish to extend the Contract completion date from December 31, 2011 to June 30, 2015;

WHEREAS, the Department wishes to increase the Contract price by \$70,977.00 to bring the total contract price to \$133,401.00.

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties agree as follows:

The Agreement is hereby amended as follows:

1. Amend Section 1.1 State Agency Name, by replacing "Office of Information Technology" with "Department of Information Technology."
2. Amend Section 1.6 of the Statement of Work of the Agreement to reflect a new completion date of June 30, 2015.
3. Amend Section 1.8 of the Statement of Work of the Agreement by increasing the Price Limitation by \$70,977.00, from \$62,424.00.00 to \$133,401.00.
4. The Scope of Work of the Agreement is further amended as described in Table 1:

Approved APRIL 1, 2009
Item # # 7

REQUESTED ACTION

1. Authorize the Department of Information Technology (DoIT), on behalf of the Department of Corrections, to enter into a contract amendment (Contract #2006-113) with Kalos, Inc. (Vendor # 130028), Topeka, Kansas by increasing the contract amount by \$1,300.00 from \$61,124.00 to \$62,424.00 for an increased level of software services for the Pharmacy Software System. The amendment will be effective upon Governor and Council approval, through December 30, 2011.

2. Further authorize the Department of Information Technology (DoIT), on behalf of the Department Corrections, to pay from State Fiscal Year (SFY) 2009 appropriations, \$1,300.00 for software programming charges incurred in June 2008, which should have been paid from SFY 2008 funds.

100% Other (Agency Class 27) funds: the Agency Class 027 used by the Department of Corrections to reimburse DoIT for this maintenance service is 100% General Funds.

Funding is available in the following account Agency Software Division:

Fiscal Year	Account	Job #	Budget Line	Current Amount	Change	New Amount
FY07	010-003-1660-0300-046-0465-7130400	03460009	5577	\$ 42,620		\$ 42,620
FY08	010-003-1660-0300-046-0465-7130400	03460009		\$ 5,374		\$ 5,374
FY09	010-003-1660-0300-046-0465-7130400	03460009	20516	\$ 5,618	\$1,300	\$ 6,918
FY10	010-003-1660-0300-046-0465-7130400	03460009	902	\$ 5,874		\$ 5,874
FY11	010-003-1660-0300-046-0465-7130400	03460009	902	\$ 1,638		\$ 1,638
			Total	\$61,124	\$1,300	\$62,424

EXPLANATION

This amendment is to provide funding for the required unanticipated software changes required for the Kalos pharmacy software system. During the June 2008 computer conversion from the Automated Prison System (APS) to the Corrections Information Management System (CORIS), it was discovered that inmate demographic data, required by the Kalos pharmaceutical software system, could not be obtained electronically from the CORIS software system unless the Kalos system was modified.

The vendor (Kalos) completed the work which was identified as critical. An error occurred in authorizing the work to Kalos. Due to the oversight, the billing invoice was not expected. Additionally, the invoice did not follow the established payment authorization procedure. The invoice was received after the start of FY 2009, preventing the State from utilizing FY 2008 funds. The error has been addressed and will not be repeated.

The consequences of not completing this work could have resulted in the violation of the Laaman Decree and the Holliday Decision which demand the timely delivery of the appropriate medications. The Department of Corrections is required by law to provide correct medication to inmates in an appropriate timeframe. Failure to comply will result in wasted medications through expiration and untimely delivery. Examples of critical medications include illness involving heart and seizure conditions. The impact of missing these medications could lead to hospitalization and a reluctance of contracted licensed medical practitioners to work with DOC because of fear of malpractice.

The original contract was approved by Governor and Council on November 15, 2006, item 10A.

The Department of Information Technology has reviewed and approved the request for this contract amendment and we respectfully request your approval.

Respectfully submitted,

Richard C. Bailey, Jr.
Chief Information Officer

William L. Wrenn
Commissioner
State of New Hampshire
State Office Park South
105 Pleasant Street
Concord, NH 03302-1806

Dear Commissioner Wrenn:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to enter into a contract amendment for the benefit of the Department of Corrections with Kalos Inc., Topeka, Kansas, as described below and referenced as DoIT No. 2006-113 A. This project is a result of RFP# 2006-113.

This is a request to enter into a contract amendment to increase the level of software services for the Pharmacy Software System (Kalos). The necessary software services were discovered while converting from the Automated Prison System (APS) to the Corrections Information Management System (CORIS). The contract will become effective upon Governor and Council approval through December 30, 2011. The amount of the contract is not to exceed \$62,424.00.

This project is set forth in the Department of Corrections Strategic Information Technology Plan: 2005-2009 dated October 21, 2005, Project #58 titled Medical component to CORIS.

A copy of this letter should accompany the submission to the Governor and Executive Council for approval.

Sincerely,

A handwritten signature in black ink, appearing to read "RCB", written over the word "Sincerely,".

Richard C. Bailey, Jr.

CENTRAL PHARMACY SOFTWARE DELIVERY
DOC 2006-113
CONTRACT AMENDMENT A**

WHEREAS, pursuant to an Agreement approved by Governor and Council, as a result of Request for Proposal, #2006-113, on November 15, 2006, Item #10A (herein after referred to as the "Agreement"), Kalos, Inc. (hereinafter referred to as the "Vendor") agreed to supply certain services upon the terms and conditions specified in the Agreement and in consideration of payment by the Office of Information Technology (OIT), acting for the benefit of the Department of Corrections (herein after referred to as "Agency"), certain sums as specified therein;

WHEREAS, effective September 5, 2008, the Office of Information Technology (OIT) is now known as the Department of Information Technology (DoIT), (herein after referred to as the "Department");

WHEREAS, pursuant to the Agreement, the Statement of Work, Section 2: *Contract Term* and the provisions of the Agreement, the Agreement may be modified or amended only by a written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the Vendor and the Department have agreed to amend the Agreement in certain respects;

WHEREAS, the Agency wishes to increase the services, the Agency, the Department and the Vendor seek to clarify the Agreement;

WHEREAS, the Agency and the Department wishes to increase the contract price by \$1,300.00 to bring the total contract price to \$62,424.00;

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties agree as follows:

The Contract Agreement (page1) is hereby amended as follows:

1. Amend Section 1.8 of the Contract Agreement by increasing the Price Limitation from \$61,124.00 to \$62,424.00.

Contract Exhibit A: *Contract Deliverable* of the Agreement is hereby amended as follows:

1. Amend Exhibit A: *Contract Deliverables*, Table 2.1: *Implementation Schedule – Activities / Deliverables / Milestones*, to include the following deliverable: Programming Charges: CIPS interface to new offender management system for 13 hours at \$100 per hour for a \$1,300 total amount.
2. Exhibit A: *Contract Deliverables* of the Agreement is hereby amended to now read as follows:

2.1 Implementation Schedule – Activities / Deliverables / Milestones

Reference Number	Activity, Deliverable, or Milestone	Deliverable Type	Delivery Date
1	State sends copy of current data from Viking System for trial conversion	Software	11/16/2006

Dear Director Croteau:

This letter represents formal notification that the Office of Information Technology (OIT) has approved your agency's request to enter into a \$61,124.00 contract effective upon Governor and Council approval to expire December 30, 2011 with Kalos Inc., (VCM To Be Determined), 3518 SE 21st Street, Suite B, Topeta, KS 66607, as described below and referenced as OIT No. 2006-113.

To enter into a contract to provide a commercial off the shelf (COTS) software package that will be used to fill prescriptions, keep a record/history of those prescriptions, track controlled substances, monitor costs, screen for drug interactions and allergies, and provide the records and histories as required by accreditation agencies and the court system. This project is set forth in the Department of Corrections Strategic Information Technology Plan: 2005-2009 dated October 18, 2005, Project # 58 titled Medical Component to CORUS.

A copy of this letter must accompany the submission to Governor and Council for approval.

Sincerely,

Richard C. Bailey, Jr.

 Statement of Work

TERMS and DEFINITIONS
 Capitalized terms used in the Contract will have the meanings given below.

Acceptance	Notice from the State that a Deliverable has satisfied Acceptance Test and/or Review.
Acceptance Criteria	The criteria a product must meet to successfully complete a test phase or meet delivery requirements.
Acceptance Period	The time frame during which the Acceptance Test and/or is performed.
Acceptance Test Plan	A test plan provided by KALOS, and agreed to by the State, that describes at a minimum, the specific acceptance process, criteria, and schedule for Deliverables.
Acceptance Test and/or Review	Tests performed to determine that no Deficiencies exist in the Application Software or the System.
Agency Application Software	New Hampshire Department of Corrections or the State.
Automated	CIPS software
CCP	Robotics solution company
CR	Change Control Procedures
COTS	Commercial Off-The-Shelf Software applications
Certification or equity	KALOS' written certification with full supporting and written documentation (including, without limitation, test results as applicable) that KALOS has completed development of the Deliverable and certified its readiness for applicable Acceptance Test and/or Review.
Confidential Information	Information required to be kept Confidential from unauthorized disclosure under the Contract.
Contract Documents	Documents that comprise this Contract (See Statement of Work Section 1.1).
Contract Managers	The persons identified by the State and by KALOS responsible for all contractual authorization and administration of the Contract. These responsibilities shall include, but not be limited to, processing Contract documentation, obtaining executive approvals, tracking costs and payments, and representing the parties in contract administration activities.
CORUS - Corrections Information System	A fully integrated correction solution that supports both institutional and community-based corrections using a single electronic offender record, ensuring data consistency and improving decision-making around management and treatment. See: http://www.wave.com/products/default.aspx
DOC or d/c	Discontinue
Data	State's records, files, forms, data and other documents or

Statement of Work

The process of Reviewing Deliverables for Acceptance.

Review Period	The period set for Review contained in the Work Plan for a Deliverable. If none is specified, then five (5) business days shall apply.
RFP (Request for Proposal) Schedule	Request For Proposal 2006-113.
Service Level Agreement (SLA)	The dates described in the Work Plan for deadlines for performance of Services and other Project events and activities.
Services	A signed agreement between KALOS and the State specifying the level of service that is expected and provided by KALOS during the term of the Contract.
SIG	The work or labor to be performed by KALOS on the Project as described in the Contract.
Software Deliverables	Abbreviation for Directions
Software License	COTS Software provided by KALOS under the contract Licenses provided under the Contract.
Specifications	The Solution consists of the total solution, which includes, without limitation, Software and Services, meeting the requirements and terms of the Specifications.
State Project Team	The written specifications that set forth the requirements which include, without limitation, this RFP, the Proposal, the Contract, any performance standards, Documentation, applicable state and federal policies, laws and regulations, State technical standards, subsequent State-approved Deliverables, and other specifications and requirements described in the Contract. The Specifications are incorporated by reference as though completely set forth herein.
State Confidential Information	The group of State employees responsible for managing the processes and mechanisms required such that the Services are procured in accordance with the Project Plan on time, on budget and to the required specifications and quality.
State Data	State information, regardless of its form, that is not subject to public disclosure under applicable state and federal laws and regulations, including but not limited to New Hampshire RSA Chapter 91-A.
State Fiscal Year	Any information contained within State systems in electronic or paper format.
State Project Manager (PM)	The New Hampshire State Fiscal Year extends from July 1 st through June 30 th of the following calendar year.
State Pharmacist	State's representative with regard to project management and technical matters.
State Technical Lead and Architect	State person involved in the testing, deployment and use of the CIPS application
	State person working with KALOS who will help design and test the operational environment for the CIPS application software

Statement of Work

the NH DOC Pharmacy in the past.

Non Exclusive Contract	A contract executed by the State that does not restrict the State from seeking alternative sources for the Deliverables or Services provided under this Contract.
Non-Software Deliverables	Deliverables that are not Software Deliverables, or Written Deliverables, e.g., meetings, help support, services, other.
Non-formulary drug	A drug that is not approved for use by the NHDOC medical staff and requires approval for use through the NHDOC override process.
Normal Business Hours	Normal Business Hours - 9:00 a.m. to 5:30 p.m. EST, Monday through Friday excluding State of New Hampshire holidays. State holidays are: New Year's Day, Martin Luther King Day, President's Day, Memorial Day, July 4 th , Labor Day, Veterans Day, Thanksgiving Day, the day after Thanksgiving Day, and Christmas Day. Specific dates will be provided.
Notice to Proceed (NTP)	The State Contract Manager's direction to KALOS to begin work on the Contract on a given date and time.
ODBC	Open Database Connection. A national standard for accessing databases.
Office of Information Technology (OIT)	The Office of Information Technology established under RSA 4:1-D within the Office of the Governor.
Operational System	System which is operating and fully functional, all Data has been loaded into the System, is available for use by the State in its daily operations.
Order of Precedence	The order in which Contract Documents reside in the event of a conflict or ambiguity.
Pill Line	Medications that are self-administered under observation by correctional staff and stored by correctional staff.
Production Cut Over Date	The date that the State has successfully completed User Testing and signoff, the software has been placed into production, and the Warranty Period commences.
Project	The planned undertaking regarding the entire subject matter of the Contract and the activities of the parties related hereto.
Project Team	The group of State employees and KALOS personnel responsible for managing the processes and mechanisms required such that the Services are procured in accordance with the Project Plan on time, on budget and to the required specifications and quality.
Project Management Plan	A document that describes the processes and methodology to be employed by KALOS to ensure a successful project.
Project Managers	The persons identified in Section 4.2 and 4.4 of the Statement of Work.
Proposal	KALOS' written proposal submitted in response to RFP 2006-113.
Radio Button	The submission from a Vendor in response to the RFP.
Regression Test Plan	A group of buttons of which only one can be on at a time.
Review	Test plan for the retesting of corrected deficiencies
	The process of Reviewing Deliverables for Acceptance.

Statement of Work

This Contract is between the State of New Hampshire, Office of Information Technology ("State"), and Kalos, Inc., a Kansas corporation, ("KALOS") having its principal place of business at 3318 SE 21st Street, Suite B, Topeka, KS 66607.

RECITALS

The State desires to have KALOS provide a commercial-off-the-shelf software system, and associated Services, for the NH Department of Corrections Men's Central Pharmacy.
 KALOS wishes to provide a commercial-off-the-shelf software system, and associated Services, for the NH Department of Corrections Men's Central Pharmacy.

The parties therefore agree as follows:

1. CONTRACT

1.1 Contract Documents

This Contract consists of the following Documents (Contract Document):

- a. The Statement of Work
- b. Exhibit A Contract Deliverables
- c. Exhibit B Price and Payment Schedule
- d. Exhibit C Special Provisions
- e. Exhibit D Administrative Services
- f. Exhibit E Implementation Service
- g. Exhibit F Testing Services
- h. Exhibit G Maintenance and Support Services
- i. Exhibit H Requirements- KALOS Responses
- j. Exhibit I Work Plan
- k. Exhibit J CPS Software License and related Terms
- l. Exhibit K Warranty and Warranty Services
- m. Exhibit L Training Services
- n. Exhibit M Agency RFP with Addendums
- o. Exhibit N KALOS Proposal dated July 5, 2006
- p. Exhibit O Certificate of Authority
- q. Exhibit P Certificate of Insurance
- r. Exhibit Q Performance Bond
- s. Exhibit R Proposal Transmittal Form Letter
- t. Exhibit S Required IT Work Procedures

1.2 Order of Precedence

In the event of conflict or ambiguity among any of the text of the Contract Documents, the following Order of Precedence shall govern:

Statement of Work

Subcontractor	A person, partnership, or company subcontracted by KALOS to perform under the Contract.
Subject Matter Expert	State personnel skilled and knowledgeable in a specific area, e.g. pharmaceuticals.
System	Software, hardware, interfaces and extensions integrated and functioning together in accordance with the Specifications.
IBD To Be Determined.	
Technical Authorization	Direction to KALOS which fills in details, clarifies, interprets, or specifies technical requirements. It must be: (1) consistent with Statement of Work within Statement of Services; (2) not constitute a new assignment; and (3) not change the terms, documents or specifications of the SOW.
Test Plan	Series of tests with scripts and expected results designed to verify that the application performs according to Specifications.
Training Plan	Plan describing the steps to train State employees in the use of application software.
Total Contract Price	Maximum amount of charges KALOS can invoice the State for payment for this fixed price Contract.
UAT	User Acceptance Tests
User Acceptance Test Plan	The Acceptance Test Plan provided by KALOS, and agreed to by the State, given to the State personnel for final testing before system acceptance, that describes at a minimum, the specific acceptance process, criteria, and schedule for Deliverables.
Warranty Period	That period following Acceptance during which KALOS shall provide Warranties and Warranty Services.
Warranty Services	The services to be provided during the Warranty Period.
Warranty Release	Software code that is provided to the State as a remedy for defects documented during the Warranty Period.
Work Plan	The overall plan of activities for the Project created in accordance with the Contract.
Work Plan Deliverables	Any Written, Software, or Non-Software Deliverable (letter, report, manual, book, other), provided by KALOS to the State under the terms of the Contract.
Written Deliverables	Written documentation, (letter, report, manual, book, other) provided by KALOS, either in paper or electronic format.

Statement of Work

4. CONTRACT MANAGEMENT

The Project will require the coordinated efforts of a Project Team consisting of both KALOS and State personnel. KALOS shall provide all necessary resources to perform its obligations under the Contract. KALOS shall be responsible for managing the Project to its successful completion.

4.1 KALOS Contract Manager

KALOS shall assign a Contract Manager who shall be responsible for all Contract authorization and administration. KALOS Contract Manager is:

James D. Springer, Jr.
President
Kalos, Inc.
3518 SE 21st Street, Suite B
Topeka, KS 66607
Phone: 485.232.3606
Toll Free Phone: 800.264.0068
Fax: 785.232.4917
Email: jim@kalos-inc.com

4.2 KALOS Project Manager

4.2.1 Contract Project Manager

KALOS shall assign a project manager who meets the requirements of the Contract, including but not limited to, the requirements set forth in the RFP. Kalos' selection of the KALOS Project Manager shall be subject to the prior written approval of the State. The State's approval process may include, at the State's discretion, review of the KALOS Project Manager's resume, qualifications, references, background checks, and an interview. The State may require removal or reassignment of KALOS Project Manager who, in the sole judgment of the State, is found unacceptable to the State or is not performing to the State's satisfaction.

The KALOS Project Manager shall have full authority to make binding decisions under the Contract, and shall function as KALOS representative for all administrative and management matters. The KALOS Project Manager must be available to promptly respond during Normal Business hours to inquiries from the State. The KALOS Project Manager must work diligently and use his/her best efforts on the Project. The KALOS Project Manager must be qualified to perform the obligations required of the position under the Contract.

State of New Hampshire
State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery
2006-113

Statement of Work

- a. The State of New Hampshire Terms and Conditions, as stated in Appendix G, Section G.4 of the RFP and the General Contract Requirements, as stated in the RFP Section 6.
- b. State of New Hampshire, Office of Information Technology Contract #2006-113
- c. KALOS Proposal to RFP 2006-113 dated July 5, 2006.
- d. IT Project Required Work Procedures, Section G-1 of the RFP

1.3 Non-Exclusive, Firm Fixed Price Contract

This is a Non-Exclusive, Firm Fixed Price ("FFP") Contract with price and term limitations as set forth in the Contract.

The State may, at its discretion, retain other contractors to provide Services or Deliverables procured under this Contract. KALOS will not be responsible for any delay, act, or omission of such other contractors, except that KALOS shall be responsible for any delay, act, or omission of the other contractors if such delay, act, or omission is caused by or due to the fault of KALOS.

2. CONTRACT TERM

The Contract shall take effect after full execution by the parties, and the receipt of required governmental approvals, including but not limited to, Governor and Executive Council approval.

The Contract will begin on the Effective Date and extend through December 30, 2011. The Term may be extended for an additional period of one (1) year, at the sole option of the State, subject to the parties prior written agreement on applicable fees for the extended term.

KALOS shall commence work upon issuance of a Notice to Proceed by the State. If KALOS commences work prior to the Effective Date and a Notice to Proceed, such work will be performed at the sole risk of KALOS, and the State shall be under no obligation to pay KALOS for any cost incurred or services performed.

Time is of the essence in the performance of KALOS's obligations under the Contract.

3. COMPENSATION/CONTRACT PRICE

The Contract price, method of payment, and terms of payment are identified in Exhibit B: Price and Payment Schedule.

State of New Hampshire
 State of New Hampshire
 Office of Information Technology
 Central Pharmacy Software Delivery
 2006-113

Statement of Work

The KALOS Project Manager shall perform the duties required under the Contract, including, but not limited to, those set forth in Exhibit 1, Section 2.

4.2.3 KALOS shall not change its assignment of the KALOS Project Manager without providing the State written justification and obtaining the prior written approval of the State. State approvals for replacement of the KALOS Project Manager shall not be unreasonably withheld. The replacement Project Manager shall have comparable or greater skills than the KALOS Project Manager being replaced; meet the requirements of the Contract (including but not limited to, the requirements set forth in RFP); and be subject to reference and background checks described above in Section 4.2.1: *Contract Project Manager* and Section 4.10: *Background Checks*. KALOS shall assign a replacement KALOS Project Manager within ten (10) business days of the departure of the prior KALOS Project Manager, and KALOS shall continue during the ten (10) business day period to provide project management services through the assignment of a qualified interim Project Manager.

4.2.4 Notwithstanding any other provision of the Contract, the State shall have the option, at its discretion, to terminate the Contract; declare KALOS in default; and pursue its remedies at law and in equity, if KALOS fails to assign a KALOS Project Manager meeting the requirements and terms of the Contract.

4.2.5 The KALOS Project Manager is:

James D. Springer, Jr.
 President
 Kalos Inc.
 3118 SE 21st Street, Suite B
 Topoka, KS 66007

 Phone: 485.232.3606
 Toll Free Phone: 800.264.0058
 Fax: 785.232.4917

 Email: jim@kalos-inc.com

4.3 KALOS Key Project Staff

4.3.1 KALOS shall assign key project staff who meet the requirements of the Contract, and can implement the CIPS software solution meeting the requirements set forth in RFP Appendix C: *System Requirements and Deliverables*, Table C.1-1: *Requirements Vendor Response Checklist*. The State may conduct reference and background checks on the KALOS Key Project Staff. The State reserves the right to require removal or reassignment of the KALOS' Key Project Staff who are found unacceptable to the

State. Any background checks shall be performed in accordance with Section 4.10: *Background Checks*.

4.3.2 KALOS shall not change any Key Project Staff commitments without providing the State written justification and obtaining the prior written approval of the State. State approvals for replacement of the KALOS Key Project Staff will not be unreasonably withheld. The replacement key project staff shall have comparable or greater skills than the key project staff being replaced; meet the requirements of the Contract, including but not limited to the requirements set forth in RFP Appendix C: *System Requirements and Deliverables* and be subject to reference and background checks described above in Section 4.2.1: *Contract Project Manager* and in Section 4.10: *Background Checks*.

4.3.3 Notwithstanding any other provision of the Contract to the contrary, the State shall have the option to terminate the Contract; declare KALOS in default; and to pursue its remedies at law and in equity, if KALOS fails to assign key project staff meeting the requirements and terms of the Contract.

4.3.3.1 KALOS Key Project Staff shall consist of the following individuals in the roles as identified below:

Key Members of the KALOS Team are:

Member	Title
James D. Springer, Jr.	President
Tim Marchand	General Manager/ Support
Rex Bloom	Software Manager
Josh Powell	CIPS Version 9 Oversight
Chris Haugness	Support
Gary Bliss	Senior Programmer
Randy Larson	IT Specialist

4.4 State Contract Manager

The State shall assign a Contract Manager who shall function as the State's representative with regard to Contract administration. The State Contract Manager is:

Robert Jackson

Information Technology Manager
 Office of Information Technology

- 4.5 State Project Manager**
 The State shall assign a Project Manager. The State Project Manager's duties shall include the following:
- a. Leading the Project;
 - b. Engaging and managing all KALOSs;
 - c. Managing significant issues and risks;
 - d. Reviewing and accepting Contract Deliverables;
 - e. Invoice sign-off;
 - f. Review and approval of Change proposals; and,
 - g. Managing stakeholders' concerns.

The State Project Manager is:
 Judith LaForest, RPH

 EMAIL: jlaforest@hbdoe.state.nh.us

- 4.6 State Meetings and Reports**
 The KALOS Project Manager or KALOS Key Project Staff personnel shall submit weekly status reports in accordance with the Schedule and terms of this Contract. The KALOS Key Project Staff shall participate in meetings as requested by the State, in accordance with the requirements and terms of this Contract. All status reports shall be prepared in formats approved by the State. Status reports shall include, at a minimum, the following:
- a. Project status related to the Work Plan;
 - b. Deliverable status;
 - c. Accomplishments during week(s) being reported;
 - d. Planned activities for the upcoming two (2) week period;
 - e. Future activities; and
 - f. Issues and concerns requiring resolution.

STATE OF NEW HAMPSHIRE
 Office of Information Technology
 Central Pharmacy Software Delivery
 DOC 2006-113
 STATEMENT OF WORK

As reasonably requested by the State, KALOS shall provide the State with information or reports regarding the Project. KALOS shall prepare special reports and presentations relating to Project Management, and shall assist the State in preparing reports and presentations, as reasonably requested by the State, all at no additional cost to the State.

- 4.7 State-Owned Documents and Data**
 KALOS shall provide the State access to all documents, State Data, materials, reports, and other work in progress relating to the Contract ("State Owned Documents"). Upon termination of the Contract, KALOS shall turn over all State-Owned Documents, material, and reports, and work in progress relating to this Contract to the State. State-Owned Documents must be provided in both printed and electronic format.

- 4.8 Records Retention and Access Requirements**
 KALOS shall agree to the conditions of all applicable state and federal laws and regulations, which are incorporated herein by reference, regarding retention and access requirements, including without limitation, policies consistent with the Federal Acquisition Regulations (FAR) Subpart 4.7 Contractor Records Retention.

KALOS and its Subcontractors shall maintain books, records, documents, and other evidence of accounting procedures and practices, which properly and sufficiently reflect all direct and indirect costs involved in the performance of their respective obligations under the Contract. KALOS and its Subcontractors shall retain all such records for three (3) years following termination of the Contract. Records relating to any litigation matters regarding the Contract shall be kept for one (1) year following the termination of all litigation, including all appeals.

Upon prior notice and subject to reasonable time frames, all such records shall be subject to inspection, examination, audit and copying by State and federal officials. Access to these items will be provided within Merrimack County of the State of New Hampshire, unless otherwise agreed by the State. Delivery of and access to such records will be at no cost to the State during the three (3) year period after termination of the Contract and one (1) year term following litigation relating to the Contract, including all appeals. KALOS shall include the record retention and review requirements of this section in any of its subcontracts.

The State agrees that books, records, documents, and other evidence of accounting procedures and practices related to the KALOS cost structure and profit factors shall be excluded from the State's review unless the cost of any other Services or Deliverables provided under the Contract is calculated or derived from the cost structure or profit factor.

- 4.9 Accounting Requirements**
 KALOS shall maintain an accounting system in accordance with generally accepted accounting principles. The costs applicable to the Contract shall be ascertainable from the accounting system.

STATEMENT OF WORK

4.10 Background Checks

The State may, at its sole expense, conduct background screening of the KALOS Project Manager and KALOS Key Project Staff. The State shall maintain the confidentiality of background screening results in accordance with the Statement of Work, Section 12: Use of State Information, Confidentiality.

5. DELIVERABLES

5.1 Deliverables and Services

KALOS shall provide the State with the Deliverables and Services required under this Contract, and as more fully set forth in Exhibit A: *Contract Deliverables*.

5.2 Non-Software and Written Deliverables Review and Acceptance

After receiving written Certification from KALOS that a Non-Software or Written Deliverable is final, complete, and ready for review, the State will review the Deliverable to determine whether it meets the Acceptance Criteria outlined in Exhibit A: *Contract Deliverables*. The State will notify KALOS in writing of its Acceptance or rejection of the Deliverable within five (5) business days of the State's receipt of KALOS' written Certification. If the State rejects the Deliverable, the State shall notify KALOS of the nature and class of the Deficiency and KALOS shall correct the Deficiency within the period identified in the Work Plan. If no period for KALOS' correction is identified, KALOS shall correct the Deficiency in the Deliverable within five (5) business days. Upon receipt of the corrected Deliverable, the State shall have five (5) business days to review the Deliverable and notify KALOS of its Acceptance or rejection thereof, with the option to extend the review period up to five (5) additional business days. If KALOS fails to correct the Deficiency within the allotted period of time, the State may, at its option, continue reviewing the Deliverable and require KALOS to continue until the Deficiency is corrected, or immediately terminate the Contract, declare KALOS in default, and pursue its remedies at law and in equity.

5.3 System/Software Testing and Acceptance

System and Software Testing and Acceptance shall be performed as set forth in the Testing Plan and Exhibit F: *Testing Services*

6. SOFTWARE

6.1 CIPS Software and Documentation

KALOS shall provide the State with CIPS Software licenses and Documentation as set forth in Exhibit J: *CIPS Application Software License and Related Terms*.

6.2 CIPS Software Support and Maintenance

KALOS shall provide the State with CIPS Application Software support and maintenance Services Set forth in Exhibit J: *CIPS Application Software License and Related Terms*.

KALOS shall provide the Warranties and Warranty Services required under the Contract and as set forth in Exhibit K: *Warranty and Warranty Services*.

8. SERVICES

KALOS shall provide the Services required under the Contract. All Services shall meet and perform in accordance with the Specifications.

8.1 Administrative Services

KALOS shall provide the State with the Administrative Services set forth in Exhibit D: *Administrative Services*.

8.2 Implementation Services

KALOS shall provide the State with the Implementation Services set forth in Exhibit E: *Implementation Services*

8.3 Testing Services

KALOS shall perform Testing Services for the State as set forth in Exhibit F: *Testing Services*.

8.4 Training Services

KALOS shall provide the State with Training Services as set forth in Exhibit L: *Training Services*.

8.5 Maintenance and Support Services

KALOS shall provide the State with Maintenance and Support Services for the Software as set forth in Exhibit G: *System Maintenance and Support*.

9. WORK PLAN DELIVERABLE

KALOS shall provide the State with a Work Plan. The Work Plan shall include, without limitation, a detailed description of the Schedule, Tasks, Deliverables, Major Milestones, Task Dependencies, and Payment Schedule.

The initial Work Plan shall be a separate Deliverable and is set forth in Exhibit I: *Work Plan*. KALOS shall update the Work Plan as necessary, but no less than weekly, to accurately reflect the status of the project, including without limitation, the Schedule, Tasks, Deliverables, Major Milestones, Task Dependencies, and Payment Schedule. Any such updates must be approved by the State, in writing, prior to final incorporation into Work Plan. The updated Work Plan, as approved by the State, is incorporated herein by reference.

Unless otherwise agreed in writing by the State, changes to the Work Plan shall not relieve KALOS from liability to the State for damages resulting from KALOS' failure to perform its obligations under the Contract, including, without limitation, performance in accordance with

the Schedule. In the event of any delay in the Schedule, KALOS must immediately notify the State in writing, identifying the nature of the delay, i.e., specific actions or portions of KALOS or the State causing the problem; its estimated duration; specific actions that need to be taken to correct the problem; and the expected Schedule impact on the Project. In the event additional time is required by KALOS to correct deficiencies, the Schedule shall not change unless previously agreed in writing by the State, except that the Schedule shall automatically extend on a day-to-day basis to the extent that the delay does not result from KALOS' failure to fulfill its obligations under the Contract.

10. CHANGE ORDERS

The State may make changes or revisions at any time by written Change Order. Within five (5) business days of KALOS' receipt of a Change Order, KALOS shall advise the State, in detail, of any impact on cost (e.g., increase or decrease), the Schedule, or Work Plan.

KALOS may request a change within the scope of the Contract by written Change Order, identifying any impact on the cost, the Schedule or the Work Plan. The State will attempt to respond to KALOS' requested Change Order within five (5) business days. The State will be deemed to have rejected the Change Order if the parties are unable to reach an agreement in writing.

All Change Orders shall be subject to the Contract amendment process, as determined to apply by the State.

11. INTELLECTUAL PROPERTY

11.1 Deliverables

The term "Deliverables" means information and the CIPS, Application Software Deliverables, including, but not limited to, the Deliverables identified in Exhibit A: Contract Deliverables.

11.2 State's License

The State shall receive a perpetual, irrevocable, nonexclusive, and nontransferable license to use. KALOS retains all ownership and intellectual property right to the Deliverables.

11.3 State's Business

The State's rights in the Deliverables shall be for purposes of the State's business only. All other intellectual property rights in such Deliverables remain with KALOS. The State may not re-license, rent or lease the Software or use the Software for third-party training commercial time-sharing, or service bureau use.

11.4 KALOS's Materials.

Subject to the provisions of this Contract, KALOS may develop for itself, or for others, materials that are competitive with, or similar to, the Deliverables. In accordance with the confidentiality provision of this Contract, KALOS shall not distribute any products containing or disclose any State Confidential Information. KALOS shall be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques that are acquired or used in the course of its performance under this Contract, provided that such is not obtained as the result of the deliberate memorization of the State Confidential Information by KALOS employees or third party consultants engaged by KALOS.

The parties agree that the general knowledge referred to herein cannot include information or records not subject to public disclosure under New Hampshire RSA Chapter 91-A, which includes, but is not limited to the following: records of grand juries and petit juries; records of parole and pardon boards; personal school records of pupils; records pertaining to internal personnel practices, financial information, test questions, scoring keys and other examination data use to administer a licensing examination, examination for employment, or academic examination and personnel, medical, welfare, library use, video tape sale or rental, and other files containing personally identifiable information that is private in nature.

11.5 Copyright

11.5.1 WWW Copyright and Intellectual Property Rights

All right, title and interest in the State WWW site, including copyright to all data and information, shall remain with the State. The State shall also retain all right, title and interest in any user interfaces and computer instructions embedded within the WWW pages. All WWW pages and any other data or information shall, where applicable, display the State's copyright.

11.6 Survival

This Section 11: Intellectual Property shall survive the termination of the Contract.

12. USE OF STATE'S INFORMATION, CONFIDENTIALITY

12.1 Use of State's Information

In performing its obligations under the Contract, KALOS may gain access to information of the State, including State Confidential Information. "State Confidential Information" shall include, but not be limited to, information exempted from public disclosure under New Hampshire RSA Chapter 91-A: Access to Public Records and Meetings (see e.g. RSA Chapter 91-A:5 Exemptions). KALOS shall not use the State Confidential Information except as directly connected to and necessary for KALOS' performance under the Contract, unless otherwise permitted under the Contract.

STATE OF NEW HAMPSHIRE
Office of Information Technology
Central Pharmacy Software Delivery
DOC 2006-113
STATEMENT OF WORK

12.2 State Confidential Information
KALOS shall maintain the confidentiality of and protect from unauthorized use, disclosure, publication, and reproduction (collectively "release"), all State Confidential Information that becomes available to KALOS in connection with its performance under the Contract, regardless of its form. Any disclosure of the State Confidential Information shall require the prior written approval of the State. KALOS shall immediately notify the State if any request, subpoena or other legal process is served upon KALOS regarding the State Confidential Information, and KALOS shall cooperate with the State in any effort the State undertakes to contest the request, subpoena, or other legal process, at no additional cost to the State. In the event of the unauthorized release of the State Confidential Information, KALOS shall immediately notify the State, and the State may immediately pursue any remedy at law and in equity, including, but not limited to, injunctive relief.

12.3 KALOS's Confidential Information
Insofar as KALOS seeks to maintain the confidentiality of its confidential information, KALOS must clearly identify in writing all information it claims to be confidential. Notwithstanding the foregoing, the State acknowledges that KALOS considers the Software and Documentation confidential information. KALOS acknowledges that the State is subject to applicable state and federal laws governing disclosure of information including, but not limited to, New Hampshire RSA Chapter 91-A. The State shall maintain the confidentiality of the identified confidential information insofar as it is consistent with applicable state and federal laws or regulations, including but not limited to, RSA Chapter 91-A. In the event the State receives a request for the information identified by KALOS as confidential, the State shall notify KALOS and specify the date the State will be releasing the requested information. At the request of the State, KALOS shall cooperate and assist the State with the collection and review of KALOS' information, at no additional expense to the State. Any effort to prohibit or enjoin the release of the information shall be KALOS' sole responsibility and at KALOS' sole expense. If KALOS fails to obtain a court order enjoining the disclosure, the State shall release the information on the date specified in the State's notice to KALOS, without any liability to KALOS.

12.4 Survival
This Section 12, Use of State's Information, Confidentiality, shall survive termination of the Contract.

13. GENERAL PROVISIONS

13.1 Conditional Nature of Contract
Notwithstanding any provision of the Contract to the contrary, all obligations of the State, including, without limitation, the continuance of payments, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments in excess of such available appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment

13.2 Confidentiality
KALOS shall maintain the confidentiality of and protect from unauthorized use, disclosure, publication, and reproduction (collectively "release"), all State Confidential Information that becomes available to KALOS in connection with its performance under the Contract, regardless of its form. Any disclosure of the State Confidential Information shall require the prior written approval of the State. KALOS shall immediately notify the State if any request, subpoena or other legal process is served upon KALOS regarding the State Confidential Information, and KALOS shall cooperate with the State in any effort the State undertakes to contest the request, subpoena, or other legal process, at no additional cost to the State. In the event of the unauthorized release of the State Confidential Information, KALOS shall immediately notify the State, and the State may immediately pursue any remedy at law and in equity, including, but not limited to, injunctive relief.

13.3 Regulatory/Government Approvals
KALOS shall obtain all applicable regulatory or other governmental approvals necessary for it to perform its obligations under the Contract.

13.4 Access/Cooperation
As applicable and reasonably necessary, and subject to the applicable State and federal laws and regulations and restrictions imposed by third parties upon the State, the State will provide KALOS access to program files, libraries, personal computer-based systems, software packages, network systems, security systems, and hardware.

13.5 Personnel
The State will use reasonable efforts to provide approvals, authorizations, and decisions necessary to allow KALOS to perform its obligations under the Contract.

13.6 Termination
The State may terminate this contract at any time without cause, and KALOS shall have no claim against the State for such termination.

13.7 Assignment
KALOS shall not assign, subcontract, or otherwise transfer its obligations under the Contract without the prior written consent of the State.

13.8 Force Majeure
Notwithstanding any provision of the Contract to the contrary, the State shall not be liable for any delay or non-performance under the Contract caused by an event beyond the reasonable control of the State, including, but not limited to, acts of God, war, terrorism, strikes, epidemics, and other natural disasters.

13.9 Notices
All notices under the Contract shall be in writing and shall be delivered to the State at the address set forth in the Contract, or to such other address as the State may notify KALOS in writing.

13.10 Dispute Resolution
Any dispute arising out of or in connection with the Contract shall be resolved by arbitration in accordance with the rules of the American Arbitration Association.

13.11 Entire Agreement
This contract and the Statement of Work attached hereto constitute the entire agreement between the State and KALOS.

13.12 Compliance by the KALOS with Laws and Regulations: Equal Employment Opportunity
In connection with the performance of the Contract, KALOS shall comply with all state, federal, and local laws, regulations, orders of federal, state, county or municipal authorities which impose any obligation or duty upon KALOS, including, but not limited to, civil rights and equal opportunity laws. KALOS shall also comply with all applicable local, state and federal licensing requirements and standards necessary in the performance of the Contract.

13.13 If the Contract is funded in any part by monies of the United States, KALOS shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issues to implement these regulations. KALOS further agrees to permit the State or United States, access to any of KALOS' pertinent books, records, and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and covenants and conditions of the Contract.

DOC 2006-113
STATEMENT OF WORK

13.7 Termination

13.7.1 Termination for Default
Unless otherwise provided in the Contract, the State shall provide KALOS written notice of default, and KALOS must cure the default within thirty (30) days ("Cure Period") of its receipt of the notice of default. If KALOS fails to cure the default within the Cure Period, the State may, at its sole discretion, terminate the Contract, declare KALOS in default, and pursue its remedies at law or in equity, or both.

13.7.1.1 In the event the State declares KALOS in default under any provision of the Contract, the State may, at a minimum, take any or all of the following actions:

13.7.1.1.1 Set off against any other obligations the State may owe to KALOS under this Contract;

13.7.1.1.2 Procure Services that are the subject of the Contract from another source, and KALOS shall be liable for reimbursing the State for the replacement services with a limitation of liability to one and one half (1.5) times the contract and if applicable all administrative costs directly related to procuring the Services from another source, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, and staff time costs; and

13.7.1.1.3 Treat the Contract as breached and pursue its remedies at law or in equity, or both.

13.7.1.2 In the event of default by the State, KALOS shall provide the State with written notice of default, and the State shall cure the default within thirty (30) days of its receipt of the notice of default, unless otherwise extended by KALOS.

13.7.1.3 No remedy conferred under the Contract is intended to be exclusive of any other remedy, and each remedy is cumulative and in addition to every other remedy in the Contract. The State's election or non-election of any or more remedies shall not constitute a waiver of its right to pursue other legally available remedies.

13.7.2 Termination for Convenience

13.7.2.1 The State may, at its sole discretion, terminate the Contract for Convenience, in whole or in part, by thirty (30) days written notice to KALOS. In the event of a termination for convenience, the State shall pay KALOS the agreed upon price, if separately stated in this Contract, for Deliverables for which Acceptance has been given by the State. Amounts for Services provided prior to the date of termination for which no separate price is stated under the

STATEMENT OF WORK

13.5.1 The performance of KALOS' obligations under the Contract shall be carried out by KALOS. KALOS shall, at its own expense, provide all personnel, materials, and resources required under the Contract and as necessary to perform KALOS' obligations under the Contract.

13.5.2 KALOS shall not hire, and shall permit no Subcontractors or other person, firm or corporation with whom it is engaged in a combined effort to perform its obligation under the Contract, to hire any person who has a contractual relationship with the State, or who is a State officer or employee, elected or appointed.

13.5.3 The Chief Information Officer (CIO) of the Office of Information Technology, or his designee, shall be the State's representative. In the event of any dispute governing the interpretation of the Contract, the CIO's decision shall represent the final position of the State.

13.6 Dispute Resolution

Prior to the filing of any formal proceedings with respect to a dispute (other than an action seeking injunctive relief with respect to intellectual property rights or Confidential Information), the party believing itself aggrieved (the "Invoking Party") shall call for progressive management involvement in the dispute negotiation by written notice to the other party. Such notice shall be without prejudice to the Invoking Party's right to any other remedy permitted under the Contract.

The parties shall use reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, between negotiators for the parties at the following successive management levels, each of which shall have a period of allotted time as specified below in which to attempt to resolve the dispute:

Dispute Resolution Responsibility and Schedule Table

		TIME
Primary	James D. Springer, Jr. President	5 Business Days
First	Judy LaForest State Project Manager James D. Springer, Jr. President	10 Business Days
Second	Richard C. Bailey State Chief Information Officer (CIO)	15 Business Days

The allotted time for the first level negotiations shall begin on the date the Invoking Party's notice is received by the other party.

STATEMENT OF WORK

Contract will be paid, in whole or in part, generally in accordance with Exhibit B: *Price and Payment Schedule*, of the Contract.

13.7.2.2 During the thirty (30) day period, KALOS shall wind down and cease Services as quickly and efficiently as reasonably possible, without performing unnecessary Services or activities and by minimizing negative effects on the State from such winding down and cessation of Services. KALOS shall pay the State a pro-rated refund of any current development, support, and maintenance for which the State has already paid.

13.7.2.3 In the event of early termination, the State shall cease to have access to KALOS Materials provided that the State has not fully paid applicable license fees at the time of such termination.

13.7.3 Termination for Conflict of Interest

13.7.3.1 The State may immediately declare KALOS in default and terminate the Contract by written notice, if the State determines that a conflict of interest exists and that KALOS knew or should have known of the conflict.

13.7.4 Termination Procedure

- 13.7.4.1 After receipt of a notice of termination, and except as otherwise directed by the State, KALOS shall:
- a. Stop work under the Contract on the date, and to the extent specified, in the notice;
 - b. Promptly, but in no event longer than thirty (30) days after termination, terminate its orders and subcontracts related to the work which has been terminated and settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the State to the extent required, which approval or ratification shall be final for the purposes of this Section;
 - c. Take such action as the State directs that is reasonable and customary under the circumstances, or as necessary to preserve and protect the property related to the Contract which is in the possession of KALOS and in which the State has an interest;
 - d. Transfer possession, as applicable, to the State and deliver in the manner, at the time, and to the extent directed by the State, any property which is required to be furnished to the State and which has been accepted or requested by the State; and
 - e. Provide written Certification to the State that KALOS has surrendered to the State all said property.

STATE OF NEW HAMPSHIRE
Office of Information Technology
Central Pharmacy Software Delivery

STATEMENT OF WORK

f. Assist in transition services, as reasonable requested by the State at no additional cost.

13.8 Force Majeure

Neither KALOS nor the State shall be responsible for delays or failures in performance resulting from events beyond the control of such party and without fault or negligence of such party. Such events shall include, but not be limited to, acts of God, strikes, lock outs, riots, and acts of War, epidemics, acts of Government, fire, power failures, nuclear accidents, earthquakes, and unusually severe weather.

Except in the event of the foregoing, force majeure events shall not include KALOS' inability to hire or provide personnel needed for KALOS' performance under the Contract.

13.9 KALOS' Relation to the State

In the performance of the Contract, KALOS is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither KALOS nor any of its officers, employees, agents, or members shall have authority to bind the State or receive any benefits, worker's compensation or other emoluments provided by the State to its employees.

13.10 Assignment, Delegation and Subcontracts

13.10.1 KALOS shall not assign, delegate, subcontract, or otherwise transfer any of its interest, rights, or duties under the Contract without the prior written consent of the State. Such consent shall not be unreasonably withheld.

13.10.2 KALOS shall remain wholly responsible for performance of the entire Contract even if assignees, delegates, subcontractors or other transferees are used, unless otherwise agreed to in writing by the State, and the Assigns ("Assigns") fully assumes in writing any and all obligations and liabilities under the Contract from the Effective Date. In the absence of a written assumption of full obligations and liabilities of the Contract, any permitted assignment, delegation, subcontract or other transfer shall: not relieve KALOS of any of its obligations under the Contract; not affect any remedies available to the State against KALOS that may arise from any event of default; and the State may consider KALOS to be the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

13.10.3 Notwithstanding the foregoing, nothing herein shall prohibit KALOS from assigning the Contract to the successor of all or substantially all of the assets or business of KALOS provided that the successor fully assumes in writing all obligations and liabilities under the Contract. Any attempted transfer, assignment, delegation, or other transfer made without the State's prior written consent shall be null and void, and may constitute an event of default at the sole discretion of the State.

DOC 2006-113
STATEMENT OF WORK

13.10.4 In the event that KALOS should change ownership as permitted under this section 13.10.3, the State shall have the option to continue under the Contract with KALOS, its successors or assigns for the full remaining term of the Contract; continue under the Contract with KALOS, its successors or assigns for such period of time as determined necessary by the State, or immediately terminate the Contract without liability to the KALOS, its successors or assigns.

13.11 Indemnification

13.11.1 KALOS shall indemnify, defend and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the KALOS, its personnel or agents in connection with KALOS' performance of the Contract.

13.11.2 Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State.

13.11.3 Survival
This Section 13.11, Indemnification, shall survive termination of this Agreement.

13.12 Limitation of Liability

13.12.1 STATE
Subject to applicable laws and regulations, in no event shall the State be liable for any consequential, special, indirect, incidental, punitive, or exemplary damages. Subject to applicable laws and regulations the State's liability to KALOS shall not exceed one and one-half times (1.5X) the total Contract price set forth in Section 1.8 of the General Provisions form (P-37).

13.12.2 KALOS
Subject to applicable laws and regulations, in no event shall KALOS be liable for any consequential, special, indirect, incidental, punitive or exemplary damages and KALOS' liability to the State shall not exceed one and one-half times (1.5 X) the total Contract price set forth in Section 1.8 of the General Provisions form (P-37). Notwithstanding the foregoing, the limitation of liability in this Section 13.12.2 shall not apply to KALOS' indemnification obligations set forth in Section 13.11. Indemnification and confidentiality obligations set

forth in Section 12: Use of State's Information, Confidentiality, all of which shall be unlimited.

13.12.3 State's Immunity

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State.

13.12.4 Survival

This Section 13.12: Limitation of Liability shall survive termination.

13.13 Insurance

13.13.1 KALOS Insurance Requirement

KALOS shall, at its sole expense, obtain and maintain in force, and shall require any Subcontractor or assignee to obtain and maintain in force, including for the benefit of the State, the following insurance:

- a. Comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$250,000 per claim and \$2,000,000 per incident; and
- b. The policies shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modifications of the policy earlier than ten (10) days after written notice thereof has been received by the State.

13.14 Waiver of Event of Default

No failure by either party to enforce any provisions hereof after any event of default shall be deemed a waiver of its rights with regard to that event, or any subsequent event. No express failure of any default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of KALOS.

13.15 Notice

Any notice by a party to the other party shall be deemed to have been duly delivered or given at the time of mailing by registered mail, postage prepaid, in a United States Post Office addressed to the parties at the following addresses.

Concord, NH 03301

13.16 Amendment

The Contract may be amended, waived, or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

13.17 Construction of Contract and Terms

The Contract shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successor and assigns. Any action may only be brought in the State of New Hampshire, Merrimack County Superior Court.

13.18 Third Parties

The parties hereto do not intend to benefit any third parties and the Contract shall not be construed to confer any such benefit.

13.19 Headings

The headings in the Contract shall not be held to explain, modify, amplify, or aid in the construction or interpretation of the Contract provisions, and are for reference purposes only.

13.20 Exhibits

The Exhibits referred to in and attached to the Contract are incorporated by reference as if fully set for the hereto.

13.21 Survival

The terms, conditions and warranties contained in the Contract that by their context are intended to survive the completion of the performance, cancellation or termination of the Contract shall so survive, including, but not limited to, the terms of Section 4.8: Records Retention and Access Requirements, Section 4.9: Accounting Requirements, and Section 12: Use of State's Information, Confidentiality and Section 13.11: Indemnification which shall all survive the termination of the Contract.

13.22 Entire Contract

The Contract, which may be executed in a number of counterparts, each of which shall be deemed an original, constitute the entire Contract and understanding between the parties, and supersede all prior contracts and understandings.

Contract Deliverables

1. DELIVERABLES, MILESTONES AND ACTIVITIES

KALOS shall provide the State with Concessional Institution Pharmacy System (CIPS™) and associated Documentation which will meet and perform in accordance with the Specifications.

Prior to the commencement of work on Non-Software and Written Deliverables, KALOS shall provide the State a report template with a table of contents, and a meeting agenda for review and prior approval by the State.

The Deliverables are set forth in the Schedule described below in Section 2.

Pricing for Deliverables is set forth in Exhibit B: Price and Payment Schedule. Pricing will be effective for the Term of this Contract, and any extensions thereof.

2. DELIVERABLES, MILESTONES, AND ACTIVITIES SCHEDULE

2.1 Implementation Schedule - Activities / Deliverables / Milestones

Reference Number	Activity, Deliverable, or Milestone	Deliverable Type	Delivery Date
1	State sends copy of current data from Viking System for total conversion	Software	11/15/2006
2	KALOS completes Unit and System Testing	Non-Software	11/30/2006
3	Project Work Plan	Written	11/20/2006
4	Conduct Project Kickoff Meeting	Non-Software	12/1/2006
5	Conduct one day training	Non-Software	12/1/2006
6	State completes User Acceptance Testing	Non-Software	12/15/2006
7	State sends copy of current data for final conversion	Software	12/18/2006
8	All Operating System Software and Converted Data Loaded into Production Environment	Software	12/20/2006
9	Cutover to New Software	Software	12/26/2006
10	Conduct 10 Training Days	Non-Software	12/26/2006-1/9/2007
11	Warranty Period Begins	Software	12/26/2006
12	Weekly Project Status Reports	Written	Ongoing

Price and Payment Schedule

1. DELIVERABLE PAYMENT SCHEDULE

1.1 Firm Fixed Price

This is a Firm Fixed Price Contract totaling \$61,124.06 for the period between the Effective Date through December 30, 2011. KALOS shall be responsible for performing its obligations in accordance with the Contract. This Contract will allow KALOS to invoice the State for the following Activities, Deliverables, or Milestones at fixed pricing/rates appearing in the Price and Payment Tables below:

Table 1: Activity, Deliverable, or Milestone Price and Payment Table

Reference Number	Activity, Deliverable, or Milestone	Deliverable Type	Projected Delivery Date	Payment Amount
1	Data Conversion from Viking	Software	Nov 16, 2005	\$ 6,000
2	Immate Demographic	Software	Nov 16, 2005	\$ 800
3	Conduct Project Kickoff Meeting and One Day Training	Non-Software	Dec 1, 2005	\$ 1,100
4	State completes User Acceptance Testing	Non-Software	Dec 15, 2005	\$ 8,608
5	Conduct Training - (10 Days)	Non-Software	Dec 26, 2006-Jan 9, 2007	\$11,000
5a	Project Holdback - 20 Days after Software Development Deployment	Non-Software	Apr 26, 2007	\$ 4,712
5b	Final Payment	Non-Software	December 30, 2011	\$1,400
7	Maintenance and Support Medicspan and Warning Label	Non-Software	Pay by Jan 1, 2007 for Services thru June 30, 2007	\$ 1,560
8	Maintenance and Support Medicspan and Warning Label	Non-Software	Pay by June 30, 2007	\$ 2,250
9	Maintenance and Support Medicspan and Warning Label	Non-Software	Pay by June 30, 2008	\$ 2,860
10	Maintenance and Support Medicspan and Warning Label	Non-Software	Pay by June 30, 2009	\$ 2,980
11	Maintenance and Support Medicspan and Warning Label	Non-Software	Pay by June 30, 2010	\$ 3,108
12	Maintenance and Support Medicspan and Warning Label	Non-Software	Pay by June 30, 2011	\$ 3,238
			Pay by June 30, 2011	\$ 2,635

The State may purchase any additional licenses of the COTS Software Solution at this pro-rated Contract discount rate of \$2,944, for a period of five (5) years from the Contract Effective Date.

2. TOTAL CONTRACT PRICE

Notwithstanding any provision in the Contract to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments made by the State exceed \$61,124.00 ("Total Contract Price"). The payment by the State of the total Contract price shall be the only, and the complete reimbursement to KALOS for all fees and expenses, of whatever nature, incurred by KALOS in the performance hereof.

3. INVOICING

All invoices shall be subject to the State's prior written approval, which shall not be unreasonably withheld. Invoices shall contain detailed information, including without limitation, the following: identification of each Deliverable or Service for which payment is sought; date of delivery and/or installation; the Acceptance date triggering such payment; and any other Project costs. Upon acceptance of a Deliverable, and a properly documented and undisputed invoice, the State will pay the correct and undisputed invoice within thirty (30) days of invoice receipt. Invoices will not be backdated and shall be promptly dispatched.

Invoices shall be sent to:

5. OVERPAYMENTS TO KALOS

KALOS shall promptly, but no later than fifteen (15) business days, return to the State the full amount of any overpayment or erroneous payment upon notice from the State.

6. CREDITS

The State may apply credits due to the State arising out of this Contract, against KALOS' invoices with appropriate information attached.

7. PROJECT HOLDBACK

The State shall withhold ten percent (10%) of the Project cost (\$6,112.00) as set forth in the Payment Table above, until successful conclusion of the Warranty Period.

8. RIGHT TO OFFSET

The State reserves the right to offset from any amounts otherwise payable to KALOS under the Contract those liquidated amounts required or permitted under the Contract, by RSA 807 through 7-C, or any other provision of law.

1. STATUS MEETINGS AND REPORTS

The State believes that effective communication and reporting, through meetings and written reports is essential to Project success. At a minimum, the State expects the following:

Introductory Meeting: Participants will include KALOS Key Project Staff and State Project Team from both KALOS and the Office of Information Technology. This meeting will enable leaders to become acquainted and establish any preliminary project procedures.

Kickoff Meeting: Participants will include the KALOS Key Project Staff, State Project Team and major stakeholders. This meeting is to establish a sound foundation for activities that will follow.

Weekly status meetings: This meeting will include the Information Technology Manager from NHDOC and the technical support staff.

Status Meetings: Participants will include KALOS Project Manager, the Information Technology Manager from NHDOC, the Technical Support Services Division Information Technology Manager, and NHDOC Men's Pharmacy Pharmacist. These meetings, which will be conducted at least weekly, will address overall project status, error report reviews and any additional topics needed to remain on schedule and within budget. A status and error report from KALOS will serve as the basis for discussion.

The Work Plan must be reviewed at each Status Meeting and updated, at minimum, on a weekly basis, in accordance with the Contract Statement of Work, Section 9: *Work Plan Deliverable*.

Special Meetings: Need may arise for a special meeting with State leaders or project stakeholders to address specific issues.

KALOS shall submit reports in accordance with the Schedule and terms of the Contract. All reports shall be prepared in formats approved by the State. KALOS' Project Manager shall assist the State Project Manager, or itself produce reports related to Project Management as reasonably requested by the State. KALOS must produce project status reports, which shall contain, at a minimum, the following:

- a. Project status as it relates to Work Plan
- b. Deliverables status
- c. Accomplishments during weeks being reported
- d. Planned activities for the upcoming two week period
- e. Staff time reporting
- f. Issues and concerns requiring resolution
- g. Financial Status to be updated once a month

- B. KALOS and the State shall adopt a change management approach to identify and plan key strategies and communication initiatives. KALOS' Team will provide training templates as defined in the Training Plan, customized to address the State's specific requirements.
- C. KALOS shall utilize an approach that fosters and requires the participation of State resources, uses the State resources' business expertise to assist with the configuration of the applications, and prepares them to assume responsibility for and ownership of, the new system. A focus on technology transition shall be deemed a priority.
- D. KALOS shall manage project execution and provide the tools needed to create and manage the project's plan and tasks, schedule and manage project staff, track and manage issues, manage changing requirements, maintain communication within the project team, and report status.
- E. KALOS shall adopt an implementation time-line aligned with the State's required implementation of 12/30/2006.

1.3 Timeline

The timeline is set forth in the Work Plan. During the initial planning period project task and resource plans will be detailed, preliminary training plan established, the change management plan established, communication approaches established, project standards and procedures finalized, and team training initiated.

State of New Hampshire
 Office of Information Technology
 Central Pharmacy Software Delivery
 Exhibit F
 Testing Services

State of New Hampshire
 Office of Information Technology
 Central Pharmacy Software Delivery
 Exhibit E
 Implementation Services

KALOS shall provide the following Services described in this Exhibit F: Testing Services, including but not limited to:

1. TESTING AND ACCEPTANCE

KALOS shall bear all responsibilities for the full suite of test planning and preparation throughout the Project. KALOS shall also provide training as necessary to the State staff responsible for test activities. KALOS will be responsible for all aspects of testing contained in the Test Plan including support, at no additional cost, during the User Acceptance Test conducted by the State and the testing of the training materials.

All Testing and Acceptance shall include planning, test scenario and script development, data and System preparation for testing, and execution of unit, System Integration Testing, Conversion Testing, support of the State during User Acceptance Testing and Implementation.

In addition, the State Pharmacist will prepare and test scripts during the User Acceptance Test (UAT). These tests are based upon the State Pharmacist's knowledge, judgment, and training and overall pharmaceutical responsibility.

KALOS shall provide a mechanism for reporting actual test results vs. expected results and for the resolution and tracking of all errors and problems identified during test execution. KALOS shall correct Deficiencies and support required re-testing as described below.

1.1 Test Planning and Preparation

KALOS will provide the State with a Test Plan that will include identification, preparation, and documentation of planned testing, requirements traceability matrix, test variants, test scenarios, test cases, test scripts, test data, test phases, unit tests, expected results, and "bug" tracking system.

As identified in the Test Plan and documented in accordance with the Project Work Plan, State testing will commence upon the KALOS' Project Manager's certification, in writing, that the KALOS' own staff has successfully executed all prerequisite KALOS testing, along with reporting the actual testing results, prior to the start of any testing executed by State staff. The State will be presented with a State approved User Acceptance Test Plan, test scenarios, test cases, test scripts, test data, and expected results.

1.2 Unit Testing

In Unit Testing, KALOS will test the application components on an individual basis to verify that the inputs, outputs, and processing logic of each application component functions without errors. Unit testing is performed in either the development environment or a testing environment.

2. STATE-PROVIDED SERVER

KALOS will provide pre-production system administration services for the servers, reasonable assistance to State staff and scheduling of backup activities during the project.

The State will be responsible to provide server resources for the project implementation and to ensure backup activities are performed.

State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery
Exhibit F
Testing Services

The goal is to find errors in the smallest unit of software before logically linking it into larger units. If successful, subsequent testing should only reveal errors related to the integration between application modules.

The KALOS Key Project Staff person will be responsible for conducting the unit testing.

<p>Activity Description</p> <p>KALOS Test Script Development</p>	<p>Develop the scripts needed to unit test individual application modules, interface(s) and conversion components.</p> <p>For application modules, conversions and interfaces the KALOS team will identify applicable test scripts and installation instructions, adapt them to the project specifics, test the process, and compare with the documented expected results.</p>
<p>Work Product</p> <p>Test Scripts</p>	<p>Unit-Tested Modules that have been tested to verify that the inputs, outputs, and processing logic of each application module functions without errors. Individual detailed test scripts and installation guides list all the required actions and data to conduct the test, the process for test execution, and the expected results.</p>

1.3 Conversion Validation Testing

In Conversion Validation Testing, target application functions are validated.

<p>Activity Description</p> <p>KALOS Test Script Development</p>	<p>The conversion validation test should replicate the entire flow of the converted data through the CIPS Application. As the CIPS Application is interfaced to legacy or third-party applications, and interfaces, test the flow of the converted data through these interface points.</p> <p>For conversions and interfaces, the KALOS team will execute the applicable validation tests and compare extension results with the documented expected results. Extract and cleanse, if necessary, the legacy data to be converted in the data conversions.</p>
<p>Work Product</p> <p>Test Scripts</p>	<p>Validation-Tested Conversion Programs. These programs include conversion programs that have been tested to verify that the resulting converted legacy data perform correctly in the entire suite of the CIPS Application.</p>

1.4 Installation Testing

In Installation Testing the application components are installed in the pre-production environment to test the installation routines and are refined for the eventual production environment. This activity serves as a dry run of the installation steps in preparation for configuring the production system.

1.5 User Acceptance Testing (UAT)

UAT begins upon completion of the Software configuration as required and user training according to the Project Work Plan. Testing ends upon issuance of a letter of UAT Acceptance by the State.

State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery
Exhibit F
Testing Services

The State will be presented with all testing results, as well as written Certification that KALOS has successfully completed the prerequisite tests, meeting the defined Acceptance Criteria, and performance standards criteria. The State will commence testing within one (1) business day of receiving Certification from KALOS that the CIPS application is installed, configured, complete and ready for Static testing.

User Acceptance Testing is a verification process that consists of performing the tests and verifying the results against the Acceptance Criteria specified, and in the requirements defined in the KALOS proposal response. The State will conduct testing utilizing scripts developed as identified in the Test Plan to validate the functionality of the CIPS Application and the interfaces, and verify implementation readiness. It is performed in a copy of the production environment and also serves as a performance and stress test of the System. The User Acceptance Test may cover any aspect of the new CIPS Application, including administrative procedures (such as backup and recovery).

The results of the User Acceptance Test provide evidence that the new System meets the Acceptance Criteria as defined in the Work Plan.

<p>Activity Description</p> <p>KALOS Test Script Development</p>	<p>The System User Acceptance Testing verifies System functionality against predefined acceptance criteria that support the successful execution of the approved central pharmacy delivery process.</p>
<p>Work Product</p> <p>Test Scripts</p>	<ul style="list-style-type: none"> Provide the State an acceptance test plan and selection of test scripts for the acceptance test. Monitor the execution of the test scripts and assist as needed during the User Acceptance Testing activities. Work jointly with the State in determining the required actions for problem resolution.
<p>Work Product</p> <p>Test Scripts</p>	<ul style="list-style-type: none"> Develop the User Acceptance Test Plan and the set of data for use during the User Acceptance Test. Validate the acceptance test environment. Execute the test scripts and conduct user acceptance testing activities. The State Pharmacist will evaluate test scripts for accuracy. Document and summarize acceptance test results. Work jointly with KALOS in determining the required actions for problem resolution. Provide Acceptance of the validated Systems.
<p>Work Product</p> <p>Test Scripts</p>	<p>The Deliverable for User Acceptance testing is the User Acceptance Test Results. These results provide evidence that the new CIPS Application meets the UAT Acceptance Criteria defined in the Work Plan.</p>

1.6 Regression Testing

KALOS will be responsible for developing the Test Plan and all test materials, and for executing all tests and certifying their completion prior to user testing. As a result of the user testing activities, problems will be identified that require correction. KALOS shall

State of New Hampshire
 Office of Information Technology
 Central Pharmacy Software Delivery
 Exhibit F
 Testing Services

perform additional testing activities in response to State and/or user problems identified from the testing results.

During this problem correction process, the State requires that appropriate regression testing occur. By regression testing, the State means selective re-testing to detect faults introduced during the modification effort, both to verify that the modifications have not caused unintended adverse effects, and to verify that the modified and related (possibly affected) system components still meet their specified requirements.

When a programming change is made in response to a problem identified during user testing, a Regression Test Plan must be developed by KALOS based on the understanding of the program and the change being made to the program. The Regression Test Plan has two objectives: first, to validate that the change/update has been properly incorporated into the program; and second, to validate that there has been no unintended change to the other portions of the program.

KALOS shall:

1. Create a set of test conditions, test cases, and test data that will validate that the change has been incorporated correctly.
2. Create a set of test conditions, test cases, and test data that will validate that the unchanged portions of the program still operate correctly, and
3. Manage the entire cyclic process.

KALOS shall execute the regression test, provide actual testing results, and certify its completion in writing to the State prior to passing the modified software application to the users for re-testing.

In designing and conducting such regression testing, KALOS will be required to assess the risks inherent to the modification being implemented, identifying and assessing any unintended consequences, and weighing those risks against the time and effort required for conducting the regression tests.

The State will test KALOS regression tests for accuracy.

1.7 Successful UAT Completion

Upon successful completion of UAT, the State will issue a Letter of UAT Acceptance. Upon issuance of the Letter of UAT Acceptance by the State, the production-use of the CIPS application will be deployed. The respective Implementation Warranty period shall commence as further described in Exhibit K: *Warranty and Warranty Services*.

State of New Hampshire
 Office of Information Technology
 Central Pharmacy Software Delivery
 Exhibit F
 Testing Services

1.8 System Acceptance

Upon completion of the Warranty period, the State will issue a Letter of final CIPS Applications acceptance.

State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery
Exhibit G
System Maintenance and Support

- q) For Class B problems/issues, KALOS shall analyze and resolve the issue within twenty-four (24) business hours of a request;
- r) For Class B problems/issues which can not be resolved within twenty-four (24) hours, KALOS shall provide the State a problem resolution at least a weekly update;
- s) For Class C problems/issues, KALOS shall analyze and resolve the issue within seven (7) calendar days; and
- t) For Class C problems/issues which can not be resolved within seven (7) days, KALOS shall provide the State a monthly problem resolution update.

All Class A, B, and C Deficiencies found shall be corrected by KALOS no later than thirty (30) business days, unless specifically extended by the State. Approval for any such extensions will not be unreasonably withheld. In the event that KALOS fails to correct a Deficiency or fails to do so within the allotted period of time, the State may exercise its rights under Termination for Default defined in the Statement of Work, Section 11.7.1 and terminate the Contract, declare the KALOS in default, and pursue its remedies at law or in equity or both.

2.2 Term

KALOS System support will commence upon the State's issuance of the User Acceptance Testing Letter of Acceptance and will remain in effect through the end of the Term, December 30, 2011, and any extensions thereof.

3. DATA COLLECTION

3.1 Records

KALOS shall maintain a record of the activities related to warranty repair or maintenance and support activities performed for the State. For all maintenance services calls, KALOS shall ensure the following information will be collected and maintained:

- 1. Nature of the Deficiency;
- 2. Current status of the Deficiency;
- 3. Action plans, dates, and times;
- 4. Expected and actual Completion times; and
- 5. Deficiency resolution information.

3.2 System Monitoring

KALOS shall work with the State to identify and troubleshoot potentially large-scale System failures or Deficiencies by collecting the following information:

- 1. Mean time between reported Deficiencies with the System;
- 2. Diagnosis of the root cause of the problem; and
- 3. Identification of repeat calls or repeat System problems.

State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery

System Maintenance and Support

1. SYSTEM MAINTENANCE

1.1 KALOS' Responsibility

KALOS shall perform remote technical support to maintain the CIPS Application in accordance with the Contract. KALOS will not be responsible for maintenance or support for any software developed or modified by the State.

1.1.1 Maintenance Releases

KALOS shall make available to the State the latest program updates, general maintenance releases, selected functionality releases, patches, and documentation, that are generally offered to its customers, at no cost.

2. SYSTEM SUPPORT

2.1 KALOS' Responsibility

KALOS shall:

- a) Maintain and support all Software used in the application;
- b) Provide security at the application and database levels;
- c) Support all necessary software upgrades and version control for distribution of application upgrades;
- d) Provide a technical support team that provides support for maintenance of application software;
- e) Conduct remote diagnostics with access privileges to servers;
- f) Assist the State with all operating systems and utilities;
- g) Provide a performance monitoring system;
- h) Provide the ability to receive and incorporate updates to the drug database from Medspan and the Warning Label Subscriptions;
- i) Provide immediate and constant attention for any software application failures until the State Pharmacist, or his/her designee, reports the system is again operational and functioning;
- j) Provide preventative maintenance;
- k) Provide training via telephone as needed;
- l) Provide trained telephone support Monday to Friday between the hours of 9:00 am to 5:30 pm, Eastern Standard Time, to record all trouble issues;
- m) Provide a telephone number for emergency off-hour assistance;
- n) Ensure a State caller will not be on hold for more than five (5) minutes;
- o) For Class A problems/issues, KALOS shall analyze and resolve the issue within sixty (60) minutes;
- p) For Class A problems/issues which can not be resolved in sixty (60) minutes, KALOS shall provide the State a problem resolution update at least every other business day;

Work Plan

The KALOS Project Manager and the State Project Manager will finalize the Work Plan within two (2) days of the Effective Date ("Revised Work Plan") and further refine the tasks required to implement the Project. The elements of the preliminary Work Plan are documented in accordance with KALOS' plan to implement the software application, CIPS. Continued development and management of the Work Plan is a joint effort on the part of the KALOS and State Project Managers. The preliminary Work Plan created by KALOS and the State is set forth at the end of this Exhibit.

1. ASSUMPTIONS

The following assumptions are the basis for the KALOS preliminary Work Plan and related cost proposal.

- A. General
 - The State must have a fully Operational System accepted no later than December 26, 2006.
 - The State will provide team members with decision-making authority to support the implementation efforts, at the level outlined in the State Staffing Matrix in the Request for Proposal and in the KALOS proposal response.
 - All State tasks must be performed in accordance with the revised Work Plan.
 - All key decisions will be resolved within five (5) business days. Issues not resolved within this initial period will be escalated to the State Project Manager for resolution.
 - Any activities, decisions or issues taken on by the State that affect the mutually agreed upon Work Plan timeline, scope, resources, and costs shall be subject to the identified Change Control process.
 - KALOS shall provide a separate escrow agreement for the CIPS application.
 - KALOS shall maintain an accounting system in accordance with Generally Accepted Accounting Principles (GAAP).
- B. Legitties
 - The KALOS Team will honor all holidays observed by KALOS or the State, although with permission, may choose to work on holidays and weekends.
 - The KALOS Team will be performing this Project at State facilities.
 - The State will provide adequate facilities for the KALOS Team, including PCs, phones, Virtual Private Network (VPN) access, and modern-based dial-out capability and access to any necessary internal State networks and/or software (within State standards).

G. Project Management

- KALOS' shall use a project management methodology approved by the State.
- The State will provide the KALOS Team with responsible access to the State personnel as needed to complete project tasks.

Exhibit I
Work Plan

- D. Technical Environment and Management
 - The State is responsible for providing the hardware, network, and communication facilities needed to support the Project.
 - The State will provide the hardware and operating system to host the Project's implementation and production instances. Hardware and operating system environments must be sized to support a minimum of one (1) instances of the application (instances include: configuration, development, system/integration testing, acceptance testing, training, and production). It is assumed that all instances are installed on similar hardware configuration and operating system.
 - The State's hardware operating environment and supporting software must meet KALOS certification requirements for the application deployment being installed.
 - The State is responsible for providing the internet access.
 - The KALOS Team will implement CIPS Version 9 application.
 - All disk and memory requirements based on the KALOS written recommendation will be satisfied prior to the KALOS Team assisting with any installation activities on the State's platform.
 - Designated State systems personnel will be available for adjustments to operating systems, configurations and tuning.

- E. Conversations
 - The KALOS Team will lead the State with the mapping of the legacy data to the KALOS Application. Additionally, the KALOS Team will:
 - o Document, the application data requirements and examples of data mappings, conversion scripts, and data loaders. The KALOS Team will identify the APIs used in the design and development of the conversion.
 - o Document the use of the Data Loaders and Conversion Script provided.
 - o Lead the review of functional and technical specifications.
 - o Lead the resolution of problems and issues associated with the development and implementation of the conversions.
 - o Report specific data fields that did not map from the State's Viking database to CIPS.

- F. Project Schedule
 - Deployment is planned to begin in November 2006 with a planned go-live date of December 26, 2006.

- G. Reporting
 - KALOS will conduct weekly status meetings and provide reports which include, but are not limited to, minutes, action items, User Acceptance Testing and results, and Documentation.

- H. User Training
 - KALOS will lead the development of the end-user training plan.
 - KALOS will train NHDOC personnel on the CIPS application.

Work Plan

- The State will schedule attendance for end-user training classes.

2. ROLES AND RESPONSIBILITIES

A. KALOS Roles and Responsibilities

- 1) KALOS Project Manager
 - The KALOS Project Manager will have overall responsibility for the day-to-day management of the Project and will plan, track, and manage the activities of the KALOS implementation team. The KALOS Project Manager will have the following responsibilities:
 - Maintain communications with the State Project Manager;
 - Work with the State in planning and conducting a kick-off meeting;
 - Create and maintain the Project Work Plan;
 - Assign KALOS Team-to tasks in the Implementation Project according to the scheduled staffing requirements;
 - Define roles and responsibilities of all KALOS Team members;
 - Provide weekly update progress reports to the State Project Manager;
 - Notify the State Project Manager of requirements for State resources in order to provide sufficient lead time for resources to be made available;
 - Review task progress for time, quality, and accuracy to achieve progress;
 - Review requirements and scheduling changes and identify the impact on the project to identify whether the changes require a change of scope;
 - Implement scope and schedule changes as authorized by the State Project Manager and with appropriate change control approvals as identified in this Implementation Plan;
 - Inform the State Project Manager and staff of any urgent issues, if and when they arise; and
 - Provide the State completed Project Deliverables and obtain sign-off from the State Project Manager.

2) KALOS Team

- The KALOS Team will assume the following tasks:
 - Develop and review functional and technical specification to determine that they are at an appropriate level of detail and quality;
 - Develop and document conversion and interface programs in accordance with functional and technical specifications;
 - Develop and document installation procedures; and
 - Develop and execute unit test scripts;
 - Test unit conversions and develop interfaces; and
 - Test system integration of the CIPS application and State data.

Central Pharmacy Software Delivery
Exhibit I
Work Plan

- Work in partnership with the KALOS and lead the State technical staff efforts in documenting the technical operational procedures and processes for the Project. (Note: This is a Project Deliverable and KALOS will lead the overall effort with support and assistance from the State), and
- Represent the technical efforts of the State at weekly project meetings.

3) State Network Administrator
The State Network Administrator will provide technical support regarding networking requirements administration. The responsibilities will include:

- Assess the ability of the State's overall network architecture and capacity to adequately support implemented applications;
- Establish connections among the database and application servers; and
- Establish connections among the desktop devices and the application and database servers.

4) State Testing Lead
The State Testing Lead will lead and coordinate the State's testing efforts. Responsibilities include:

- Development of system, integration, performance, and acceptance testing plans in conjunction with KALOS;
- Lead system, integration, performance, and acceptance testing;
- Chair test review meetings;
- Coordinate the State team and external third parties involvement in testing;
- Ensure that proposed process changes are considered by process owners;
- Establish priorities of deficiencies requiring resolution; and
- Track deficiencies through resolution.

3. SOFTWARE APPLICATION
The software application provided is the Correctional Institution Pharmacy System (CIPS).

4. CONVERSIONS
The planned conversions within the scope of this Contract are identified in Table 1: Planned Conversions.

Table 1: Planned Conversions

Conversion	Components if applicable	Lead Responsibility	Description
Statewide Conversion	CIPS	Laforet	Pully loaded application with State of New Hampshire Data

Work Plan

B. State Roles and Responsibilities
The following State resources have been identified for the Project. The time demands on the individual State team members will vary depending on the phase and specific tasks of the implementation. The demands on the Subject Matter Experts' time will vary based on the need determined by the State Project Manager and the phase of the implementation.

1) State Project Manager
The State Project Manager has the following responsibilities:

- Plan and conduct a kick-off meeting with assistance from the KALOS team;
- Assist the KALOS Project Manager in the development of a detailed Project Work Plan;
- Identify and secure the State Project team members in accordance with the Project Work Plan;
- Define roles and responsibilities of all State project team members assigned to the Project;
- Identify and secure access to additional State end-user staff as needed to support specific areas of knowledge, if and when required to perform certain implementation tasks;
- Communicate issues to State management as necessary to secure resolution of any matter that cannot be addressed at the Project level;
- Inform the KALOS Project Manager of any urgent issues, if and when they arise; and
- Assist the KALOS Team staff to obtain requested information, if and when required to perform certain Project tasks.

2) State Technical Lead and Architect
The State Technical Lead and Architect reports to the State Project Manager and is responsible for leading and managing the State technical tasks. Responsibilities include:

- Attend technical training as necessary to support the Project;
- Assist the State and KALOS Project Manager to establish the Project's detailed Work Plan;
- Manage the day-to-day activities of the State technical resources assigned to the Project;
- Work with State IT management to obtain State technical resources in accordance with the Project Work Plan;
- Work with the KALOS Technical Lead and the State's selected hardware vendor to architect and establish an appropriate hardware platform for the State's Project development and production environments.

State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery
Exhibit I
Work Plan

- A. Conversion Testing Responsibilities
- The KALOS Team and the State, based on their assigned conversion responsibilities, as set forth in Exhibit F, Testing Services shall:
- Identify applicable test scripts and installation instructions, adapt them to the Project specifics, test the business process, and compare with the documented expected results.
 - Execute the applicable test scripts that complete the conversion and compare execution results with the documented expected results.
 - Develop and unit test conversions.
 - Jointly conduct system and integration testing, verifying and validating the accuracy and completeness of the conversions.
 - Jointly verify and validate the accuracy and completeness of the conversions for acceptance testing and production.

The State shall document the technical specifications of all programs that extract and format data from the legacy systems for use by the conversion processes.

5. APPLICATION MODIFICATION

The KALOS Team will implement the following application modifications identified in Table 2: Modifications - KALOS Developed by February 28, 2007.

Table 2: Modifications - KALOS Developed

Requirement	Functional Description
1	KALOS will supply a system of prescription refills using a batch process.
2	KALOS will supply a system of prescription refills using an auto refill process.
3	KALOS will supply a system to sort batched labels by drug on request.

1. LICENSE GRANT

Subject to the payment of applicable license fees set forth in Exhibit B: Price and Payment Schedule, KALOS hereby grants to the State a perpetual, irrevocable, nonexclusive, and nontransferable license to use the CIPS Software, subject to the terms of the Contract. The State may allow its agents and contractors to access and use the CIPS Application Software, and in such event, the State shall first obtain written agreement from such agents and contractors that each shall abide by the terms and conditions set forth herein.

2. DOCUMENTATION

KALOS shall provide the State with CIPS Application Software Documentation with the CIPS Application Software. The State shall have the right to make a sufficient number of copies of the CIPS Software for its licensed use and one copy of each program media.

KALOS shall provide the State with five (5) user licenses and hard copy versions of the Software's associated Documentation and one (1) electronic version of the Documentation in Microsoft WORD and PDF format. The State agrees to include copyright and proprietary notices provided to the State by KALOS on such copies.

3. RESTRICTIONS

The State shall not:
a. Remove or modify any program markings or any notices of KALOS' proprietary rights;
b. Make the programs or materials available in any manner to any third party for use in the third party's business operations, except as permitted herein; or
c. Cause or permit reverse engineering, disassembly or decompilation of the programs.

4. TITLE

Title, right, and interest (including all ownership and intellectual property rights) in the CIPS Application Software shall remain with KALOS.

5. WARRANTY

KALOS warrants that a CIPS Application Software licensed to the State will operate according to specifications, as described in the CIPS Application Software documentation, for five (5) years after delivery. The State must notify KALOS of any CIPS Application Software warranty Deficiency within ninety (90) days after deployment. The Software provided by KALOS is an aid or tool and does not replace the training, knowledge, judgment, and responsibility of the pharmacist and his/her staff.

For any Deficiency in the above warranties, the State's remedy shall be: (a) the correction of program errors that caused the deficiency of the warranty, or (b) in the event KALOS fails to correct the Deficiency within the allotted period of time, the State may, at its option: 1) declare KALOS in default, terminate the contract, in whole or in part, without penalty or liability to the State; 2) return KALOS' CIPS Application Software and receive a full refund within ninety (90)

6. CIPS SOFTWARE ESCROW

KALOS represents and warrants that the currently existing source code for the CIPS Application Software licensed to the State under the Contract, as well as the Documentation for such CIPS Application Software, and developer comments to the source code for the CIPS Application Software (the "Deposit Materials") have been deposited, in an escrow account maintained at the escrow agent as required by this Contract. Future Deposit Materials for major version releases of the CIPS Software not otherwise delivered to the State as source code shall be deposited in the escrow account (normally within six (6) months after the first commercial shipment of each such release). KALOS shall promptly pay to the Escrow Agent all escrow fees that become due under the Escrow Agreement to maintain the CIPS Application Software in escrow.

6.1

KALOS agrees that, upon execution of this Contract, the State will be added to the Escrow Agreement as a beneficiary. The Escrow Agent will notify the State that it has been added as a subscriber within a commercially reasonable time. Thereafter, upon the request of the State, to be made no more frequently than annually, KALOS shall provide the State with written verification that the CIPS Application Software has been deposited with the Escrow Agent.

6.2

The Escrow Agent shall make and release a copy of the applicable Deposit Materials to the State upon the occurrence of any of the following events ("Release Events"):

- (a) KALOS initiates or becomes subject to a liquidation or bankruptcy proceeding of any kind;
- (b) KALOS has made an assignment for the benefit of creditors;
- (c) A receiver or similar officer has been appointed to take charge of all or part of KALOS' assets;
- (d) KALOS terminates its maintenance and support services for the CIPS application software or has ceased supporting and maintaining the CIPS Application Software for the State whether due to its ceasing to conduct business generally or otherwise, except in cases where the termination or cessation is a result of the non-payment or other fault of the State; or
- (e) KALOS defaults under the Contract; or
- (f) KALOS ceases its on-going business operations or that portion of its business operations relating to the licensing and maintenance of the CIPS Application Software.

6.4

In the event that Deposit Materials are released from escrow to the State, KALOS hereby grants the State the right to use, copy, modify, display, distribute, and prepare derivative works of the Deposit Materials, and to authorize others to do the same on behalf of the State (contractors, agents, etc.), solely for the purpose of completing the performance of

State of New Hampshire
Office of Information Technology
Central Pharmacy Software Delivery
Exhibit J

CIPS Application Software License and Related Terms

If KALOS believes or it is determined that any of the Material may have violated someone else's intellectual property rights, KALOS may choose to either modify the Material to be non-infringing or obtain a license to allow for continued use, or it these alternatives are not commercially reasonable, KALOS may end the license for, and require return of the applicable Material and refund all fees the State has paid KALOS under the Contract.

KALOS will not indemnify the State if the State alters the Material without KALOS' consent, or uses it outside the scope of use identified in KALOS' user Documentation or if the State uses a version of the Material which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the State at no additional cost. KALOS will not indemnify the State to the extent that an infringement claim is based upon any information design, specification, instruction, software, data, or material not furnished by KALOS. KALOS will not indemnify the State to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by KALOS, without KALOS' consent.

State of New Hampshire

Central Pharmacy Software Delivery
Exhibit J

CIPS Application Software License and Related Terms

KALOS' obligations under the Contract, including, but not limited to, providing maintenance and support for the CIPS Application Software and subject to the rights granted in this Contract.

6.5 KALOS agrees to pay all costs associated with the escrow covered by this Contract, except for nominal fees to cover the cost of reproduction and distribution of release of the Deposit Materials to the State, including all related reasonable administrative expenses.

7. VIRUSES

As a part of its internal development process, KALOS shall use reasonable efforts to test the CIPS Application Software for viruses. KALOS shall maintain a master copy of the appropriate versions of the CIPS Application Software, free of viruses. If the State believes a virus may be present in the delivered CIPS Application Software, then upon its request, KALOS shall provide a master copy for comparison with and correction of the State's copy of the CIPS Application Software.

8. AUDIT

Upon forty-five (45) days written notice, KALOS may audit the State's use of the programs at KALOS' sole expense. The State agrees to cooperate with KALOS' audit and provide reasonable assistance and access to information. The State agrees that KALOS shall not be responsible for any of the State's reasonable costs incurred in cooperating with the audit. Notwithstanding the foregoing, KALOS' audit rights are subject to applicable State and federal laws and regulations.

9. NON-INFRINGEMENT

KALOS warrants that it has good title to, or the right to allow the State to use, all Services and Deliverables, and including but not limited to, all Software provided under this Contract, and that such Services and Deliverables, and Software ("Material") do not violate or infringe any patent, trademark, copyright, trade name or other intellectual property rights or inappropriate a trade secret of any third party.

The warranty of non-infringement shall be an on-going and perpetual obligation that shall survive termination of the Contract. In the event that someone makes a claim against the State that any Material infringe their intellectual property rights, KALOS shall defend and indemnify the State against the claim provided that the State:

- a. Promptly notify KALOS, in writing, not later than 30 days after the State receives actual written notice of such claim;
- b. Gives KALOS control of the defense and any settlement negotiations; and,
- c. Gives KALOS the information, authority, and assistance reasonably needed to defend against or settle the claim.

Notwithstanding the foregoing, the State's counsel may participate in any claim to the extent the State needs to assert any immunities or defenses applicable to the State.

3. WARRANTIES

1.1 Software

KALOS warrants that the Software furnished under the Contract is properly functioning within the System, compliant with Exhibit J: CIPS Application Software License and Related Terms, and will operate in accordance with the Specifications and terms of the Contract.

1.2 Services

KALOS warrants that all Services provided under the Contract will be provided expeditiously, in a professional manner, in accordance with industry standards and that Services will comply with performance standards, and Specifications and terms of the Contract.

1.3 Non-Infringement

KALOS warrants that it has good title to, or the right to allow the State to use, all Services and Deliverables, and including but not limited to, all Software provided under this Contract, and that such Services and Deliverables, and Software ("Material") do not violate or infringe any patent, trademark, copyright, trade name or other intellectual property rights or misappropriate a trade secret of any third party.

The warranty of non-infringement shall be an on-going and perpetual obligation that shall survive termination of the Contract. In the event that someone makes a claim against the State that any Material infringes their intellectual property rights, KALOS shall defend and indemnify the State against the claim provided that the State:

- a. Promptly notify KALOS, in writing, not later than 30 days after the State receives actual written notice of such claim;
- b. Gives KALOS control of the defense and any settlement negotiations; and,
- c. Gives KALOS the information, authority, and assistance reasonably needed to defend against or settle the claim.

Notwithstanding the foregoing, the State's counsel may participate in any claim to the extent the State seeks to assert any immunities or defenses applicable to the State.

If KALOS believes or it is determined that any of the Material may have violated someone else's intellectual property rights, KALOS may choose to either modify the Material to be non-infringing or obtain a license to allow for continued use, or it takes alternatives are not commercially reasonable, KALOS may end the license for, and require return of the applicable Material and refund all fees the State has paid KALOS under the Contract. KALOS will not indemnify the State if the State alters the Material without KALOS' consent, or uses it outside the scope of use identified in KALOS' user Documentation or if the State uses a version of the Material which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the State at no additional cost. KALOS will not indemnify the State to the extent that an infringement claim is based upon any information design, specification, instruction,

 Warranties and Warranty Services

software, data, or material not furnished by KALOS. KALOS will not indemnify the State to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by KALOS, without KALOS' consent.

1.4 Viruses; Destructive Programming

KALOS warrants that the Software provided shall not contain any viruses, destructive programming, or mechanisms designed to disrupt the performance of the Software in accordance with the Specifications.

KALOS shall maintain a master copy of the appropriate versions of the CIPS Application Software, free of viruses. If the State believes a virus may be present in the delivered CIPS Application Software, then upon its request, KALOS shall provide a master copy for comparison with and correction of the State's copy of the CIPS Application Software.

1.5 Compatibility

KALOS warrants that all Application Software System components, including any replacement or upgraded Software components, provided by KALOS to correct Deficiencies or as an Enhancement, shall operate with the rest of the System, including, but not limited to components provided, without loss of any functionality.

1.6 Personnel

KALOS warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

2. WARRANTY SERVICES

KALOS agrees to maintain, repair, and correct Deficiencies in the Application Software during the Warranty Period, at no additional cost to the State, in accordance with the Specifications and terms and requirements of the Contract, including, without limitation, correcting all errors, and defects and Deficiencies; eliminating viruses or destructive programming; and replacing incorrect, defective or deficient Software and Documentation.

Warranty Services shall include, without limitation, the following:

- a. Maintain the Software in accordance with the Specifications, terms, and requirements of the Contract;
- b. Repair or replace the Software or any portion thereof so that the System operates in accordance with the Specifications, terms, and requirements of the Contract;
- c. KALOS shall have available to the State on-call telephone assistance, from 9:00 AM to 5:30 PM EST Monday through Friday.
- d. KALOS will provide issue tracking to the State during normal business hours with an email / telephone acknowledgement response within two (2) hours of

State of New Hampshire

Exhibit K
Warranties and Warranty Services

KALOS shall provide the following training Services. All courses are to be offered on-site at the New Hampshire Department of Corrections (NHDOC) and will be available for up to five (5) students.

- d. KALOS will provide issue tracking to the State during normal business hours with an email/telephone acknowledgement response within two (2) hours of request, with assistance response dependent upon the severity of the Deficiency.
- e. Maintain a record of the activities related to warranty repair or maintenance activities performed for the State.
- f. For all Warranty Services calls, KALOS shall ensure the following information will be collected and maintained: 1) nature of the Deficiency; 2) current status of the Deficiency; 3) action plans, dates, and times; 4) expected and actual completion times; 5) Deficiency resolution information;
- g. KALOS shall work with the State to identify and troubleshoot potentially large-scale Software failures or Deficiencies by collecting the following information: 1) mean time between reported Deficiencies with the Software; 2) diagnosis of the root cause of the problem; and 3) identification of repeat calls or repeat Software problems; and
- h. All Deficiencies found during the Warranty Period and all Deficiencies found with the Warranty Release shall be corrected by KALOS within thirty (30) business days of discovery, unless extended in writing by the State, and all at no additional cost to the State.

1. Instructor-Led Class Training
KALOS will provide instructor-led CIPS training on-site at NHDOC. This method will provide NHDOC personnel with the in-depth knowledge and hands-on experience needed in their working with the CIPS application.
KALOS shall provide on-site training for one (1) day at the Introduction/Kick off meeting; seven (7) days of on-site training during the out-over from the State Vining database to the CIPS application system and (3) days on-site for order entry and profile training.

2. Approach
The KALOS Team will:
 1. Lead the development and implementation of the Training Plan.
 2. Provide guidance, coaching, materials, and tools.
 3. Analyze skill requirements.
 4. Detail roles, course content, and estimated course length.
 5. Lead the development of materials and documentation to include: KALOS providing baseline documentation in electronic format that can be modified and reproduced.

3. Training Plan
The KALOS Team will act as the training lead and will provide guidance, coaching, materials, and tools to assist the State Team to structure and implement a Training Plan—including a strategy for outlining the scope, roles, audiences, and deployment timeline throughout the Project lifecycle.

4. Produce Training Materials and End-User Documentation
The KALOS Team will lead the efforts to produce the training materials and end-user Documentation.

2. TRAINING

Training shall occur at the New Hampshire men's prison pharmacy located at 281 North State Street, Concord, NH. Training is provided as one (1) day during the kick off meeting and ten (10) days during system out-over.

3. WARRANTY PERIOD

The Warranty Period shall commence upon the State's issuance of a Letter of Acceptance for the UAT and extend for one hundred and twenty (120) days.

If, after the first ninety (90) days after the Software is deployed, the Software fails to operate in accordance with the Specifications, the Warranty Period will cease. KALOS shall correct the Deficiency, and a new one hundred and twenty (120) day Warranty Period shall begin. Any further Deficiencies with the Software must be corrected and run fault free for one hundred and twenty (120) consecutive calendar days.

Required IT Work Procedures

1. All work done must conform to standards and procedures established by the Office of Information Technology and the State.
2. All products developed (requirements, Specifications, Documentation, program code, other) are work for hire and ownership is in accordance with the New Hampshire Contract Terms and Conditions.
3. Any technical education needed by the Vendor to successfully complete the assumed assignment will be at the sole expense of the Vendor and provided by the Vendor.
4. Vendor must agree to provide an "equal or better" replacement for any personnel who leave employment of the Vendor during the course of the Contract.
5. Vendor must make the individuals available to be interviewed by the State prior to the Project assignment.
6. Vendor and its employees assigned to this Project must sign a "Computer Access and Use Agreement."
7. The State may require a detailed background check on any individual assigned to the Project, as this Project may involve confidential or sensitive information.
8. Personnel assigned to the State must be available to work within ten (10) business days of the contract signing.

RE: Proposal Invitation Name: CENTRAL PHARMACY DELIVERY SOFTWARES
Proposal Number: DOC 2006-113
Proposal Opening Date and Time: Wednesday July 13, 2006 at 2:30 P.M.

Dear Sir:

Company Name: KALAS, INC. hereby offers to sell to the State of New Hampshire the services indicated in RFP NH DOC 2006-113 CENTRAL PHARMACY DELIVERY SOFTWARES, at the price(s) quoted in Vendor Response Section VII, Cost Proposal, and Appendix F, Pricing Worksheet, in complete accordance with all conditions of this RFP and all Specifications set forth in the RFP and in the State of New Hampshire Terms and Conditions outlined in RFP Section 6: General Contract Requirements and Appendix G-4: State of New Hampshire Terms and Conditions.

Company Signor: Thomas Spink is authorized to legally obligate
Company Name: KALAS, INC.

We attest to the fact that:

The company has reviewed and agreed to be bound by all RFP terms and conditions including but not limited to the State of New Hampshire Terms and Conditions in Appendix G-4 and Contract Requirements in Section 6, which shall form the basis of any Contract resulting from this RFP; No new terms and conditions have been added and no existing terms and conditions have been deleted in this RFP Proposal.

The proposal is effective for a period of 180 days or until the Effective Date of any resulting contract, whichever is later.

That the prices quoted in the proposal were established without collusion with other eligible vendors and without effort to preclude the State of New Hampshire from obtaining the best possible competitive price; and

The Vendor has read, signed, and included this RFP and any subsequent addendum(s).

Our official point of contact is Thomas Spink,
Title: President, Email: thomas.spink@kalas-inc.com
