Her Excellency, Governor Margaret Wood Hassan  
 and the Honorable Council  
 State House  
 Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division for Behavioral Health, New Hampshire Hospital, to enter into **sole source** Agreement with Eric Jensen (Vendor #152864), to participate as a member of the multidisciplinary team to assess and evaluate whether or not a person convicted of a sexually violent offense, who is eligible for release from total confinement, meets the definition of sexual violent predator as defined in the New Hampshire Revised Statutes Annotated 135-E, entitled "Involuntary Civil Commitment of Sexually Violent Predators," in an amount not to exceed \$19,800, upon Governor and Executive Council approval through June 30, 2018. 100% General Funds.

Funds to support this request are available in the following account in State Fiscal Year 2017, and anticipated to be available in State Fiscal Year 2018 upon the availability and continued appropriation of funds in the future operating budgets, with the authority to adjust encumbrances between State Fiscal Years, through the Budget Office if needed and justified, without approval from Governor and Executive Council.

05-95-094-940010-8753 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVCS, HHS: NEW HAMPSHIRE HOSPITAL, NEW HAMPSHIRE HOSPITAL, SEXUAL PREDATORS ACT

| State Fiscal Year | Class/Object | Class Title                          | Current Budget Amount |
|-------------------|--------------|--------------------------------------|-----------------------|
| 2017              | 102-500731   | Sexual Violent Predators Assessments | \$9,900               |
| 2018              | 102-500731   | Sexual Violent Predators Assessments | \$9,900               |
|                   |              | Grand Total                          | \$19,800              |

**EXPLANATION**

This Agreement is **sole source** because the services are very specialized and require a specific set of credentials and experience. The work in this Agreement will only be performed by the Vendor when the State is required to evaluate whether or not a person convicted of a sexually violent offense, who is eligible for release from total confinement, meets the definition of sexual violent predator. Sexually Violent Predator evaluation is highly complex. As a result, there are few individuals with the appropriate training, experience and willingness to work in this field. This Contractor has the qualifications and experience to perform this specialized work.

The attached agreement represents one (1) of a total of four (4) agreements with Vendors needed to create a multidisciplinary evaluation team. Two Agreements were previously approved on June 29, 2016 (Item #20). The last agreement will be presented to Governor and Executive Council at an upcoming meeting.

Approval of this Agreement will allow the Department to continue to provide New Hampshire Hospital with Sexually Violent Predator evaluation services of a multidisciplinary team. The team will assess and evaluate whether or not a person convicted of a sexually violent offense, who is eligible for release from total confinement, meets the definition of sexual violent predator as defined in the New Hampshire Revised Statutes Annotated 135-E, entitled "Involuntary Civil Commitment of Sexually Violent Predators."

Should Governor and Council determine not to approve these Agreements, the Department would be unable to complete the statutorily required assessment of individuals and would lack the necessary evidence required to determine an individual's readiness to be released into the general population.

Area Served: Statewide.

Source of Funds: 100% General Funds.

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
