			<b>Total:</b>	<b>\$50,000</b>

**Explanation**

The purpose of this request is to enter into a **sole source** agreement with Andrew Smith to provide services as the Disproportionate Minority Contact Coordinator. Mr. Smith has operated as the Disproportionate Minority Contact Coordinator since 2011.

The State of New Hampshire participates in the Juvenile Justice and Delinquency Prevention Act's Part B Formula Grants program. This program requires the State to address juvenile delinquency prevention and system improvement efforts to reduce the over representation of minority youth in the nation's juvenile justice system.

The federal Office of Juvenile Justice and Delinquency Prevention administers the Formula Grants Program under Title II, Part B, of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended in 1988 and 1992 and reauthorized by Congress in 2002 [42 U.S.C. 5633, Section 22 State Plans 28c (1), (2) and (2-A)]. This Act requires states to address disproportionate minority contact to ensure equal and fair treatment for every youth in the juvenile justice system, regardless of race or ethnicity. Specifically, this Act requires states to develop and implement plans to reduce the

13

proportion of minority youth detained or confined in secure detention facilities, secure correctional facilities, jails, and lockups if they exceed the percentage of minority youth in the general population.

Contributing factors to disproportionate minority contact are multiple and complex. Reducing disparity of minority youth in contact with the juvenile justice system requires comprehensive and multi-pronged strategies that include programmatic and systems change efforts. The federal Office of Juvenile Justice and Delinquency Prevention requires all states collect, report and use data to inform their administration of grant funds available to improve program performance. Participating states are required to identify the extent to which disproportionate minority contact exists, assess the reasons for disproportionate minority contact, develop and implement systems improvement strategies, as well as evaluate and monitor the effectiveness of chosen strategies.

New Hampshire needs a Disproportionate Minority Contact Coordinator in order to obtain grant money available through the Formula Grants Program under Title II, Part B, of the Juvenile Justice and Delinquency Prevention Act. Non-compliance with the disproportionate minority contact requirements results in the federal Office of Juvenile Justice and Delinquency Prevention withholding federal funds until the federal office either approves the state's disproportionate minority contact plan on how to address noncompliance or until noncompliance is resolved. Withholding of grant funds at the federal level will subsequently affect the amount of funds that can be passed through to communities throughout New Hampshire to provide delinquency prevention and intervention programs.

The Department of Health and Human Services formed a search committee for a Disproportionate Minority Contact Coordinator in 2010. This committee, comprised of law enforcement, city and state personnel, received seventy-three (73) vendor responses to statewide advertisement. Andrew Smith was selected as the top vendor due to his experience and knowledge of issues relative to cultural sensitivity and diversity, as well as his private and public sector training experience specific to cultural sensitivity and diversity at the local, national and international levels.

Longevity in this capacity has allowed Andrew Smith to develop partnerships at local and State levels, which have made him instrumental in creating local Disproportionate Minority Contact teams. Mr. Smith's personal experience in the realm of cultural diversity brings a perspective of cultural equality to local communities when working to build teams that deal directly with minority youth in contact with the juvenile justice system in the Rochester, Manchester and Nashua areas. Continuity of staff, including the Disproportionate Minority Contact Coordinator, will enable the Department to form additional teams at the local level, which will assist communities in preventing disparity in the number of minority youth in contact with the juvenile justice system. Mr. Smith has established affiliations with local and State personnel, and is familiar with changes in New Hampshire demographics. Retaining Mr. Smith in this sole source contract will ensure local communities have access to a seasoned coordinator who understands the needs of local communities in relation to minority youth in contact with the juvenile justice system.

The Disproportionate Minority Contact Coordinator works with the State Disproportionate Minority Contact team, a subcommittee of the State Advisory Group, and local Disproportionate Minority Contact teams to ensure continued compliance with federal requirements. Each local team has different issues and concerns with minority over representation. The Disproportionate Minority Contact Coordinator assists local teams in navigating through the issues of minority over representation in the juvenile justice system and provides guidance to local communities so they can address their respective concerns. The Disproportionate Minority Contact Coordinator is responsible for collaborating with local communities to address racial and ethnic disparity of minorities in contact with the juvenile justice system to ensure equal and fair treatment of all youth in the juvenile justice system, regardless of race and ethnicity. With the changing demographics in NH, Andrew Smith has assisted New Hampshire to continue to be pro-active in educating teams, community groups and stakeholders throughout the state about disproportionate minority contact.

Should the Governor and Executive Council not approve this contract, the State of New Hampshire may be found in noncompliance with the Juvenile Justice and Delinquency Prevention Act [42 U.S.C. 5633, Section 22 State Plans 28c (1), (2) and (2-A)], which was reauthorized by Congress in 2002, resulting in the lost opportunity to secure federal grants that would benefit local communities.

Respectfully submitted,

Mary Ann Cooney

If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
- 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).
14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. **(4) Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.
